While the Compton Cuties and the Industrial League's manager's team frolicked to a no-count, no-kept-score game in the evening's main event, Moose Lodge picked up ground over the rest of the league with an 11-5 romp over Pacific Plywood at Finlay Field Friday night.

About 300 fans were royally entertained by the unmatched performance of the Cuties in as well-balanced an evening of softball and comedy that has been witnessed at the local gardens in some time.

There were no official statistics available in the mixups that occurred on the field of play but unofficial tally showed the barnstorming troupe to have come out on the winning end of the affair.

Moose Lodge scored seven runs off seven singles, an error and a hit batsman in the second inning to sew up its encounter with Pacific Plywood. The winners were led in batting by George Rife with 3 for 3, Frank Weber with 2 for 5 and Cheek with 2 for 3. Rudzik hit 2 for 4 for the losers.

For the first time since May 20, the Hollywood Stars have yielded sole occupancy of first place in the Pacific Coast League and

and share at Saturday with San Diego's Padres.
Champions of the league for the last two years and tabbed for a run-away repeat this season, the Stars are taking their lumps these days and are in the worst slump they've had since the first two weeks of the campaign.

Hollywood lost its second in a row Friday night to Los Angeles, 2-1, in a 15-inning thriller that lasted three hours, 38 minutes. A home run by Angel catcher Al Evans settled the issue. He belted southpaw Rog Bowman's first pitch over the left center field wall at Wrigley Field.

San Diego meanwhile was dividing a double header with Sacramento to pull even with the Stars. The red hot Seattle Rainiers extended their winning streak to eight games as they downed Portland, 4-2. Bob Hall did an excellent job for eight innings but needed help in the ninth from Bill Evans and Steve Nagy. Dick Fiedler went the route for Portland.

Although Hollywood has lost nine of its last 12 games, San Diego seemed somewhat reluctant to take advantage of the situation. The Padres won the opener Friday night on Earl Rapp's eighth inning homer, 4-3. The blow scored Luke Easter ahead of him. San Diego rallied for three runs in the seventh and final inning of the nightcap to tie the score, 3-all.

The State team, which has a record of three consecutive wins in the six-year history of the annual Portland team's offensive line averages 207. The backfields weigh about the same.

Harry Searf of Central Catholic, head coach, announced a last minute change in the Portland offensive lineup. Vince Altenhofen, star quarterback of the Central Catholic team which won the Class A high school championship in 1952 and 1953, will replace Estacada's Del Kiggins. With Altenhofen on the backfield will be Jimmy Williams, Benson, and Dick Edwards, Hillsboro, halfbacks, and Chuck Withers, Central Catholic, fullback.

On the City City line will be Bill Stempel, Cleveland, and Gordy Grenier, Benson, ends; Al Sodaro, Central Catholic, and Bill Gronquist, Cleveland, tackles; Jerry Collins, Gresham, and Jerry Clark, Benson, guards; and Hal Duffy, Central Catholic, center.

The 28-year-old native of Honolulu said he plans to continue fighting in the middleweight ranks despite the trouble he had making the weight limit.

Castellani, defeated for only the sixth time in 63 fights, had a date with a doctor this morning. Dr. A. Lastritti, physician for the State Athletic Commission, said Rocky fractured a bone in his left hand.

Presumably the mishap occurred in the second round when Bobo caught one of Rocky's swings on his elbow. The break was never evident to the crowd whether he landed or not.

Late Rounds Rough
Highlights of the fight were packed in the 11th and 12th rounds. As they came out for the 11th Rocky let fly with a right and before anyone realized it, the startled champion was sitting on the seat of his pants. Rocky tripped over Olson's leg and his glove touched the canvas, but he was up immediately.

Bobo scrambled as quickly as he could to his feet, which required a three-count, and proceeded to give Rocky all he could handle for the rest of the round.

Bobo claimed later that their feet got tangled up and he was caught and hit off balance.

In the 12th Bobo applied a crusher. A long overhead right found Rocky's jaw and sent him crashing to the canvas.

The game Rocky needed and took a nine-count, and to his credit, fought out the round like a wounded tiger. But his hopes faded from that point on.

The unanimous verdict was automatic. Referee Ray Flores called it 89-76 under California's 11 points round scoring system. Judge Fred Apostoli had it 88-80 and Judge Jack Downey scored 87 1/2-77 1/2. The AP made it 89 1/2-75 1/2.

Both fighters weighed in at 160. The gate was \$121,470; TV rights, \$100,000.

Castellani's share was 60 percent of the net gate and TV money, or slightly under Olson's \$125,000.

Portland Favored In Shrine Contest

PORTLAND (AP)—A Portland area squad, holding an average weight advantage of 22 pounds per man on the line, is slightly favored to defeat a team of Up-Staters in Saturday's annual Shrine Benefit All-Star football game.

Kickoff was scheduled for 8:30 p.m. in Multnomah Stadium following a huge pre-game pageant in which some 50 bands and marching units were to take part.

The forecast was for improving weather.

Local, Medford Drivers Best Hardtop Field

Despite a light rain, a large crowd was on hand at the Roseburg Speedway Friday night to watch Hoppy Hopkins of Roseburg and Medford's Cecil James lead drivers with a pair of wins apiece.

Hopkins, one of last year's top drivers, made his second appearance of the year at the local track and came up with first in the B trophy dash and the second heat race.

James took over first place from Jack Beavers when the latter's wheel bearing froze and forced him to flip during the A main. The Medford driver went on to win the event and to add a first place in the fourth heat race.

Penalties cost some of the carmen top positions. Moose Ireland went into the last lap of the A trophy dash in first place but was nipped at the finish line by Elmer Sismore and then penalized another place for cutting on Sismore during the second lap.

Hopkins was penalized three positions to sixth place in the B main for rough driving.

Wheels continue to fly off the speeding machines and in Friday night's affair, Bud Donelan was the victim with a right front spinning loose during the A main.

Cautious and skillful driving on the slick track prevented any serious smashes.
