Rose-Etta Lodge Is Constructing Swimming Pool

Construction of a swimming pool is in progress at Roseetta Lodge, located just north of the Roseburg city limits on Highway 99.

The swimming pool, which owner Marion L. Voth reports is patterned after "Liberty's piano," is to be 40 by 20 feet in size. It will be for exclusive use by guests of the lodge. Excavation has been completed, reinforcing material placed, and concrete work, using the gunnite process, is now in progress.

Cas a c a d e The swimming pool, Portland, has the contract for building the pool and installing equipment.

Adjoining the pool will be a building to house heating, filtering and chlorination equipment. Water in the pool will be kept comfortably heated, reports A. L. Benedetto, manager.

Extensive landscaping improvements recently have been made at the lodge, and additional work is planned. Landscaping ideas have been collected by Voth from some of the leading resorts along the coast.

An addition is a mirror ball in the front court, giving an odd view of passing traffic. Ground level, multicolor floodlights recently were installed to illuminate the court and grounds. Many new shrubs have been planted.

A contract has been let to Richard Goodenough, Roseburg, for the construction of a new motel unit on the east terrace. He also will erect the equipment building connected with the pool.
