## Claims Type Of Hearing Was Involved

### Army Counselor Insists Sec. Stevens Didn't Ask Him To End Inquiry

WASHINGTON (AP)—Army Counselor John G. Adams insisted Thursday the Army had no desire to stop the McCarthy subcommittee's investigation of Ft. Monmouth although he conceded it was pleased when the prospect of a suspension arose last fall. And he denied the Army (1) ever engaged in "stalling" for Pvt. G. David Schine in an effort to get the investigation stopped, or (2) sought to "appease" Sen. McCarthy.

Adams said any special consideration for Schine stemmed only from the McCarthy subcommittee's picturing him as essential to its work, and that any special deference for McCarthy was a matter of trying to avoid "open hostility."

Adams was back in the witness chair at the McCarthy-Army hearings for the second day — this time for cross-examination. At the outset he swore Secretary of the Army Stevens never instructed him to try to halt the McCarthy inquiry into alleged security risks at Monmouth and that he never attempted to stop it. But he said, as Stevens did earlier, that they wanted the "type of hearings" ended. Stevens had characterized those hearings as "hammering" the Army on the head.

## North Carolina Senator Passes

WASHINGTON (AP)—Sen. Clyde R. Hoey of North Carolina, an "old school" Southern gentleman who spent a lifetime in newspapering, law and politics, died yesterday. He was 76.

Distinguished by a courtly manner, flowing white hair and frock coat, he had served in the Senate since 1945 after a term as governor of his state. He was probably best known for his chairmanship of the subcommittee which investigated the five cent scandal in the Truman administration.

Hoey was the fifth senator to die in this Congress. One of the five, Sen. Willis Smith, was also a North Carolina Democrat. The Senate lineup now stands at 47 Democrats, 47 Republicans and 1 Independent. A Democrat will doubtless be named to fill Hoey's place.

## Joseph Lanier Bids Support For Position

PARIS (AP)—Premier Joseph Lanier opened the defense of his shaky government Thursday, asserting the battle of Dien Bien Phu had served to delay Vietnam attacks on the vital Red River delta and on Laos.

Pleading with the National Assembly for a vote of confidence, the Premier said although the forces fell under tragic conditions, its defense had not been in vain.

The balky Assembly members were to vote on the confidence issue later in the day. The outcome will decide the fate of the Lanier government and possibly that of the Geneva conference as well.

If 314 negative votes are cast at the session, Lanier will be forced to resign. His coalition cabinet is rounding out its 11th month in office.

Much hostility to Lanier still seemed in evidence in the Assembly at the start of the debate but the general sentiment seemed to be he would be continued in office, at least a little while longer.

Eminent French Doctor Flown To Dien Bien Phu

HANOI, Indochina (AP)—The French flew one of Indochina's most eminent doctors to Dien Bien Phu Thursday to arrange for speedy release of French Union troops seriously wounded in the long defense of the fallen fortress.

French officials hoped the mass airlift of casualties from the Vietnam-held valley 175 miles west of Hanoi would start Friday.

They anticipated it would bring out about 700 men—half of the 1,300 to 1,400 estimated wounded. The Communists agreed at the Geneva conference to release only casualties in the "serious" category.

Dr. Pierre Huard, 62-year-old dean of medicine at the University of Hanoi, headed the group going to Dien Bien Phu by helicopter.

Fullerton PTA Will Sponsor Vote Caravan

Fullerton PTA again this year will sponsor a caravan to vote on the school budget next Tuesday, according to Mrs. Vance P. Shugart, vice president.

A motorcycle escort is to lead the caravan from Fullerton School to tour West Roseburg, terminating at the polling place at the senior high school.

The caravan is to start from the school at 1:30 p.m. The PTA also is planning to operate a transportation service to the polls. A ride may be obtained during the voting hours, 2 to 8 p.m., by calling 3-5335 or 3-3133.

South Umpqua Forest Dist. Divided; Andrews Is Given Transfer To Hood River

Milton D. Andrews, district ranger of the combined South Umpqua and Cow Creek districts on the Umpqua National Forest since 1948, is being transferred to the Hood River District, Mt. Hood National Forest, effective June 6.

Umpqua Supervisor Robert Aufderheide said today that he will be replaced by two men as the Umpqua Forest will divide administration in what has been known as the South Umpqua District.

They are John E. Todd, assigned as district ranger on the South Umpqua District, and Hillard M. Lilligren, named district ranger on the Cow Creek District. The more northerly half, roughly of the old district will still be known as the South Umpqua, while the southerly half becomes the Cow Creek.

Split of the districts, Aufderheide said, came because the work load in the South Umpqua District had developed with the rapid increase in timber volume cut. It is now considered advisable to divide administration of the two districts and assign a district ranger to each district.

Under Andrews' administration, the annual timber cut has increased from 45 million board feet in 1948 to 65 million feet in 1953. Prospects are that by 1957, the allowable sustained yield cut of 82 million feet will be reached.

