MAKLISOWAY GIRLS HAVE EASTER CEREMONIAL

An Easter ceremonial marked the highlight of Maklisoway Camp Fire activities this month. The occasion was enjoyed on the evening of April 9, at the William Lindsehl home, on East Cass street.

Setting for the council fire was the large fireplace, with a background of yellow tapers and forsythia on the mantle, and lighted tapers about the room. President Joyce Rand conducted the program, which opened as the girls slowly entered the living room to the "Wohelo Song," forming a friendship circle. The Camp Fire Law was repeated and Barbara Swenson led the handsign.

Elaine Reiser related the seven crafts of Camp Fire, with further description by Neala Cantleberry, homemaker; outdoor, Kathi Oakley; creative arts, Becky Roberts; frontier, Connie Kay Modrell; sports and games, Barbara Wood; business, Johnetta Smith, and citizenship, Elaine Reiser.

Progress of members was then reviewed with the presentation of more than seven hundred honor beads by Mrs. Jack Chapman, guardian.

An appropriate poem, by Emily Dickinson, was read by Gretchen McDonald.

Wohelo candlelighters were Judy Parrott, Elaine Reiser and Gretchen McDonald. Concluding the ceremony candles were extinguished by Barbara Swenson, Connie Kay Modrell and Neala Cantleberry.

A springtime poem, by Gretchen McDonald, was enjoyed, followed by group singing of spring and Easter songs, led by Patsy Fromdahl, songleader.

Guests for the evening were Sarah and Anne Lidsell, Maurine Hallmark and Kay Chapman.

Arrangements were in charge of the following committees: invitations, Joyce Rand and Lynda Smith; refreshments, Johnetta Smith, Lynda Smith, Connie Modrell and Joyce Rand; serving, Mary Lindsehl, Nancy Crow, Joyce Rand, Barbara Wood and Connie Kay Modrell; shine-up, Mary Lindsehl, Sherrill Chapman, Joyce Rand and Barbara Wood.

ANNUAL CAMP FIRE MEETING TO BE HELD IN SEATTLE THIS MONTH

Three members of the Roseburg Council of Camp Fire Girls will attend the annual meeting of Region 6 to be held in Seattle April 23-24. It was announced today by Mona Hull, council president.

Gladys Amundson, executive director, Mona Hull, local council president, and Margaret Brubaker, corresponding secretary and alternate Regional Representative, will attend from Roseburg and will conduct a workshop on "Council Members" Saturday morning.

While in Seattle Gladys Amundson, executive director, will attend the professionals' workshop to be conducted April 20 - 21 and 22.

At the regional meeting, which will be attended by volunteers and professional workers of Roseburg council, an effort will be made to reflect the specific needs of each council and to give attention to them.

Those who will attend the regional meeting will find that there is specific help and inspiration to be gained. "Participants will be able to absorb a wealth of new information and exchange ideas which should lead to a better understanding of their particular duties in relation to the over-all effectiveness of the Camp Fire program. Emphasis will be placed on total council operation, board and committee function, and their services to girl membership, the community and group leader.

The purpose of the professionals' workshop which is one of ten being conducted throughout the country by the Personnel and Training Department of Camp Fire Girls, Inc., is to adapt, strengthen and make individual council operations more effective as Camp Fire membership increases in communities.

"As Camp Fire has grown the need for highly effective methods of operation, with increasingly higher standards of service, has been felt," Mona Hull, council president, concluded.

Good News For Septic Tank Owners

The trend to suburbs, ranch homes, and year 'round beach or mountain living has only one drawback—sanitation facilities! Septic tanks are lifesavers for those who live away from city sewer systems. But septic tanks can, and do, stop-up and overflow! First, because the tank is not cleaned at proper intervals; secondly, toilet tissue that does not readily disintegrate may clog the drains and force them to back up!

This may be avoided by using MD Toilet Tissue—because MD is scientifically processed to absorb water quickly. Drains don't clog or back up so readily!

Good practice: Consult your County Health Department, your plumber, or a septic tank service company, for advice on cleaning your tank. Use MD Toilet Tissue!
