By MRS. WM. CUNNINGHAM

The Camas Valley V.F.W. Post 3970, held a special meeting Wednesday night to discuss the ordering of poppies for the annual poppy sale, which will take place in Camas Valley, as last year. The new hall is being built on Burma Road and anyone wishing to do so may help.

### Visit Eugene

Mrs. Joe Kirkendall, sons, Ted and Lynn, her daughter, Mrs. John Eastman, spent the weekend visiting friends and relatives in Springfield and Eugene. The vacationers spent Saturday night with Mrs. Eastman's parents-in-law, Mr. and Mrs. Hugh Eastman, at Springfield. From there they went to Eugene to visit with another daughter, Mrs. Ardith Taylor, and sons, Dennis. They then spent Sunday night with Mr. and Mrs. Calvin Roberts and family, at Springfield, returning home Monday.

The dance held at the Camas Valley Grange Hall, sponsored by the Home Economics Club, Saturday night, drew a large crowd and was a success in every way. Reports were that it was a very orderly crowd.

Mr. and Mrs. Robert Ellis and Mrs. Miles Standley and daughter, Lorraine Jean, have returned home after a week's vacation in California. They visited with friends and relatives in Los Angeles and in the San Fernando valley. The party stopped over in Davis to visit with Mrs. Ellis' sister, Mrs. Rosella Cutts, before returning home.

## Symphony Group To Play At Glide

The Roseburg Symphony Orchestra will present a benefit concert in the Glide High School auditorium Monday evening, according to Wayne Schermerhorn, principal of the school.

The program, similar to one presented in Roseburg last month, will benefit the Glide uniform fund, Schermerhorn said.

He said there would be reduced prices, and he hoped Roseburg people also will attend.

The orchestra, under the direction of Wendell Johnson, is composed of about 40 members. A few of the members are from Glide. Besides the features of the concert previously presented, the school principal said there will be a group of Beethoven's contrabasses. Also, a special intermission performance will feature some of the orchestra members in a "German Band."

The concert will begin at 8 p.m. Advance ticket sales in the Glide area have been very good, Schermerhorn reported.

## Dulles Assures Nothing Lost At Berlin Meet

WASHINGTON (AP) — Secretary of State Dulles has assured the nation it lost nothing at Berlin and gained much — including a chance to bring Red China "before the bar of world opinion."

Dulles, who returned five days ago from the month-long Big Four talks, told a nationwide radio-television audience last night: "You may ask whether it was worthwhile to go to Berlin. My answer is 'yes' and I have no doubt about that."

He said two results "will profoundly influence the future" and described them as:

1. Soviet Foreign Minister V.M. Molotov was forced by the U.S., French and British delegates "to show Russia's hand" — a hand which Dulles said hung on to all it had, including East Germany and East Austria, and grabbed for more.
2. Molotov gave in, at the last hour in a "concession, not to be ignored," and signed a declaration spelling out U.S. refusal to recognize Red China.

## Committee Votes Four-Cent Stamps

WASHINGTON (AP) — Seven Democrats and one Republican dissented Thursday from a House committee's formal endorsement of a 240-million-dollar postal rate boost, calling it an "unconscionable burden" contrary to the public interest.

The minority report from the 25-member Post Office Committee denounced the Eisenhower administration's bill for higher mail rates as an added "tax" and a "radical departure from the concept of public service which is the keystone of our postal establishment."

The committee majority, on the other hand, urged adoption of the rate bill and said there is need of additional revenues to offset chronic deficits in post office operations. The majority contended that although the cost of mailing out-of-town letters would go up from 4 cents to 4 cents, mail users would still be getting a bargain at the higher figure.

## Warren Given Committee OK By 12-3 Count

WASHINGTON (AP) — A 12-3 committee vote cleared the way today for speedy Senate confirmation of Earl Warren as chief justice of the United States.

Sen. Knowland of California, the Republican floor leader, said he planned to take President Eisenhower's nomination of Warren up in the Senate tomorrow. "I believe the Senate will give the chief justice an overwhelming vote of confidence," he added.

No senator, not even any of the three who voted against committee clearance, has said publicly he will vote against confirming Warren's appointment.

The former Republican governor of California has been serving on the Supreme Court since last October under an interim appointment made while Congress was in adjournment.

His nomination to succeed the late Fred M. Vinson in the nation's highest judicial office was submitted to the Senate for confirmation on Jan. 11, but it was only yesterday that the Senate Judiciary Committee reported it favorably.

The committee acted after a day-long session at which its only witness was taken into custody by police on a complaint that he was a fugitive from a California charge of subornation of perjury—inducing someone to lie under oath. He later was released, however, by a municipal judge.

The vote to recommend confirmation of Warren's nomination was 12-3, with Senators Kilgore (D-W.Va.), Eastland (D-Miss) and Olin D. Johnston (D-SC) casting the opposition votes.

which were to be sent to the McKinley Indian Mission at Topping, Wash. Two weeks ago two boxes of clothing were sent to this school.

Mrs. Abeene gave the closing prayer. The balance of the afternoon was spent in working on quilts for the nursery.

Mrs. Jesse Riddlebarger and Mrs. Bertha Sanders will be the hostesses for the March 4 meeting.

## Sec. Stevens Is Reported Angered At Interpretation

(Continued from Page One)

legal adviser, and Hugh Milton, assistant secretary of the Army. Stevens was reported to be angry and indignant over some phases of his go-round with McCarthy.

Further, he was said to be troubled over the possible effect on Army morale.

The secretary went to his office early and launched into a series of conferences with top advisers.

Sources close to the secretary said it was Stevens' understanding that agreement was reached in his conference Wednesday with Republican members of McCarthy's subcommittee that any Army officers called before the subcommittee in the future would be accorded respect.

He was said to be angry that the memorandum of agreement, read by Sen. Mundt (R-SD) after the session, omitted any reference to this and to feel it left him in an untenable position.

The memo said it had been agreed that (A) the subcommittee should be given the names of all those involved in the honorable discharge of an officer McCarthy calls a "fifth amendment Communist," and (B) these officers shall be available for questioning.

This was widely interpreted as a capitulation by Stevens since earlier he had directed that two officers disregard subpoenas from McCarthy.

Sources at the capitol said it was argued to Stevens in the closed door session with the subcommittee members that he had put himself in the position of defying Congress.

Further, it was argued that irreparable damage might be done to the Republican Party and to the Eisenhower administration if Stevens and McCarthy had a hammer-and-tongs session before a nationwide TV audience.

## Douglas High Dads Organize

About 40 men turned out at Douglas High School Wednesday night to form a Douglas High School Dads Club.

Officers elected were: Dennis Mills, president; Jake Horn, vice president; and Tom Gennette, secretary-treasurer.

The meeting was called by faculty sponsor Roy Harrington. He explained the purposes of the organization. Harrington had been working on organization of the club for some time, stating that others of students could supplement Parent-Teacher Assn. work in the schools. Potter explained that the school is new, and a big load of activities for the new club is forthcoming.

The first project starts this Saturday when men will start work on improvement of a baseball field. They will work on backstops and grading. Most of the evening was taken up in consideration of projects.

The next meeting is scheduled March 1 at 7:30 p.m. in the Douglas High School library. Principal Potter issued an invitation to all men of the community. He said "You don't have to be a dad to qualify."
