PROOF of its healing power
The way to health and harmony among men is earnestly and unselfishly sought by both Science and Religion. Many divergent methods confront mankind. But the claims of all ultimately submit to one test — the test of proof.

The final chapter in the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, consists of 100 pages of unsolicited testimonies from persons healed by reading this book alone.

All testimonies have been carefully authenticated. All manner of disease and discord has been cast out permanently and promptly. This is the proof that Christian Science provides of its healing power.

Science and Health may be read or obtained at all Christian Science Reading Rooms. The coupon is also for your use.
