General's Wife Rescued From Sea; Suicide Belief

SAN FRANCISCO (AP)—Mrs. Alys S. Trapnell, 46, identified by the Army as the wife of Brig. Gen. Thomas J. H. Trapnell, was rescued from the Pacific Ocean here last night.

Patrolman Paul McGoran said it was a suicide attempt, but the woman's mother, Mrs. Hulda N. Snow, discounted that possibility, saying:

"I think she must have fainted on the beach. She often goes for walks there."

Cabinet Post Okay For Wilson Predicted

WASHINGTON (AP)—Sherman Adams, new White House chief of staff, predicted today the Eisenhower administration will "ride out" protests over the appointment of Charles E. Wilson as secretary of defense.

Wilson's confirmation has been challenged by some Senate Democrats and Republicans because he has said he will not give up 2½ million dollars in stock, a yearly pension and a retirement bonus from General Motors, of which he was president. G.M. is the largest Defense Department private contractor.

Although Adams did not elaborate, Sen. Ferguson (R-Mich) said he expects some arrangements to be made under which Wilson would be relieved of the necessity for passing on General Motors contracts if he retains his holdings in the automotive firm.

OPEN LETTER TO THE PUBLIC

This is a paid non-political advertisement and almost everything said herein is true. I just want to point out, that a lot of appliance dealers claim their particular brand of electric refrigerators, freezers or ranges are the best; that they have no equal, they are the best looking, will last the longest and best of all are less expensive. They leave the impression that they are being sold below cost because the dealer loves the public and wants to do something really fine for his fellow-man. Now after reading this statement in practically every ad in the paper it all adds up to only one answer. Somebody must be off their trolley because they can't all be right and to go just one step further they are "all" all wet because it's CROSLEY that has all those fine features that these other guys have been crowing about — "I know" because we sell them.

Our down payment is just as hard to make as theirs (although its only 15%) and our monthly payments come just as regularly. However here's one important fact: We are "Darned near Human" and if we can do anything to help somebody get started we'll do it. Just try us and see.

Truly yours (and I mean truly),
CHARLIE BRIGGS
