

Ex-Solon Wins Battle With Virus Pneumonia

HANCOCK, Mich. (AP)—"Unusual personal stamina" was credited for the recovery of former Democratic Sen. Blair Moody, 52, discharged from St. Joseph's Hospital Sunday following a three-week bout with virus pneumonia. He had been stricken while touring northern Michigan in his campaign for the Democratic senatorial nomination this fall.

Two Measures Aimed At Spying

WASHINGTON (AP)—The Senate Judiciary Committee has approved two measures aimed at tightening espionage and sabotage laws and the House has passed another designed to harass American Communists.

The Senate group Monday approved House-passed legislation that would:
1. Make peacetime spying punishable by death.
2. Require all persons trained by foreign powers in espionage or sabotage to register with the attorney general. This would include foreign diplomats.

It also approved a bill that would authorize the President to bar any potential subversive from defense plants in wartime or if war were threatened. A similar bill was pigeonholed by the House Judiciary Committee last week.

Tenmile Grandparents Boast Birth Of New Granddaughter

By LOUISA COATS

Mr. and Mrs. E. T. Schosso of Tenmile have received a message telling them of the birth of a new granddaughter, Joy Lynn, born June 28 and weighing six pounds, 15½ ounces, to S. Sgt. and Mrs. E. T. Schosso at Clark Air Force Base, Manila, Philippine Islands. Maternal grandparents are Mr. and Mrs. W. A. Robbins of Oakland.

Purchase Home
Mr. and Mrs. A. G. Saum have purchased a home in Winston, and with their daughters, Sharen and Cuyia, have moved there to make their home. Saum is scoutmaster of Tenmile Scout Troop 126 and Mrs. Saum is a den mother of the Apache Den of Tenmile Cub Pack 126.

Mr. and Mrs. Walter Smith are employed by the DFPA and with their daughter, Karen, are spending the summer at Quines Creek. Ralph Maisenbach is employed by the DFPA and is located in South Douglas, between Myrtle Creek and Canyonville.

Pvt. William Simmons is spending a 10-day furlough visiting his grandparents, Mr. and Mrs. O. C. Phipps. Pvt. Simmons is stationed at Fort Ord, Calif.

Return Home
Mr. and Mrs. Ervin Street of Malin brought Mrs. Street's father, Charles Selgie, back to his home in Tenmile, and are spending the week here. Selgie has been spending some time visiting the

Streets at their home in Malin. Mr. and Mrs. Street and Mr. Selgie drove to Lakeside on Tuesday and spent the night with Mrs. Street's aunt, Mrs. Winnie Menzies.

Mr. and Mrs. Walter Coats drove to Bandon Sunday. On the way home they stopped in Myrtle Point to visit Coats' cousins, Mr. and Mrs. Ernie Evernden.

Highway 42 to Bandon is one of Oregon's scenic drives. The many kinds of trees, including the myrtle trees, found only on the west coast and in the Holy Land, and tassels of Queen Anne's Lace and mock orange blossoms draped over the shrubbery adds much to Coquille River. Many fine dairy herds are to be seen on the farms along the river to add to the enjoyment of the trip.

Phyllis McKay is now employed at J. C. Penney Co. in Roseburg. Dick Ray, who has been spending the week visiting his uncle, returned to his home in Tenmile on Sunday.

Mrs. Bessie Harrison and Mrs. C. J. Clark and daughter of Tacoma, Wash., were visitors of Mr. and Mrs. O. C. Phipps at their home in Tenmile over the weekend.

Committee Asks Contempt Counts For 17 Persons

WASHINGTON (AP)—The House Un-American Activities Committee Tuesday named 17 persons it wants cited for contempt of Congress for refusing to answer questions concerning alleged Communist ties.

Chairman Velde (R-Ill.) said the committee decided unanimously to recommend to the House Thursday that it vote the citations. They would be based on testimony at hearings here, on the West Coast and in Michigan.

Recommended for contempt on the basis of testimony at the West Coast hearings were Carl Harvey Jenkins and George Tony Starkovitch, who appeared before a subcommittee in Seattle; Thomas F. Moore, John Rogers, Mackenzie, Donald M. Wollam and Robert Simpson, who testified in Portland, Ore., and Richard E. Adams, a witness at San Diego.

Velde said the 17 either failed to invoke the Fifth Amendment in refusing to answer questions or did it improperly.

West Germany Again Names Heuss President
BERLIN (AP)—Theodor Heuss, anti-Nazi and anti-Communist, was reelected president of West Germany Saturday by an overwhelming majority.

The Communists among the 1,015 delegates provided the only genuine note of friction. Silver-haired Max Beilmann assailed Heuss as a "disaster" for Germany's future because of his espousal of European defense. He was shouted down.

Heuss got 871 votes. Prof. Alfred Weber, a philosopher backed by the Communists got 12.
