Many public accountants from this area plan to attend the annual convention of the Oregon Assn. of Public Accountants, Harry Black, chairman of the local chapter, announced today.

Inter-professional and inter-business cooperation will be emphasized at the convention, being held June 24-26, Black said. Principal speakers include J. B. Franzwa, Oregon Bankers Assn.; Frank Spears, Oregon Bar Assn.; Frank Dalberg, University of Oregon; Daniel Brajceich, Gonzaga University, and George Dial, Oregon Daily Journal.

Meeting in conjunction with the OAPA on the final day of the convention will be the newly organized Oregon Committee on Tax and Accounting Information, Black reported. He said all public accountants are invited to attend this session.

### Communist Guerrillas Are Founded By French

HANOI, Indochina (AP) — A thousand Communist-led Vietminh Guerrillas were founded by French planes, artillery and tank guns in an abortive ambush along the Hanoi-Hiepnhong supply lifeline, the French high command reported Saturday.

A French army spokesman said French losses were light. He said 35 Vietminh were killed and 20 taken prisoner in the running battle.

French planes and artillery plastered the Vietminh as they tried to flee the ambush site and "their losses were heavy," the army spokesman said.

### San Diego Man Draws Top Role In Theatricals

A newcomer to the Oregon Shakespearean festival, Claude Jenkins of San Diego, drew the top role in the coming season as rehearsals for the annual theatrical event got underway in Ashland.

Jenkins, a drama student at Carnegie Institute of Technology, Pittsburgh, Pa., will play the title role in the season's tragedy, "Hamlet."

Over 30 actors from the professional stage and colleges and universities all over the United States are auditioning for roles in the 14th annual festival. The casts of the four plays to be presented throughout the month of August will include thespians from 17 states, representing 30 different institutions.

### Dam Navigation Locks Slated For Bid Call

PORTLAND (AP) — Bids will be called, probably June 28, for construction of The Dalles dam navigation lock, north overflow dam and north fish ladder, Army Engineers announced Saturday.

Fifth major construction phase of the Columbia River dam, the contract is expected to approximate \$20,000,000. The bids will be opened at the engineers' Portland office August 21. Work completion date will be October, 1956.

The single-lift navigation lock will be designed to handle an eight-barge tow, and ultimately is expected to carry about 4,500,000 tons of commerce annually.

The four previous major contracts awarded for dam work were excavation, now completed; the spillway dam, powerhouse, and non-overflow dam and fish ladder at the east end of the powerhouse. These contracts totaled \$88,230,000.
