Remember! Each pound of our ready-to-cook chicken is just that —
ready-to-cook! Its price should not be compared directly with the price
per pound of uncooked chicken (which includes many waste parts).
COMPARE ITS COST on a per serving basis. Each package contains
one fancy chicken — cut up, ready to fry. You pay for no waste parts.
COMPARE THE CONVENIENCE of buying chicken this way. It's com-
pletely cleaned. Requires no additional preparation at home. And, no
waiting for the meat cutter to prepare your fryer at time of purchase.
COMPARE QUALITY. Each bird is carefully selected for tenderness
and flavor; is killed and drawn under U.S. Government inspection.
Frozen fresh, kept refrigerated till you buy. Satisfaction guaranteed,
or money back.
