

And This Is What We Heard Her Say!

Honestly, we don't eavesdrop—but a lady was so enthusiastic last week, telling her friend about our meat department! She said she was hardly ever disappointed in quality. And she admitted she was kind of particular too. Of course, after hearing compliments like that we just about bust a button trying to serve our customers even better!

When you buy a television set from the City Drive-In Market, it is not a "One Shot Deal".

Our reputation has been built by selling you at the lowest possible prices and honest representation of our merchandise at all times.

So we believe we are going to be the first television dealer in Oregon to make this pledge:

"We will not only guarantee tubes, and parts per your Philco warrentee, but we guarantee to pay all legitimate service costs ourselves."

In other words your purchase price is your total price when you buy your television set from us.