Aufderheide said that the maximum work load on one district is an annual cut of around 40 million feet, allowing the ranger to keep up a first-hand acquaintance with activity in his district.

## Bidaut Calls For Reuniting Of Korea

### Demands Free U. N. Elections At Conference

By EDDY GILMORE

GENEVA (AP)—French Foreign Minister Georges Bidaut told the 19-nation Korean conference Thursday Korea must be reunited through United Nations-controlled elections.

Speaking for the first time in the Korean discussion, Bidaut said reunification should be guaranteed by an all-Korean commission in which both North and South Korea would be represented in proportion to their population.

Bidaut called upon the North Koreans to show sincere desire for the creation of a united, democratic and independent Korea. He said the United Nations is the most qualified organization to designate observers to watch the proposed elections.

Replying to Communist allegations that the United Nations had become "an accomplice of an aggressor country," Bidaut declared such a statement is neither truthful nor provable. He added:

"To accept this would be in effect to deny on our part the very principles of the international organization in which we have placed our hopes and in the service of which we have placed our forces."

The French minister said that it was evident North Korea had committed the aggression by suddenly penetrating the territory of

## Budget Election For Roseburg Is Conducted Today

Polls in Roseburg will be open until 8 p.m. today to vote on a \$170,206.33 tax levy excess of the 6 percent limitation on the proposed 1954-55 city budget.

The budget next year, if approved, would total \$560,246. Included are increases in requests for operation of the Police and Fire departments, plus a tax-free \$111,000 expected to be refunded from the state gasoline tax fund.

Polling places have been set up in all four wards to elect the following precincts:

Ward I (courthouse): Benson, Dear Creek and Lane precincts.

Ward II (high school): Umpqua, Laurelwood, Wharton and North Brown precincts.

Ward III (Fullerton School): Woodward, Hamilton, West Roseburg, Brown and Fairhaven precincts.

Ward IV (city hall): Roseburg, Miller, Herman and Caro precincts.

Douglas Forest Roads Funds Are Given Approval

PORTLAND (AP)—Slightly more than two million dollars will be spent on forest roads in Oregon in fiscal 1955.

The Bureau of Public Roads, the Forest Service and the State Highway Commission approved the program here Wednesday. Among projects approved were:

Ochoco \$400,000; Willamette \$150,000; Flora-Enterprise \$330,000; Belknap-Clear Lake \$350,000; Tillamook \$100,000; Ukiah-Starkey \$280,000; and North Umpqua \$120,000.

The commission took under advisement a proposal from the State Industrial Development Commission that the highway commission attempt to unify the tourist promotion campaigns in the state.

Glen Jackson, Medford, said there were 120 tourist promotion groups now functioning in the state, and said a great deal of overhead costs could be saved if the highway commission would unify the program.

Commissioners said they doubted they had the power to do that, and that it would be too big a job, but ended by taking the proposal under consideration.

Projects awarded included: Douglas — Graveling and paving .35 of a mile in Sutherlin, K. F. Jacobsen Company, Portland, \$11,120. Grading and paving .15 of a mile in Oakland, K. F. Jacobsen Company, Portland, \$8,937.

Lane — Fencing 15,000-rod section on Goshen-Divide unit, Pacific Highway south of Goshen, Kissell & Robinson, Caldwell, Idaho, \$39,857.

## Minstrel Show Slated Tonight At Vets Hospital

A top feature of the Hospital Day program at the Roseburg Veterans Hospital is the Dindie Minstrel show, enacted entirely by 25 patients and five women volunteers.

The show is staged tonight at 8 p.m.

The show is adapted especially to patient's interests and talents; both participating patients and the patient audience.

Some of America's best-loved minstrel songs will comprise the musical portion of the program. Numbers like "Tuck Me To Sleep in My Old Tucky Home," such as Al Johnson would have presented in blackface. There is "If You Knew Susie," a La Eddie Cantor, and "Dry Bones," which features a special lighting effect. Also to be presented is a medley and the audience participation number, "That Old Time Religion."

Preceding the show, certificates will be presented to volunteers for hours of service given the hospital.

A hospital spokesman states that the show is to mark the gratitude the patients feel towards the volunteers.

Mrs. Geddes To Appear On Television Program

Mrs. Esther Geddes of Roseburg will make her debut on Medford's KBES-TV station Saturday afternoon at 3:45.

The 15-minute program will follow basically a radio program she has in Roseburg. She explains the program, called "Magic Garden," will be a sort of fantasy in which she plays the organ and "tells fairy tales."

## Truman Makes Accusation Of 'Creeping McKinleyism' Against Administration

ATLANTIC CITY, N. J. (AP)—Former President Truman accused the Eisenhower administration today of following an economic policy of "creeping McKinleyism."

He suggested six steps he said would "carry us far toward full employment within a year."

In an address prepared for the CIO Amalgamated Clothing Workers annual convention, he said the administration seems to be "merely hoping and praying that things will not get still worse," and recommended:

1. Increasing federal spending by about three billion dollars a year to strengthen defenses against aggression and to meet needs for power and resource development, public works and roads, education, health and housing.

