What is Aluminum Lock?
It is the greatest roofing improvement of all time. Aluminum Lock is a patented 4-way interlocking aluminum shingle made to withstand ALL atmospheric conditions... raging fire, drizzling rain, hottest sun. Aluminum Lock Shingles are EASILY APPLIED TO OLD ROOFS OR NEW! Each shingle is nailed and held secure with an aluminum nail which is completely covered in the locking process... no nails are exposed! Your Aluminum Lock roof is as beautiful as it is indestructible. Each Aluminum Lock Shingle is embossed with a natural cedar-like grain design. You can paint these smart cedar-grain-type shingles if you like, or let them weather to a beautiful slate gray. Aluminum Lock is the world's finest roof of lasting beauty and will add dignity and quality to any home.

WHO PUTS ALUMINUM LOCK SHINGLES ON YOUR ROOF?
The Aluminum Lock Shingles are applied by factory-trained engineers to guarantee you a satisfactory lifetime installation, or, if desired, Aluminum Lock Shingles can be applied by easy-to-follow instruction sheet furnished with your order.
