

Special Easter Services Scheduled For Douglas County

Church Services And Radio Programs To Feature Theme

Easter worship that began 40 days ago with the coming of the Lenten season, will reach a climax Sunday when Christians worshipers all over the world observe the anniversary of the Resurrection of Christ.

In Douglas County as in other cities, towns and hamlets all over the world, people will flock to Easter services beginning at 8 a.m. and will continue to observe Easter in many of the traditional ways throughout the day.

The annual Easter sunrise service will be held at the Veterans Facility, with Dr. James Millar preaching the sermon, "The Resurrection of Life." The service will be under the combined efforts of the churches in Roseburg. After the crowds disburse, many will go to the churches of their choice for an Easter breakfast and for worship services later in the morning.

For shut-ins and those who are unable to attend the services at sunrise, Radio Station KRNR will

rebroadcast the services at 7:30 a.m.

In outlying communities, all churches will feature various services, some using the cantata theme, others having programs presented by the Sunday school youngsters.

The radio stations will feature broadcasts throughout the day. KRNR will present a 1 1/2 hour-long presentation of Beethoven's "Missa Solemnis," Mass in D, by Arturo Toscanini and the NBC Symphony Orchestra. The Robert Shaw Chorus and four soloists will be heard in vocal portions. KRXL will join the parade of Easter celebrants in its presentation of both network and local shows. "Family Theater" will present Ann Blyth and other stars in "The Triumph Hour."

Other services which have been carried out throughout Holy Week included daily worship services in several of the churches, as well as individual programs built around the Seven Words from the Cross and the Last Supper. Good Friday observances were also held in many instances.

