INTRODUCING
"Body Beautiful"
HORMONE LOTION
BY COTY
the finest hormone lotion
to help your body look young!

Most women let skin care stop with their face, forgetting that the body is an important part of beauty. Skin everywhere on the body can be kept just as young-looking and young-feeling. All that's needed is proper skin care all over the body.

For just that purpose COTY has developed an entirely new lotion, called "Body Beautiful" Hormone Lotion. Scientifically blended from hormones and other beneficial ingredients, this new lotion lets every single inch of your body benefit from hormones.

Natural Hormones, Estradiol and Other Beneficial Ingredients Help Retain Skin Moisture

Thanks to estrogenic hormones and estradiol, your skin can be helped to keep the moisture, and suppleness it would naturally have. It's only when dryness creeps in that you begin to notice criss-cross wrinkles on your hands—runs in your stockings caused by roughness and flaky skin on legs and ankles—"sand-paper" elbows that mar otherwise pretty forearms. That's exactly when "Body Beautiful" Hormone Lotion can help you retain the proper degree of moisture in skin and under-tissues... regain the thrill of looking young... feeling young from the tips of your fingers to the tops of your toes.

Have you tried the first truly balanced car in the low-priced field?

new '53 Plymouth

1 **Balanced Vision** With 16% more glass area, you get all-around, close-in vision. New one-piece windshield is more uniformly curved so you get an undistorted view of the road. Constant-action electric windshield wipers.

2 **Balanced Ride** New truly balanced suspension controls roll, pitch, and bounce... thus levels the road three ways... and gives you the softest, steadiest, most restful ride you've ever experienced!

3 **Balanced Styling** Here's a new way of balancing smart exterior styling with more space inside! The new '53 Plymouth is sleeker, yet offers more head room. In sedans there's 8 inches more hip room for rear-seat passengers.

4 **Balanced Braking** Where other low-priced cars have but one hydraulic cylinder in each front brake, Plymouth has two—to give you balanced control, the exact amount of stopping power you want and expect.

5 **Balanced Power** The stepped-up 100-horsepower Plymouth engine—with new, higher compression ratio of 7.1 to 1—floats in balance on cushions of live rubber... to give you smooth, quiet operation and long car life.

6 **Balanced Steering** Plymouth's shock-proof steering is better than ever because of the new suspension system and true balance of the car. You drive relaxed with your car under perfect control.

7 **Balanced Budget, Too** Your pocketbook benefits from the greater quality engineered into the Plymouth. You get longer, trouble-free service, day-after-day dependability with lower maintenance cost.

All-around balance is only part of the '53 Plymouth story. You'll want to see the smart, gleaming new colors and color harmonies—the luxurious new interiors—the rich, refined appointments that make this the most beautiful low-priced car you've ever seen. Your Plymouth dealer is eager to arrange your demonstration drive now.
