

### Glendale Teachers Ready For School

James Pate, Glendale superintendent of schools, released for publication this week a complete list of teachers under contract for the 1954-55 school year.

#### Housing Needed

In releasing the list, Pate stated that there is an extremely urgent need for more housing for Glendale teachers. At least four houses and a half dozen more apartments are needed before school starts Sept. 1. Anyone having such dwelling units is asked to contact Pate in Glendale immediately.

Teachers include: Elma Archambault, 1st grade; Nadine Harstein, 1st grade; Thelma Sauters, 1st and 2nd grade; Helen Beyer, Mildred Sether, Margaret Larson, 2nd grade; Doris Hogan, Ada L. Porter, Anne Bartle, 3rd grade; Myrtle Wunsch, 4th grade; Furman Hargis, Lisle Steffen, 5th grade; Bill Andrist, Lulu Pratt, 5th grade; Florence Johnson, 6th grade and library.

Kathryn Hutto, H. A. Pedson, 7th grade; Roy Knigge, Ellen Caron, 8th grade. Peden and Knigge will handle the 7th and 8th grade boys' athletic program. High school teachers include Donna F. Beckius, girls' physical education; A. Delight Buckland, commercial subjects; J. Robert Carter, music and band; C. Wayne Close, industrial arts; Harry A. Edwards, mathematics; Doris Holmes, home economics and art; Ruth Sether, social science; Donald L. Wohler, English; Robert Stolz, boys' physical education; Harry Edwards and Robert Stolz will handle the high school athletic program.

### Social Security Representative Scheduled Here

A representative of the Eugene Social Security Office will be in Roseburg Tuesday, Aug. 24, at the City Hall Council Chambers between the hours of 8:30 a. m. and noon and in Myrtle Creek on Wednesday, Aug. 25, at the City Hall between the hours of 10 a. m. and noon, to assist individuals in filing claims for old-age and survivors insurance and to answer any questions regarding the Social Security Act.

Employees under the Social Security Act have an obligation to report all of the covered earnings of each employee up to a maximum of \$3,000 a year. With the exception of domestic workers in private homes and farm labor where cash wages only count toward social security, the fair value of meals, room and board, an apartment or house furnished the employee as a part of the compensation is to be considered as a part of the employee's earnings for reporting purposes.

Since the amount of the benefit payment the worker will receive at retirement or the amount payable to his family in case of his death depends on the total earnings credited to his account, the employee as well as the employer should be concerned about correct reporting.

If the worker wishes to assure himself of the correctness of his account he may request the Social Security Administration to furnish a statement of his account once each year. A postcard form for this purpose may be obtained at any social security office.

Stone formation in the urinary tract may take place in one of three places: the kidney, the ureter, that is the tube that carries the urine from the kidney to the bladder, and the bladder.

There are two different kinds of stones usually found. Both have a chemical formation. One may be due to abnormal calcium metabolism due to parathyroid gland malfunction, and the other to pus around which calcium deposits.

Infections in the kidney are probably the greatest cause of stones. To form a stone it is necessary to have a nucleus or "beginning." Accumulations of pus and bits of infected tissue commonly form this nucleus. Therefore, it is important that infections be treated early.

Fluid intake is also extremely important, especially in hot weather, when much fluid is lost by perspiration. This gives the kidney little to work on and, consequently, the urine becomes concentrated and there is little flow. As a result of this condition, particles accumulate, forming a nucleus for a stone. Other conditions within the urinary tract may act as contributing factors in the cause of stone formation. These include any mechanical interference with the free flow of urine from the kidney and extru-

### Lions Club Will Handle Barbecue At County Fair

The Roseburg Lions Club will again take over the responsibility of assisting in preparation for feeding all visitors to the Douglas County Fair at noon on Saturday, Aug. 28.

A mammoth barbecue, similar to that of last year, but with more patrons expected, is being prepared under the direction of an expert from Corvallis. The Lions will merely do the "leg work."

This leg work, however, includes an all-night watch, starting with building of a fire at 5 p. m. in the barbecue pit on Aug. 27. Under general supervision of Lions Vice President Glenn Clute, four-man watches will take six-hour shifts through until 11 a. m. on Saturday, when additional Lions and Lady Lions will be on hand to assist in serving the barbecue.

Details were worked out by the club at its meeting Thursday night, when Fair Manager Dick Turley was present. Turley said he was well pleased with the club's handling of the barbecue last year.

Four-H Club Agent Frank von Borstel discussed the planned fat stock auction feature of the fair, and urged as many persons as possible to send and enter bids. As the program for Thursday's meeting, members held an impromptu discussion on the current lumber strike and its effects on the community's economy. It was brought out that Roseburg has probably been less hard hit than many communities, since many of the plants have continued operating pending settlement of the issue. Also, some smaller plants have absorbed strikers on extra shifts and some mills not operating previously started production.

