Report Says Canyonville Water Pure

By MRS. PAUL STRAHAN
Word has been received from the Oregon State Board of Health that Canyonville's city water conforms with the accepted bacteriological standards of purity for drinking water.

Answer Fire Call
The Canyonville Fire Dept. answered a call to the old Lincoln house on Riddle Road last Saturday evening.

It is reported that a family named Carl lived in the house, but the house appeared unoccupied and the police have been unable to contact such a family. The house was a total loss and no one knows how the fire started.

The firemen were able to save an old shed back of the house. Fire Chief Ed Oaks reports the name of the man who turned in the alarm was not learned. Oaks states that there was a good turnout of volunteer firemen in response to the alarm.

Sandy's Fountain has undergone a redecoration and looks bright and clean in its new coat of green paint. It reopened for business on Wednesday.

Dillard School Budget Group To Meet Saturday

The Dillard School District Budget Committee will hold its first meeting Saturday with school administrators and school board, Supt. William Bromley announced today.

He said plans for the budget will be laid at the meeting.

The schools board, in regular session Tuesday night, set up three committees for report cards and teachers' salaries. Paul Dodd, music instructor for the district, was named chairman for the salaries group. First meeting will be held Jan. 26.

The report cards committee holds a combined meeting the following day. Three representatives of the State Dept. of Education will be on hand to go through details with members.

A committee on report cards has been set up for both elementary and high school. Lola Fitzgerald, Tenmile, heads the elementary group, and Doris Walker, Douglas High School teacher, the high school committee.

The committees include members from the teaching staffs, administrators and laymen.

In other action, the Dillard School Board formally ruled that Douglas High School will accept no students from outside District 116, and fell in step with a County Civil Defense emergency shelter program in the schools. County Supt. Kenneth Barneburg is in charge of setting up the shelter program.

The Rubirosas Arrive In Palm Beach, Florida

PALM BEACH, Fla. — Mr. and Mrs. Porfirio Rubirosa—she's better known as Barbara Hutton, the heiress—were in this Florida resort city Thursday for a belated honeymoon.

They made the trip from New York Wednesday in a chartered 88-passenger Constellation, a wheelchair and a limousine.

The bride of two weeks hopped off the plane wearing a smart black outfit, a string of pearls and a cast on her left ankle. She broke the ankle after their wedding Dec. 30 and that forced them to delay their trip South.
