Allied Raiders Erase 53 Chinese Communists

SEOUL (AP)—Allied raiders pushed through a freezing snow on the Western Front today and killed or wounded an estimated 53 Chinese Communists.

The Air Force weekly summary said three Allied warplanes were lost over North Korea last week. One U. S. Sabre jet was shot down by Communist MIG fighters, an Australian twin-jet Meteor was downed by antiaircraft fire and an unidentified jet was lost to "unknown causes" — presumably mechanical trouble.

The boundary between Canada and the United States is 2,198 miles of water and 1,738 miles of dry land.

Chinese Broadcast Allies' Yule Program

SEOUL (AP)—Chinese loudspeakers on the Central Korean front broadcast Christmas programs for Allied soldiers.

White Horse Mountain and Triangle Hill echoed Thursday night with carols, the Korean national anthem and a woman cooing in the Korean language, "come on over to our side."

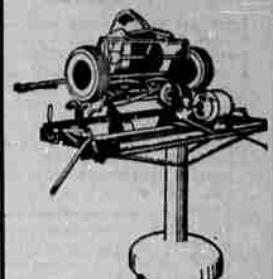

A battle line loudspeaker near Triangle invited:

"You don't want to be a part of the mess in the White House—surrender."
