Chinese Arrested For Embezzling Of Arms Funds

NEW YORK (AP) — A Chinese businessman was arrested here Tuesday in connection with the alleged theft of \$800,000 in Chinese Nationalist funds intended for purchase of surplus war supplies.

The man, identified by Nationalist officials as Ku Chih Chang, 48, was said to have received the funds from former Nationalist Gen. Pang Tsu Mow, who fled to Mexico in 1951.

The general was accused of embezzling some six million in Nationalist funds while in charge of the Chinese republic's air force office in Washington, D.C.

Chang was arrested on a grand larceny charge at the request of Cha Chien Liang, Nationalist China's vice minister of justice.

The vice minister said Chang had received three checks from the general, one for \$210,000 and two for \$300,000 each.

Detectives who arrested Chang at the Hotel Wellington in Manhattan said he denied any wrongdoing, and as saying he thought the money given him by the general was his own.

Chang was quoted as saying the Nationalist government owed him more than one million dollars for property it had confiscated from him in China.

The Nationalist vice minister said Chang came to this country in 1946 and that he and the general had handled the purchase of war surplus materials for the Nationalist forces.

ECONOMIC ISSUE

SAN DIEGO (AP) — The police blotter reported this repartee in a bar:

A husband slapped his wife. She punched him. Then husband raised a beer bottle over his wife's head. She said, "You better not hurt me. Don't forget, I'm the one in the family that's working."

Californian First Woman To Land

KNOXVILLE, Tenn. (AP) — Mrs. Frances Bera of Inglewood, Calif., winner of last year's race, was the first flier to cross the finish line Tuesday on the fourth and final day of the eighth annual powder puff derby.

Mrs. Bera, operator of a flying school, and her co-pilot, Mrs. Helen Albani, also of Inglewood, winged in from Chattanooga just ahead of two other planes.

Second to land were Mrs. Maxine Smith of San Diego, Calif., and her co-pilot, Mrs. Mickey Clark of Florissant, Mo. Behind them came Mrs. Carol B. Kennedy of Compton, Calif., and her partner, Mrs. Margie James of Los Angeles.

Seventeen of the light planes got as far as Chattanooga by nightfall Monday in the struggling day-time-only race, which began in Long Beach, Calif., Saturday with 95 pilots in 51 aircraft.

Twelfth in the order of arrivals Tuesday were Mrs. Virginia Richardson, Yakima, Wash., and her co-pilot, Iola Nelson of Seattle. They arrived at 9:26.