### Improvement For Riddle Schools Noted

Summer purchases and improvements made at the Riddle Schools during the summer include new beige drapes which were in time for use at commencement in the library, construction of additional shelving, a check-out desk for the library, purchase of chair carts for storage of folding chairs in the auditorium, calking of the eave troughs on the high school building, preparing of lawn at primary building, refinishing of all desk tops in the high school rooms, and purchase of additional equipment for the home economics department.

The custodial staff composed of Frank Wagoner, Hef Bishop and Sylvia King also have given the three buildings their usual painting, scrubbing and varnishing. Ceilings in the uppergrade rooms were lightened in accordance with state standards and the girls' dressing room was brightened considerably by painting the drab cement walls a light green.

Officers for the Umpqua Valley Knife and Fork Club were elected when the club's board of directors met Friday night. Plans were also made for the charter night dinner meeting of the club to be held in mid-September, according to club members.

Elected club president was Paul E. Geddes. Other officers chosen were: Harold R. Augustus, vice president, and Ralph M. Church, secretary-treasurer.

Board members are: Robert G. Davis, Albert G. Fiegel, George W. Neuner, Harold E. Schmeer, the Rev. Alfred S. Tyson and Spencer W. Yates, all of Roseburg, and James D. McCann of Myrtle Creek.

The club directors were dinner guests Friday night of Elmer E. Scholtz, from the national office of the Associated Knife and Fork Clubs. The meeting was held at the Umpqua Hotel.

According to Geddes, plans were completed to bring the charter member roster of the club up to 150 couples. At present there are 100 couples.

Geddes added that Robert Kazmeyer has been invited to make the initial address before the new club in September. Kazmeyer has been a top-performer over the past 12 years before the Associated Knife And Fork Clubs.

Other guest speakers will be announced later.

Approximately 40 people attended the August picnic of the Riddle Chamber of Commerce held last Sunday afternoon at Jerry Plat. Although rain fell just before dinner time, the afternoon proved to be warm and an enjoyable time was had in running races, playing horseshoe and softball. Nine families were represented.

Weekend Guest  
Mrs. Earl Miller of Juntura, Ore., was a weekend guest of Mrs. Kenneth Stuart. They met recently while attending summer school at Ashland where Mrs. Miller is still attending the post-session. Mrs. Miller is principal of the Juntura Grade School.

With the completion of grading and ditching along the city street, the new lawn at the Riddle primary school building is taking shape. Bob Proctor has been hired to oversee the work and plant the seed. Rototill work was done by P. E. Morrison, and handwork on the ground was done by C. H. Inman and Floyd West. The seeding will not be done until fall.

Irrigation of the new lawn is to be done with movable sprinklers inasmuch as the original system covered but half of the length of the present building and did not fully cover the width of the lawn. Part of the pipe which was removed will be used later to place a waterline to the athletic field for drinking purposes and for dampening the baseball infield.

### Pine Grove Old Timers Turn Out For Annual Fete

A large crowd of people attended the Old Time Annual Picnic at the Pine Grove Church last Sunday despite the intermittent rains that fell during the day.

After the picnic, which was eaten outside in the park area adjoining the church, an interesting program was presented inside the church. The Rev. Arthur Keistrup gave the scripture reading and prayer and talks were presented by Fred Bonebrake, giving the church history. The church obligation was given by the Rev. C. N. Currier. Three numbers in song were presented by the Pine Grove choir, a flute solo by Grace Smith, a Trombone solo by Albert Radcliffe, and the male quartette sang "Mansion Over The Hill Top." The dedication service followed the program.

Mr. and Mrs. Ralph Norstedt of Stanley, N.D., were recent visitors in the Darwin Thompson home. Mr. and Mrs. Irvin Best and children and Mr. and Mrs. J. J. Reidy have moved from the community.

Mr. and Mrs. Roy Hatfield, Mr. and Mrs. Waldon Hatfield and children and Mr. and Mrs. Howard Hatfield and daughters travelled to Tiller last Sunday where they visited in the Wesley Smith home. Mr. and Mrs. Byron McGrady and baby were Tuesday evening dinner guests of the Darwins Thompsons.

Visitors in the Roy Hatfield home are Betty, Curtis and Mary Crichton of Asbland.

Mrs. W. A. Anderson of the Buckhorn Road received word from her son, Bill Anderson Jr., from the air base at Lowry Field, Colo., that he is the father of a new baby girl. The baby has been named Judy Lynn and was born Aug. 14, weighing 6 pounds, 1 ounce.

Attend Fair  
Mr. and Mrs. W. A. Anderson travelled to Grants Pass last Saturday where they attended the fair.

Mrs. Walter Foster has been on the sick list the past few days. George Richardson of Independence was a Tuesday overnight guest in the Clifford Broadwater home.

Mary Lou Broadwater spent Sunday night with Grace and Gail Smith.

