Traffic Mishap Victim Able To Quit Hospital

Joe Preston of Glendale was released from Forest Glen Hospital, Canyonville, Sunday, according to Mrs. G. B. Fox, correspondent.

Preston was taken to the hospital Friday evening after being injured in a traffic accident. It was reported the water truck he was driving collided with a logging truck driven by Grant Lewis Jones, also of Glendale.

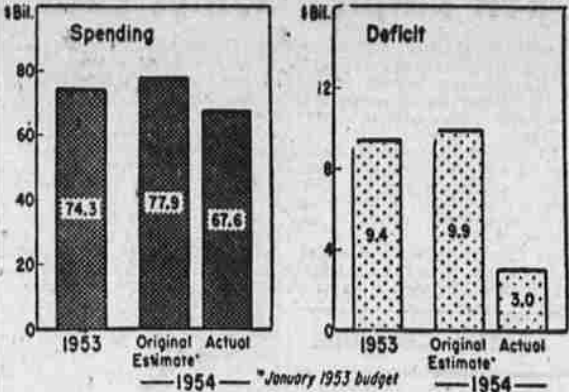

Preston was driving west on the narrow Mt. Reuban Road about 10 miles from Glendale when he met the log truck on a sharp curve.

The water truck, owned by Owens Logging Co., was badly damaged. The logging truck damage was confined to the bumper and radiator.

How Government Cut Spending and the Deficit in Fiscal 1954....

STILL IN THE RED—Chart illustrates President Eisenhower's report that he had cut about \$10,300,000,000 from former President Truman's federal spending budget for fiscal 1954, which ended last June 30. Even so, the Treasury wound up with a deficit of \$3,029,000,000 for the 12-month period.

Woman Burned In Fire; Arson Charged To Son

MEDFORD (AP)—The 17-year-old son of a woman burned critically in a dwelling fire last Saturday night has been bound over to the grand jury on a charge of first-degree arson after arraignment in district court. Bail was set at \$10,000.

Lieut. Jack Beasrs of the state arson squad said Dale Vernon Balderston confessed pouring gasoline on furniture and in a clothes closet at the family home south of here, then touching off the fire.

During questioning, Beasrs said, the youth also admitted writing a letter to himself that contained threats to his family. The typewritten letter, poorly written, appeared an attempt to give the impression it was the work of an elderly man, police said.

Balderston told Beasrs that after he set the fire, he aroused his brother, Steve, 9, and tried to get the family dog to awaken the sleeping parents. Then apparently frightened, the youth drove away in the family car, police said.

The mother's condition was reported critical but improved Wednesday. The father was released from a hospital Tuesday after treatment for less serious burns.

The mother was injured March 31 in an auto accident, and although young Balderston, who was driving, was held blameless, police said there were indications he had been upset and had misunderstandings with the family since.

Another son was killed in a separate traffic mishap some time ago, police added.
