Minister Who Passed Up Fortune Dies At 83

BRACEBRIDGE, Ont. (AP) — The Rev. William Kendall, 83-year-old missionary who passed up a great English estate for life on the Muskoka Indian reservation, died in a hospital here last night. His ancestral home, Sinnington Manor in Yorkshire, was left to him by his sister in 1948. But he never went back to England to take possession.

But you can't possibly be well, Mr Wump... only half your medicine is gone.

Importers Balk At Increasing Wheat Ceilings

WASHINGTON (AP) — Importing countries continued to balk Thursday at any sizeable price increase in wheat ceilings.

The International Wheat Council is winding up its third week of bargaining on the trade agreement, which expires July 31.

Under it, the 42 importing nations have been able to buy over two billion bushels of wheat at a ceiling of \$1.80 a bushel.

Delegates read President Eisenhower's news conference statement Wednesday that this amounted to a U. S. subsidy of 77 cents a bushel.

As chief exporter, the U. S. is asking a ceiling of \$2.50, but a conference in London last spring founded on this demand and there is little chance of its being met. Canada and Australia, the other big exporters, are asking \$2.25.

The importers, of which Britain is the largest, began with the position that world prices of wheat are on a downward trend and that there is no reason for an increase in the \$1.80 ceiling. Since then it has been authoritatively reported that they offered \$1.90, stipulating that this is their last price.

Exporters indicated that they would come down on their price, but not below \$2.

The arguing and bargaining has been done behind closed doors, with press and public barred. Council Chairman F. Sheed Anderson of Britain has asked delegates to make no public statements.

Soviet Legation Leaves After Israel Break

TEL AVIV, Israel (AP) — The Red flag over the Soviet legation came down Friday. The last Russian diplomat departed for Moscow and the break between Israel and the USSR became complete.

Pavel Yerabov, the Soviet minister, departed with a clerk, who carried the brass plate from the legation's door. They set off in a seven-car convoy for Haifa to board a ship for home.
