Dillard Church Greet Pastor

By ROSA WEINBACH
Rev. Rinke A. Feenstra and wife, former pastors of the Roseburg Methodist Church, have accepted the pastorate of the Dillard Church and held their first service last Sunday.

The Feenstras served at the Roseburg Church from 1943-45. From there they moved to Newberg for four years, and then to Church in Portland for two years. Feenstra retired from the active ministry in 1951, but has been serving, before coming to Dillard, at Lyons, where the church burned to the ground just before Christmas.

"The Miracle of the Leaves" will be the theme of Rev. R. A. Feenstra's sermon next Sunday at 11 a.m. The choir will sing under the direction of Mrs. E. E. Post. The Youth Fellowship meets at 7:30 p.m. at the church.

Postmaster C. C. Fosback is the superintendent of the Sunday school which meets at 9:45 a.m. with classes for all ages.

Church Rededicated
The church parsonage has undergone a new paint job on the inside and has all new linoleum throughout. The work has been carried on through the efforts of C. C. Fosback, church school superintendent, and interested members of the Woman's Society of Christian Service during the past two weeks. Mrs. Virgil Post, president, and Mrs. Willard Laurance and Mrs. Charles McCord spent the day in Roseburg Wednesday selecting new curtains and the linoleum for the parsonage.

Mr. and Mrs. Ronald Burgess motored to Tangent Friday evening where they remained overnight at the home of Rev. and Mrs. Frank B. Drew, former pastor of the Dillard Methodist Church. Saturday they drove a truck to Lyons where they loaded the furniture and belongings of the Rev. Mr. and Mrs. Feenstra. They returned to Dillard Sunday.

Mr. and Mrs. Dwayne Manasco and daughter Peggy, who have been spending several days visiting Mrs. Manasco's parents, Mr. and Mrs. Martin Halverson, left Monday for an extended visit with Manasco's aunt and uncle in Sutherlin and Sweet Home.

The Dillard School girls' glee club have been rehearsing during spring vacation from Tuesday through Friday from 1 to 2:30 p.m., in the school music room. The girls are working on the program for the musicale they are sponsoring on Saturday, March 28, at the Dillard School auditorium. The purpose of this entertainment is to raise funds for the transportation of the entire group of 65 voices to Klamath Falls in May. They are scheduled to participate in the District Glee Club contest at that time.

The benefit musicale on March 28 will consist of ballet numbers from the Sally Hill School of Dance in Roseburg, as well as vocal and instrumental numbers from the Dillard School. Tickets are now being sold by all members of the girls' glee club.

Varney States Leave Of Absence From Work
Percy M. Varney, employment security deputy in the Roseburg branch of the State Employment Office, will take a leave of absence from the office starting Tuesday for "at least three months."

Varney has been working with the Employment Office for the past five years. Previously, he ran a personnel office in Portland, was state parole officer and chief of police at Salem. Last year, he ran for city councilman in Roseburg.

Varney did not state the reason for his leave.

Chamber Wants Photographs

The Roseburg Chamber of Commerce publicity committee has issued a call for photographs to illustrate a folder setting forth the attraction of Douglas County and Roseburg, Secretary Harold Hickerson announced today.

Copy for the brochure is expected to be completed within the next 30 days, Hickerson said.

"In order that the folder may properly tell its story in pictures, the committee desires copies of pictures of mountains, lakes, valleys, streams, recreational spots, unusual catches of fish, deer, game bird, livestock and poultry," the secretary says.

The committee has asked that anyone having such photographs that can be borrowed for illustrative purposes, take them to the Chamber of Commerce office, 203 North Main St.

Other pictures, such as public buildings, industrial plants, timber and others, have already been provided.

SURE SIGN OF SPRING

BOSTON (P)—Special "insurance cards" are being issued homeowners in the vicinity of Boston's sandlot baseball diamonds by an aluminum combination window firm as a spur to spring business.

Residents whose windows face such playing areas are being given cards entitling them to free replacement of broken panes if and when mishaps occur. Applicants for cards must prove that their windows face the sandlot area and are within the "danger zone."
