

Floods Drive Snakes Onto Iran Population

TEHRAN, Iran (AP) — Thousands of cobras, driven from their holes by floods which have taken an estimated 250 lives, terrorized a 13-village belt in the mountainous Kazvin area 100 miles northwest of here Saturday.

Barefooted flood workers slaughtered the snakes with rocks and sticks. The Red Lion Sun, Iran's equivalent of the Red Cross, rushed snake serum to the area by donkey and horseback over ancient caravan trails.

A government spokesman said at least 250 persons died in the raging waters Thursday and Friday. Three hundred more were reported injured.

BLM Timber Sales Record Posted In Past Fiscal Year

A summary of fiscal year 1954, which ended June 30, shows that the Bureau of Land Management set a record in volume of timber sold from O&C and Coos Bay Wagon Road grant lands, a near record for money received from these lands, and a record of money received from public domain timber sales in Oregon.

G. H. Sharrer, state supervisor for the BLM in Oregon, reports timber sales on the O&C and Coos Bay Wagon Road lands totaled 615,127,000 board feet. This is the largest volume ever sold from the area. Records show that the average annual sales since 1942 have been 439 million board feet. Receipts from timber sales were \$12,314,473. This was exceeded last year by \$675,000. The decrease in total collections is due to a reduction in O&C stumpage prices. In fiscal year 1953 the average selling price of O&C timber was \$22.81 per thousand board feet. During fiscal year 1954 the average selling price was \$18.73 per thousand.

Distribution of these collections will be \$6,681,000 to the eighteen O&C counties; two million dollars to the U.S. Treasury to reimburse federal appropriations for timber

access roads, and \$1,335,000 to reimburse the U.S. Treasury for the cost of forest management, protection against fire, and reforestation. Net profit to the federal treasury will be \$2,358,000.

During fiscal year 1954, 338 million board feet of salvage (blow-down, bug kill and fire kill) timber was sold from the O&C and Coos Bay Wagon Road lands. This was 58 per cent of the volume sold. The total of salvage timber sold since the BLM began its salvage program in January 1952 has now reached 700 million board feet.

The month of June accounted for O&C sales totalling 74,455,000 board feet, which sold for \$1,487,962.21. These sales averaged 33 per cent above the appraised price. Money received for timber sales from public domain timber lands was the largest amount yet received from these scattered forests. The total amount of collections was \$388,500. A total of 27,581,000 board feet of public domain timber was sold in Oregon.

The five BLM range districts in central and eastern Oregon grazed 561,000 head of livestock in 1954 fiscal year. The stockman paid a grazing fee of \$172,732.00.

Last fiscal year was also one of the best fire years the BLM lands in Oregon have ever experienced. On the 15,065,200 acres of land under BLM administration the fire

U. S. Indecision Scored At V.F.W. Convention

PHILADELPHIA (AP) — The 53rd annual encampment of the Veterans of Foreign Wars settled down to business sessions Monday after a memorial service keyed by President Syngman Rhee of Korea who declared the United States must fight the Communists "now or later."

Pennsylvania's Gov. John S. Fine in welcoming delegates to the national convention took his cue from Rhee with the statement that America must pull out of a state of indecision.

Fine, who recently made a survey tour of Korea for President Eisenhower, spoke at Monday's formal joint opening session of both the VFW encampment and the first national encampment of the VFW women's auxiliary.

The governor termed the Geneva settlement of the French IndoChina war a "stream-lined, Red-geared appeasement."

"It is compounded of national compromise and international despair," he asserted.
