EVERYTHING TO GO!

What Is A Bargain?

Remember this . . . it takes more than price to make a value. In these days when we hear so much of "bargains" and "sales" it is well to consider VALUE. We believe a bargain to be an unusual offering, caused by an unusual event or condition that demands a reduction in PRICE but not in QUALITY. Be a wise shopper—When you stand face to face with our price tags, then (and only then!) will you realize that VALUE and SAVINGS go together.
