Ex-Underworld Queen Of Dallas Dies In Poverty

DALLAS — Maud Lynch, queen of the Dallas underworld and pick-pocket deluxe back in prohibition days, is dead.

Maud died last weekend just 15 minutes after she had been found ill and half-paralyzed in a cheap walk-up hotel. She was 56, broke and alone. Doctors said she apparently had suffered a stroke.

A petite young woman with dark chestnut hair, her trademarks were swank black limousines and white furs back in Texas' roaring 20s and early 30s. She amassed a fortune, police and newspapermen said, as a prostitute, shoplifter and pickpocket.

She wore diamonds worth thousands of dollars — and often pawned them if she needed a quick dollar for a down-and-out old pal, man or woman.

Veteran policemen remember her in the 20s as a nimble-fingered pickpocket who stole from many a wealthy customer, lured into her car by her apparent affluence and genuine beauty.

She had a horror of riding to jail in a patrol wagon. Maud dodged it hundreds of times by simply surrendering at headquarters to inquire if her male victim had complained. Her scandal-shy victims rarely appeared against her in court.

Once Maud discovered \$400 she'd stolen from a West Texas minister was his congregation's cash. She rushed to the police station to return the money.

"But not a dime of it goes back to a preacher like you, coming to Dallas to cavort with women like me!" She boomed. She gave the roll to detectives and warned them the red-faced clergyman was not to be trusted with church funds.

Natural Gas Line Due In Northwest

PORTLAND — Natural gas from the San Juan Basin of the Southwest will be available to the Pacific Northwest by the end of next year, it was predicted here Tuesday.

Robert R. Herring, vice president of Pacific Northwest Pipelines Corp., Houston, Tex., said his firm's timetable calls for completion of a 1,466-mile pipeline and completion of other facilities for serving the Northwest by that time.

The company recently was authorized by the Federal Power Commission to proceed with the project, which will cost an estimated 160 million dollars. It was chosen over other applicants which have indicated they will appeal.

Herring, here to discuss natural gas contracts with the Portland Gas and Coke Co., said he did not believe appeals would much delay the project. He said his company expects to have financing completed by the end of September and then will be ready to start work.

He said the firm will charge the same rates to Oregon, Washington and Idaho distributors.

Douglas County Tax Ratio Down From 1953

SALEM — County assessment ratios for 1954 show a reduction from last year's level in all but five counties, Samuel Stewart, head of the valuation division of the State Tax Commission said Wednesday.

The ratios represent the percentage which assessed values bear to true cash value, and will be used in fixing the assessed value of utility properties in Oregon's counties.

Ratios by counties, with the 1953 figure first, in parentheses, include: Baker (46) 43; Benton (42) 43; Clackamas (44) 43; Clatsop (38) 37; Columbia (35) 34; Coos (45) 40; Crook (40) 38; Curry (39) 34; Deschutes (33) 31; Douglas (48) 43; Gilliam (58) 65; Grant (45) 42; Harney (49) 49; Hood River (43) 40; Jackson (43) 39; Jefferson (52) 46; Josephine (43) 39; Klamath (37) 34; Lake (44) 40; Lane (44) 41; Lincoln (39) 35; Linn (38) 33; Malheur (43) 39; Marion (36) 33; Morrow (49) 45; Multnomah (55) 55; Polk (32) 30; Sherman (50) 47; Tillamook (36) 34; Umatilla (45) 40; Union (43) 39; Wallowa (38) 38; Wasco (40) 38; Washington (34) 31; Wheeler (43) 42; Yamhill (42) 39.

BOAT IS SCHOOL BUS

CLINTON, Iowa — A rowboat is a school bus for the six school-age children of the Peter Edfors family. They live on Beaver Island in the Mississippi River. Each morning they are ferried across about 200 yards of water.

Mrs. Edfors not only checks to see that the children are wearing their coats or jackets, but also that they are wearing their life preservers. When the river is frozen, they mount the boat on runners and their father or brother pushes it across.

Young Stowaway, Friend Cross Atlantic On Ship

NEW YORK — For 14-year-old Peter Devlin Smith there is no place like home, even if this home is in hot, muggy New York.

His parents, however, thought it would be a good idea if the boy spent the summer in Norway, where he goes to school.

This idea Pete didn't like at all. And the tall, blond boy had made it quite clear.

"If you don't send me passage money to come home, I'll stow away," he wrote in a letter. But his mother and stepfather, Nora and Kendall Smith, apparently had underestimated this grim determination. Pete didn't get the money.

Fourth of July weekend trip, the telephone rang and the stepfather

asked the cook for some and he thought we were passengers." The pair was discovered in the luggage room, only five hours before the ship docked last Friday.

Jon, Pete's companion, was detained aboard to be returned to Norway.

Pete's parents, however, could not be located as they were out of town, and the immigration service offered him a shelter at Ellis Island. He stayed there for five days — compliments of the U.S. government, of course.

Pete's parents know now that when he makes a promise he keeps it.

Wheat Prices Pegged Higher Than Expected

PENDLETON — Umatilla County wheat growers, who put their crop under loan, will get 4 cents more a bushel than expected earlier — and 1 cent more than last year.

The support price announced this week by Herman Snyder, chairman of the county agriculture stabilization committee, is \$2.22 for No. 1 hard, and \$2.20 for No. 1 soft. The latter is the chief product here, and with storage and other deductions will have a net of \$2.09 a bushel.

Contempt Counts Due NW Residents

SEATTLE — Rep. Velde (R-Ill.) said Wednesday the House Un-American Activities Committee intends to ask the House to cite several Pacific Northwest residents for contempt as a result of recent committee hearings here and at Portland.

Velde told The Seattle Times by telephone from Washington, D.C. the committee is anxious to get full transcripts of the hearings before Congress adjourns.

"There are several in Seattle and several in Portland."

This session of Congress is expected to adjourn before Aug. 1. Recommendations for contempt citations must be referred to the House by committee.

Velde added in the telephone interview that after a study of the transcript he hopes to recommend clemency for Mrs. Barbara Hartle, convicted Communist conspirator who was the chief witness at the Seattle and Portland hearings.

Slow Columbia River Rise Seen

PORTLAND — Reports of high levels at the headwaters of the Columbia and Kootenai Rivers in British Columbia and the threat of serious flooding appear to be a local situation, and "nothing sensational" is expected in this area, Elmer Fisher, government river forecaster, said Wednesday.

Fisher pointed out that the Kootenai at Bonners Ferry, Idaho, now is about seven feet below its high stage of May.

"There will be a slow rise of the Columbia in its vicinity in the next 48 to 60 hours," Fisher said. Some indication of the rise already is evident, he added, and is caused by a slowing of the rate of fillup in the Coulees Reservoir.

The Columbia Wednesday stood at 15.5 feet in the Portland-Vancouver area. Flood stage is just over 18 feet. Earlier this spring, the river reached 19 feet.

Oregon Bonus Office Work Nears Completion

SALEM — The World War II bonus division of the State Department of Veterans Affairs has been reduced from a peak payroll of 77 persons to a single administrative secretary as the bonus office completes its third year, Veterans Affairs Director H. C. Saffeld said.

Less than 200 claims remain to be processed. Bonuses totaling \$50,300,000 have been paid to 126,357 World War II veterans or their survivors.

Electric generators on the battleship Missouri could supply a city of 20,000 people.