2. Raising personal income tax exemptions from the present \$600 to \$800, which would cut taxes about 4 1/2 billion yearly, or combining some such increase with "equitable readjustments" in tax rates.

3. Tossing "out of the nearest window" Secretary of Agriculture Benson's plan for flexible farm price supports and substituting a program to "share" true parity of income for the farmer.

4. A "clear-cut policy" favoring a rising level of wages, including an increase in the federally required minimum wage to bring the standard "into line with present-day conditions." He said also the government should not try to "weaken collective bargaining by repressive labor legislation."

5. Expansion of unemployment insurance to provide broader coverage, payments for a longer period, and larger benefits. He said the administration program consists merely of exhorting the states to do what everybody knows they will do without federal action.

6. A large expanded housing program, including federal leadership to double the annual rate of home building as rapidly as possible. He said the administration goal of a million houses a year is about equal to the number of houses built in 1925.

ANNA HAUPT, standing at the right in the picture appearing above, was presented Wednesday with an emblem honoring her 33rd year as a nurse at Mercy Hospital. The presentation was made by Sister Mary Natalie, hospital Superior, on behalf of the Sisters of Mercy. Assisting in the presentation was Mrs. R. J. Hatterscheid, president of Mercy Hospital Auxiliary.

This likewise is Miss Haupt's 50th anniversary as a registered nurse. She was graduated from training in 1904 at St. Vincent's Hospital in Portland. She remained in Portland until she came to Roseburg 27 years later.

## Roseburg School District Budget Discussed Pro And Con At Hearing Wednesday

By CHUCK GRELL  
Staff Writer, News-Review

Several people kept the Roseburg School District Budget Board busy for a time Wednesday night with probing questions on the proposed 1954-55 budget.

An hour and a half after the public hearing on the \$2,225,775.58 budget started, the meeting broke up and the citizens went home until next Tuesday to mull over what they were told.

On Tuesday, they and other voters in the district will decide whether \$1,072,630.78 of the budget should be a tax levy assessed beyond Oregon's 6 per cent limitation.

That the levy excess is a serious matter was apparent in answers delivered to serious questions.

Supt. M. C. Deller admitted that millage on property in the district had increased by about 14 mills in the past two years. He said that the point is being reached where some other form of taxation may be necessary to maintain proper educational facilities here.

One of the citizen questioners, Ralph Patterson, posed the most interesting question of the night: "What's going to happen if the budget doesn't pass?"

He received this answer from School Director Harold Hoyt: "The kids will receive the brunt of any budget cuts that would have to be made." Hoyt said that it's possible that students might be put on double shifts, but that method hasn't worked out. Tests, he said, have shown that pupils in such situations move at the bottom of what he termed "the learning scale."

N. D. Johnson, school board chairman, pointed out that while 70 per cent of all property taxes in the county go for education, only 15 per cent of expenditures on all municipal, county and school budgets are going for schools.

Taxation wasn't the only problem to well up at the meeting. (Continued on Page Two)

Charles Dossey, 14-year-old Winchester boy accidentally shot in the head last Friday night, is showing "wonderful improvement" at Sacred Heart Hospital in Eugene, his mother, Mrs. Myrl Dossey, said today.

He said the youngster may even get to come home next week. The attending physician told her Charles was getting along better than expected.

The boy is still having trouble with his eyes however. He can see fairly well, but his eyes do not focus yet.

He was struck in the back of the head when a neighbor fired a .22 rifle at what he thought was an animal running his sheep.

Mrs. Dossey said her son had received many flowers, cards, packages and visitors. The Dosesys expect to go to Eugene again Friday evening and Sunday. They still have not found a three-bedroom house, which they wanted to rent so that Charles could have a room of his own when he returns home. They have three other sons.

90-DAY SENTENCE

Complainant was Almira Hartz, who said that Colvin had beat his wife.

Mossadegh Will Appeal Conviction Still Further

TEHRAN, Iran (AP)—Ex-Premier Mohammed Mossadegh, his three-year solitary confinement sentence confirmed by an army appeals court, says he will take his case to Iran's highest court.

The appeals court voted 6-1 to uphold the sentence imposed by a military tribunal. Mossadegh was convicted Dec. 21 of seeking to overthrow Shah Mohammed Reza Pahlavi last August. The executor was thrown out a short time later by the royalist forces of Gen. Fazollah Zahedi, who took over as premier.

BPR Making Studies On North Umpqua Road

Road location studies by the Bureau of Public Roads have been authorized to eventually punch the North Umpqua Road five miles beyond Apple Creek, according to the May 13 Chamber of Commerce Bulletin.

A BPR engineering crew is to make the study.

If constructed, the new stretch of road would extend the North Umpqua Road to Panther Creek, 9.3 miles above Steamboat. Grading between Steamboat and Panther Creek already has been contracted.
