AMONG the many residents by the name of Smith, five families were chosen for this week's society feature page. At the top left are Mr. and Mrs. George Smith, owners of the Hotel Rose. Mr. Smith has been in the hotel business for more than 30 years. For seven years, the Smiths retired and only recently took over the management of the hotel again. The first thing they did was to start redecorating the entire hotel—over the last holiday weekend, the hotel lobby was redecorated.

MR. AND MRS. GORDON SMITH and son, Stephen, who is 6-years-old, are shown in the living room of their home in Laurelwood. The Smiths came here 3½ years ago from Lakeview. Prior to that they resided in Klamath Falls. Mr. Smith is a partner in the Lockwood Motor Company.

MR. AND MRS. ROY SMITH and their 5½-year-old daughter, Marilee (upper right), are pictured in the living room at their home on the North Umpqua river at Winchester. The latter two left this week for Canada to enjoy a two weeks vacation. Mr. Smith is owner of Smith Motors here.

DR. AND MRS. B. A. SMITH and daughter, Bonnie, 16, are pictured before the fireplace at their home at 2037 Estelle St. The Smiths resided in Baker and Portland before coming to Roseburg. Dr. Smith's chiropractic office is on Estelle and Garden Valley Road. Not in the picture are their daughter, Shirley, 12, and son, Loren, 10, who are vacationing in Baker.

MR. AND MRS. JACK SMITH and son, Rex, 9, and twin sons, Brad and Sandy, 6, are pictured at lower right. Mr. Smith is with Trowbridge Electric in Roseburg. Mrs. Smith is a teacher of accordion. They reside at 998 S. Jackson St.
