

Instruction Takes More Than Half Glendale Budget

A breakdown of the figures on the \$286,055 school budget approved by a vote of 40 to 7 in Glendale this week shows that instruction costs will take roughly half the amount. Correspondent Mrs. G. B. Fox reports.

The instruction costs will run to an estimated \$144,380. Other items are: General control \$13,000; operation of plant \$21,600; maintenance and repairs \$7,700; auxiliary agencies \$18,000; fixed charges \$11,500; capital outlays \$12,800; debt service (non-bonded) \$300; emergency fund \$300; and bond interest and sinking fund \$58,813.75.

New Belgian Government Is Favorable To West

BRUSSELS, Belgium (AP) — Belgium has a new Socialist-Liberal coalition government, but a regime still committed to European unity and strengthening Western defenses. The new premier is Socialist leader Achille Van Acker, who has held the post twice before.

pendent budget is \$144,055. A total of \$67,252.49 of the budget is outside the 6 per cent limitation. Mrs. Fox reports that because of the present \$60,000 surplus in the treasury, the school tax levy will drop next year about five mills. Estimated receipts or available cash at the present time, including delinquent taxes, state and county school funds, state transportation aid and estimated income from school land which is to be sold amounts to \$121,763.04.

McCarthy Sent Broadcast Bill

NEW YORK (AP) — A bill for filming Sen. McCarthy's (R-Wis) television reply to CBS commentator Edward R. Murrow's criticism of McCarthy's methods has been sent to the senator's Washington office.

A spokesman for Fox Movietone News, which made the film, said the bill was mailed at the request of Roy Cohn, chief counsel to the Senate permanent investigations subcommittee. Cohn had engaged Fox Studios for production of the film.

The film was presented on CBS-TV the night of April 6 in reply to Murrow's criticism of McCarthy last month. Murrow had invited McCarthy to appear in rebuttal if he chose. The senator elected to put his answer on a 25-minute film.
