

Car-Cattle Truck Crash Kills Five Persons

HOUSTON (AP) — A car and a cattle truck crashed head-on in a dense fog Saturday, killing five persons in the car.

The five — a young couple, their two small children and an elderly Houston resident. They were killed in the smash against the 14-wheeler cattle truck-trailer pulling into Houston from West Texas.

The dead were tentatively identified as Mr. and Mrs. Harvey Lee Blum, their two small children, Linda Gayle, 2, and an 8-month-old baby, and an elderly woman believed to be about 55 or 60.

Coast Guard Now Checks All Ships

SEATTLE (AP) — The Coast Guard notified mariners Saturday it was checking all vessels entering Puget Sound and was prepared to shoot if any craft disregards its signals.

A notice issued by the Coast Guard said a patrol had been set up at Port Townsend "for the purpose of identifying positively" all inbound vessels.

It gave strict orders for the manner in which craft should enter the Sound, advising them to pass the southerly side of Admiralty Inlet between Point Wilson and Marrowstone Point. There they are checked by an 83-foot patrol boat using voice, semaphore, blinker, searchlight or international flag hoist.

"Any vessel which fails to obey this signal may be stopped forcibly by gunfire," the notice said.

"Any vessel which proceeds beyond Marrowstone Point without being identified will be stopped, forcibly, if necessary, and will be directed to an anchorage for examination before being permitted to proceed to any port in Puget Sound."

The Coast Guard said the patrol had been ordered by the Captain of the Port, Seattle, as a security measure.

RUSH TO WED
LONDON (AP) — Britain's annual rush to wed has reached top gear. Spring you might think? Not a bit of it. The British tax year ends Monday, and today's bridegrooms get up to 40 pounds (\$112) refund from the tax man.

Pilot Killed As Plane Crashes Into House

BATON ROUGE, La. (AP) — One young flyer was killed and another seriously hurt before dawn Saturday when their small plane plunged into a house without harming eight people asleep there.

Lt. H. G. Leach of the East Baton Rouge sheriff's office said Edwin Samuel White Jr., 19, of Mansfield, was killed. He was a Louisiana State University student.

His injured companion, Leach said, was Robert M. Heard Jr., 18, son of Louisiana State University athletic director T. P. (Red) Heard.

Leach said the Hair Flying Service reported the two-place plane was stolen.

Construction Started On Hardboard Plant

LONGVIEW (AP) — Construction has started on a major addition to the Long-Bell Lumber Co. hardboard plant here.

The plant opened originally in 1952 as a pilot operation. Officials said it will go to full capacity production as soon as the expansion program is completed. It is expected to have a capacity for 55 tons daily and employ about 70 persons. The raw material comes from the firm's planing mill.

Klamath Falls Attorney Enters Innocent Plea

PORTLAND (AP) — U. S. Balentine, Klamath Falls attorney charged by the government with failing to make an income tax return in the years 1950-1952, has pleaded innocent before Federal Judge James A. Fee.

Balentine's attorney asked that trial be set for Klamath Falls and Fee indicated he might set it for that city, but there was no definite determination.

Stop telling the world you're DEAF

Let us prove your hearing loss need NOT draw attention. Will you take a few minutes to learn—in absolute privacy—how a tiny Sonotone hearing aid ends the shouting that really makes you conspicuous?

First, a Certified Sonotone Consultant measures your hearing loss—following medically accepted practices. Then you're fitted with the RIGHT instrument for your specific need.

No cut-price methods can give you this individual attention. Sonotone provides a full line of instruments with over 300 fitting combinations.

For your own comfort—your peace of mind—come in for a confidential hearing check. Phone now for an appointment.
