TWO OF THE LADIES pouring at the tea are pictured above. Mrs. Ted H. Wirak and Mrs. Glenn Gibbons stand in back of the lace-covered tea table, which was centered with a gorgeous arrangement of blue and white daisies in a blue bowl and flanked by tall white candles. Red roses formed the bouquet on the buffet. The two bouquets carried out the same colors in the room to match blue walls and red drapes.

A BEAUTIFUL FAREWELL gift was presented to Dr. and Mrs. Burhl Gilpin, center, guests of honor, by Dr. George Wadsworth on behalf of their friends. The Gilpins and their children left Saturday for Grand Island, Nebr., to make their home.