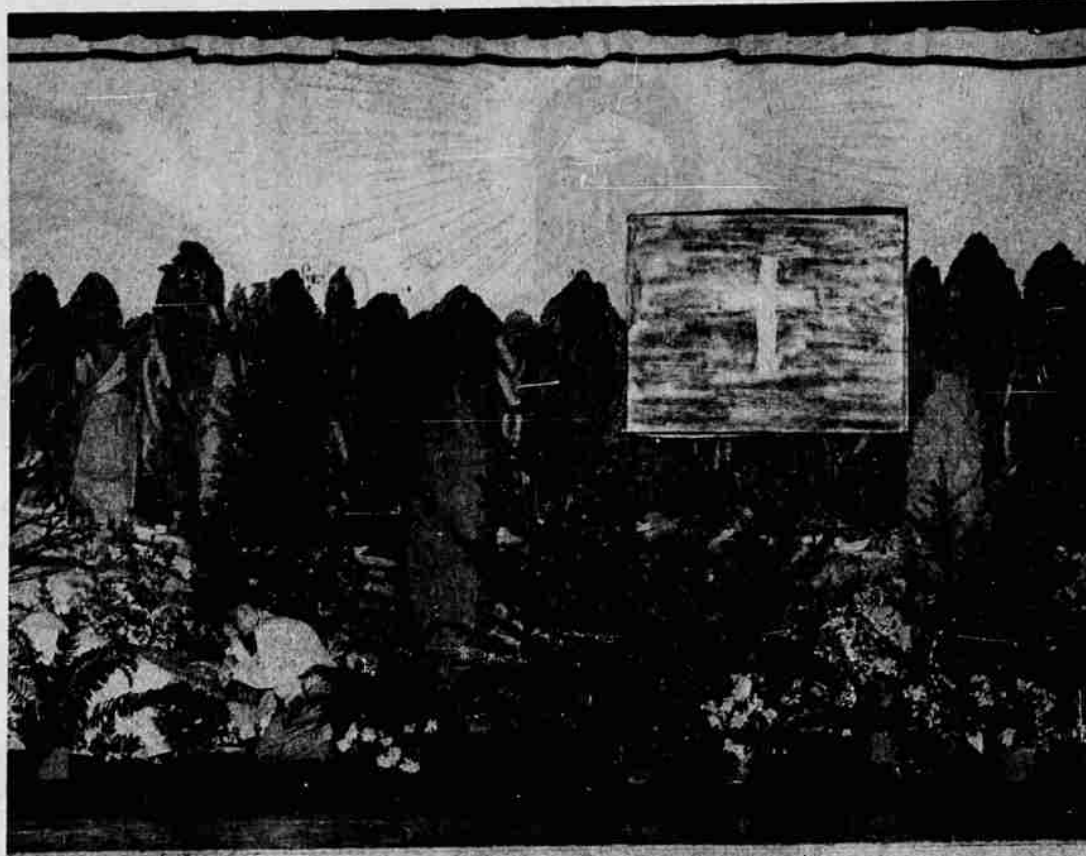

Another Easter presentation was heard in the Nu Delta rally at the senior high auditorium. The theme, "In the Garden," was portrayed, with Don Price, soloist, recalling scenes of Passion Week. Projected pictures were shown on a screen, while a choir and organ music was heard from off-stage.

Boss, Brookins Attend Conference In Eugene

Richard Boss, Trades and Industry coordinator, and Jack Brookins, vocational education supervisor, both members of the Roseburg school administrative staff, were in Eugene Friday for a statewide conference of Trades and Industry Education Councils. The conference will last through Saturday.

Easter In H-Bomb World To Be Observed With Prayers For Peace Around World

By JAMES DEVLIN

NEW YORK (AP)—The first Easter of the H-bomb era will be observed around the world tomorrow with prayers for peace and salvation.

Rejoicing that Christ is risen mingles with fears that man has fashioned a weapon that could doom civilization.

The hope of men, women and children at Easter is that the occasion never would arise to unleash the bomb's fury.

President Eisenhower, on whose shoulders rests much of the free world's burden of preventing war, will attend services at Augusta, Ga.

In Rome, Pope Pius XII will appear on the loggia of St. Peter's basilica, to impart benediction to the world.

The Christian feast of Easter, by unusual coincidence, comes this year on the same day as the Jewish feast of Passover, which commemorates the flight of the Israelites from Egypt.

Dr. Israel Goldstein, president of the American Jewish Congress, said in a Passover message that the feast to Jews, "is a 5,000-year-old rite commemorating the brave free spirit which dominates their lives and thinking."

Although the Holy Land itself is torn with Jewish-Arab tension, church bells will call worshipers to service as usual on Easter in old Jerusalem, scene of the crucifixion and resurrection.

Across the United States, hundreds of thousands of worshipers will attend outdoor or indoor sunrise services. A number of the outdoor services, mostly Protestant or non-denominational, will be on hill or mountain tops.

In a traditional gay note, women will don their new finery. The weather man promised "ideal" conditions for New York's annual "Easter Parade" on Fifth Avenue.

NBC-TV will televise on its network scenes from Park Avenue at the Waldorf-Astoria Hotel from 12 noon to 1 p.m. (EST), but none of the networks planned any telecasts of the Fifth Avenue parade.

They were mindful of criticism they received two years ago that the Fifth Avenue TV pickup was turned into a commercial spectacle by publicity-minded people pushing into camera range to advertise various wares.

What is claimed to be the biggest Easter egg in the world, 12 1/2 feet long and nine feet wide, is on display at Red Cloud, Neb.

for an annual Easter egg hunt that attracts some 3,000 children.

Minden, Neb., known as the "Christmas city" because of its brilliant lighting at Yuletide, is branching out this year with an Easter lighting display expected to rival the Christmas show.

In Washington, three military sunrise services are scheduled by the Army, in gardens at the Walter Reed Medical Center; by the Navy, on grounds of the Naval Medical Center; and by the Air Force, at Bolling Field.

Nearby, the Grand Encampment, Knights Templar, will sponsor sunrise services at the Arlington National Cemetery Amphitheater.

In Boston, the Navy will conduct a Protestant sunrise service at 5 a.m. aboard the ancient frigate Constitution.
