New Portland TV Call Letters Are Announced
PORTLAND (AP) — KFOR-TV will be the call letters of Portland's channel 12 television station, Harry A. White, president of Oregon Television, Inc., said Tuesday. Plans for the new station will be announced about Aug. 26 when the construction permit, granted recently by the Federal Communications Commission, becomes effective, he added.
The firm is negotiating for affiliation with a major network. All major networks except ABC now are being carried in Portland by other stations.
New York drivers get more warnings from Connecticut police than those from any other state, with those from Massachusetts and Rhode Island following in that order.

NOISE APPRECIATED
SACRAMENTO (AP) — There's one place where a bunch of noisy adolescents is a welcome sight. That is in the special unit for mentally ill adolescents at Napa State Hospital.
The new unit was set up to give about 80 mentally ill teen-agers specialized treatment.
"It is much too early for any judgement," said the Mental Hygiene Department in the report, "but at least they are now showing the healthy sign of being noisy on their own wards where they used to just sit and stare on the adult wards."

CASE OF MISSING METER
ALBANY, N.Y. (AP) — John J. Bylanick dropped a nickel into a parking meter when he returned about 50 minutes later, he told the judge, the meter was gone and he had an overtime parking ticket.
The judge learned that the meter had been defective. A patrolman noted that it registered red and ticketed the car. Then meter repair men took it away for an overhaul.
The judge revoked the ticket.

Red China Has Rearmed Her Only Known Cruiser
HONG KONG (AP) — Independent Chinese reports published here said Red China's only cruiser, the Chungking, has been reconditioned and rearmed and is now in the north China Harbor of Tsingtao.
The report aroused unusual interest because of Peiping's current campaign of threats to invade Formosa.
Formerly the British light cruiser Aurora, the Chungking was given to the Chinese Nationalists after World War II.
Her crew defected to the Reds from the Shanghai anchorage in 1949 but Nationalist bombers sank the ship at a mooring in Hulutao harbor, Manchuria. Recently there have been reports that the Communists refloated her and took her to Port Arthur for refitting and regunning by the Russians.

Sheppard Out On Bail In Unprecedented Case

CLEVELAND (AP) — Dr. Samuel H. Sheppard was back at his hospital practice today, while police complained about his day-old freedom and the grand jury swung into the second day of a hearing that could end it.
Sheppard, 30, shed his prison denials Monday after Common Pleas Judge William E. Thomas freed him on \$50,000 bond. The handsome, athletic osteopath is accused of clubbing to death his 31-year-old pregnant wife Marilyn July 4.
While Sheppard helped his brothers read X-ray films at the Bay View Hospital, a grand jury moved through a list of 16 witnesses called to give testimony on the first-degree murder charge against the prominent osteopath.
The county prosecution indicated the jury might begin deliberation today, and would have Sheppard rearrested immediately if an indictment is returned.

Mrs. Elsie Stine, a resident of the area and a correspondent for the Vancouver Columbian, reported the plane crashed a quarter-mile west of the Pacific Highway. She said the plane was demolished.
