IRON LUNG PULPIT—Rev. Maurice Hardman, 29-year-old Anglican minister, speaks into microphone to make a tape recording for his congregation in Stonewall, Man. Stricken with polio, he has been in the lung in a Winnipeg hospital four months. It took 15 minutes to record the eight-minute sermon because a lung patient can speak only when the lung allows him to exhale. (AP Wirephoto).

—NEA Telephoto

REBUKED BY TITO—The Yugoslav Communist Party's central committee has deprived Vice President Milovan Djilas (above) of all party posts and given him a "final" warning to get back to the party line, from which, it charged, he has strayed. President Marshal Tito told the committee Djilas had "gone too far."

Metalworkers Want To Keep Pension Funds

BELLINGHAM (AP) — The Pacific Coast Metal Trades Council pointed Thursday to conclusion of their 14th annual convention with election of officers and picking of a 1955 convention site.

The metalworkers hammered out a series of resolutions Wednesday night in a late-hours session that saw approval of a plan to redistribute funds in their health and welfare plan treasury.

Under present practice, the 7½ cents an hour received for the health and welfare fund is paid into a central treasury for redistribution. After much discussion Wednesday night, a resolution was approved which would permit locals or international unions to keep the proceeds within their own treasuries.

The resolution has no effect other than to indicate a preference by members of the council for handling of the matter when new contracts are negotiated with employers.

Earlier, it was announced that a three-hour conference had failed to bring the International Association of Machinists into the big AFL council.

Veterans Get Priority In Farm Acquisitions

SALT LAKE CITY (AP)—Dogs are more down-to-earth than humans. But that's about the only difference, a California veterinarian says.

Dr. R. A. Stocking of Los Angeles is attending the convention of the International Veterinary Medical Assn. here. He thinks that breed of pooch may have the same troubles, emotions and thoughts you do.

Your dog may dream, have ulcers, be intelligent or dull-witted. He may become nervous and upset if he sees you beating your wife. Which may be why Dr. Stocking says he believes the world would be better if there were more dogs and fewer humans.

If you want your dog to be normal, give him a normal home life, the Los Angeles veterinarian says. Dogs are just as much affected by their surroundings, he reports, as humans.

Two Men Are Arrested For Contempt Of Court

Two men Wednesday were jailed for contempt of court after bench warrants were issued by Circuit Judge Carl E. Wimberly on non-support counts.

Eugene William Powell, 32, 333 W. Cass St., was released in the afternoon shortly after his arrest when he was able to pay $315 his ex-wife, Florence Isobel Powell, complained was due her.

In the county jail is John Herman Seaburg, 44, 128 Flint St. No bail was set in either case.

State Attempting To Acquire Camp Adair Property

SALEM (AP) — Gov. Paul L. Patterson and the Oregon Development Commission are negotiating with the U. S. Defense Department for acquiring the Camp Adair site for industrial use, the governor said Wednesday.

The property, located west of Albany, consists of several thousand acres of land. Part of it now is used by the Oregon National Guard and the State Game Commission.

"The land" the governor said "is well situated for industrial use, inasmuch as there are a number of warehouses available, together with a complete water system with pumping plants and filtration equipment providing four million gallons daily capacity."

Patterson said he understands that the government would deed the property to the state at no cost.

The government acquired the site for training soldiers in World War II.

The governor said he and the Development Commission also are considering other projects to solve the state's unemployment problem. L. R. Teeple, Portland, chairman of the commission, said several industries have shown an interest in Camp Adair.

"Any new industry coming to Oregon will mean new permanent jobs so sorely needed to offset unemployment caused by shutdown of seasonal employment," Teeple said.

Patterson also said he is looking into the possibility of using some of the Camp Adair buildings to store surplus wheat.

California U. Glee Club Will Sing In Roseburg

The University of California Glee Club will give a concert in Roseburg on Feb. 10 at the Junior High Auditorium, it was announced today.

The all-male choir will sing a program ranging from sacred music and spirituals to folk songs, hit parade tunes and Broadway favorites. These 45 young students are at present on a tour of seven western states and have selected Roseburg for one of their concerts.

The Glee Club is under the direction of Robert Paul Commanday, who has studied music at Juilliard School of Music, Cornell University and the University of California. In the past the chorus has presented concerts in places as far away as Europe, Alaska and the Orient.

The Glee Club performance is sponsored by the St. George Episcopal Choir and all proceeds from the ticket sale will go toward the purchase of a new organ for the church. Tickets will be on sale at service clubs, local societies, various organizations and at Ott and Ricketts and Harmony House in the near future.

Hawaiian Will Try Long Swim At Port Angeles

PORT ANGELES, Wash. (AP) — A Hawaiian restaurant owner here said Wednesday he'd try next summer to swim the 20-mile Strait of Juan de Fuca, a stunt already being considered by two women swimmers.

Albert Lani, 32, who says he's a nephew of the famed Hawaiian swimmer Duke Kahanamoku, announced he would attempt the Straight crossing even if channel swimmer Florence Chadwick decides against it.

Miss Chadwick, famed swimmer of the English Channel, is scheduled to inspect the Strait Thursday and decide whether to attempt a summer crossing.

The Victoria, B. C., Times and the British American Paint Co. have offered Miss Chadwick $7,500 to attempt the swim, with an additional $2,500 if she is successful.

And last week Mrs. Minnie Roach Leuzer of St. Thomas, Ontario, announced plans to challenge Miss Chadwick in a crossing from Port Angeles to Victoria.

Lani says he once swam the 7½ mile Naui Channel off Hawaii and was the only one of 50 entrants to complete a 28-mile swim of the Moloki Channel, also off Hawaii.

They'll Do It Every Time

By Jimmy Hatlo

Portland Markets

WEDNESDAY
