What Do You Give

WHEN YOU GIVE A PINT OF BLOOD?

12 ounces of water
2½ ounces of hemoglobin
1 teaspoon of salt
1 ounce of protein
1/20 ounce of iron
Small amounts of minerals and vitamins

What Do You Gain

WHEN YOU GIVE A PINT OF BLOOD?

The everlasting satisfaction of knowing that your priceless, painless gift has helped someone to live. For blood saves lives! But it cannot be mined or manufactured. It must come from the veins of healthy men and women who feel concern for the suffering of others and know that blood — and blood alone — can make them whole and well again.
