HONEY BUNS

All measurements are level. Sift flour before measuring. In a covered, medium-size saucepan, bring quickly to boiling point—
 1/2 cup milk
 Remove from heat and add in order given—
 2 tablespoons shortening
 2 tablespoons sugar
 1 teaspoon salt
 1/4 cup whole egg, beaten
 1 cake or package yeast (compressed or dry) softened in
 2 tablespoons water
 Stir vigorously to blend ingredients. Then add—
 2 cups sifted Sperry Drifted Snow "Home-Perfected" Enriched Flour
 Mix well, making a moderately stiff dough. Turn out on floured board and knead lightly a few strokes to smooth out and round up dough. Cover and let "rest" for 10 minutes. Then roll dough into an oblong, 10-12 inches (dough will be about 1/2 inch thick). Cover surface of dough evenly with half of the Honey-Nut Mixture. Starting from the long side, roll up dough as for jelly roll, pinching edges of lengthwise seam into roll to seal. With a sharp knife cut roll into 12 equal slices. Place, in a buttered 9-inch square pan, cut side down. Flatten each slice lightly with fingers until barely touching each other. Cover pan with dampened cloth and let rise until light and double in bulk, about 50 minutes. Just before baking, spoon remaining Honey-Nut Mixture over top of rolls. Bake in a preheated hot oven, 400°, for 20-25 minutes. 1 doz. rolls.

HONEY-NUT MIXTURE

In a small saucepan bring to a boil—
 1/2 cup sugar
 1/2 cup butter or margarine
 2 tablespoons honey
 Remove from heat and stir in—
 1/2 cup chopped nuts (walnuts, pecans, etc.)
 1/4 cup light cream
 Cool before spreading over surface of dough.