Mike Radcliffe was a guest of Larry Melton on Saturday. Mr. and Mrs. Al Radcliffe and son, Albert, went to the Dick Kruse ranch at Sutherlin last Saturday to help celebrate the second birthday of their grandson, Wesley.

### Elkton Schools Open Sept. 7

The opening of school, Sept. 7th, at Elkton High school will find a faculty composed of several new members and many improvements made on the school buildings. The largest turnover in the faculty in recent years has been experienced. Of a faculty of seven members, four of them will be new to the school system.

Miss Janet Strader of Glide, a graduate of Oregon State College last spring, will teach Home Economics and Girls Physical Education. Miss Strader is presently working in a summer recreational camp near Portland.

Miss Ruth Woodward is returning for her second year at Elkton and will teach English and direct the plays. She is spending the summer in Brookings.

Mrs. Anna Bauer will teach two periods of music in the high school and the rest of her time will be devoted to the grade school. She has taught music in the Elkton schools for a number of years.

John Bartholomew, a graduate of Nebraska State Teachers College at Kearney, Neb., will teach industrial arts. He and his wife will move to Elkton as soon as he finishes summer school at Oregon State College.

Carl Grimsrud is returning for his ninth year as coach and social studies teacher. He has been working at the school this summer.

Leo Crisman, formerly vice principal at Molalla Union High School, will be the new principal and mathematics teacher. He has been doing graduate work at the U. of O.

One instructor remains to be secured to teach commercial subjects and science. Applicants are now being screened and it is hoped that the position will be filled soon.

Mrs. Mary Colley is returning as cafeteria manager and Ray Hoffman has been hired as school custodian.

Considerable painting is being done in the main school building and the science and commercial rooms are being completely renovated. New convection type heaters are to be installed in several of the class rooms. The old saw dust furnace has been removed from the basement and the heating systems in the main building has been connected to the boiler in the new gym.

### Deer Is Unable To Cope With Traffic In City

A Douglas County deer has probably decided to stick to the hills and avoid Roseburg's downtown residential area after his mishap Friday night.

The 3-point buck, apparently finished with eating apples from a tree in Al Fiegel's yard about 11:30 p. m., took a mighty leap down onto East Lane Street. He jumped into a car, driven by Bob Blackwell, coming up the hill.

Blackwell stopped the car and raced back to see what had struck his vehicle (he didn't know it was a deer), and spotted the buck which lay stunned. As Blackwell approached the animal, it struggled to its feet, groggily, then took off into the woods.

The deer may have been injured, Blackwell said Saturday morning. There are horn marks on the top of his car's left front fender, the left front door is craved in and deer hair is matted to it. Blackwell, alone in the car, was uninjured.

Pre-school examination times for children of the Glide area schools have been changed, Supt. Byron Evans announces.

The examinations will take place on the same date; however they will be telescoped into two morning sessions. Deer Creek first graders, those entering school this fall, will receive examinations Aug. 30 at 9 a. m. Ninth graders will be examined at 11 a. m.

Glide elementary students will undergo examinations Aug. 31 at 9 a. m. While ninth graders and all high school athletic candidates will undergo examinations at 11 a. m. at the Glide Elementary School.

Evans stated that all first and ninth graders must undergo examination, for which there is no charge, but parents may pay for an examination by a family physician if they so desire.

Registration will take place for all Glide Schools on opening day, Sept. 7. Evans said, with pupils registering at the school which they will attend.

Deer Creek School will operate until 2:30 p. m. on opening day Sept. 7. Principal Walter Foster announced today. The cafeteria will also be open and will furnish children with lunches that day.

Portland Gas Dealers Not To Advertise Prices  
PORTLAND — Gasoline dealers here have decided not to advertise their prices.

The decision was made Thursday night at a meeting called in an effort to prevent a gasoline price war. Ben Hollyberton, vice president of the Oregon Gasoline Dealers, said this was the first step in a program aimed at improving the operating conditions for dealers.

Some stations have been advertising gasoline as low as 26 1/2 cent for regular and 28 1/2 a gallon for ethyl.

### Wilburites Vacationing This Month

Mr. and Mrs. Howard Stratton and son, Lon, have returned from a week's vacation into California through the Redwoods. They visited friends at Arcata several days, then returned up the coast highway, stopping for a days fishing at Takenicht Lake. They arrived home Sunday, after visiting with friends at Eugene. Mr. and Mrs. Clarence Koller of Roseburg, owners of the Keller Lumber Co., accompanied them as far as Arcata.

Mr. and Mrs. Leonard Pohl and children, Roger and Suzie, have moved to Portland, where Pohl is now employed.

Mr. and Mrs. Glen Prescott and children of Ashland visited recently at the J. L. Shrum residence. Mr. and Mrs. J. L. Shrum Jr. of Grants Pass, and Mr. and Mrs. G. E. Shrum of Klamath Falls spent Friday at the home of their parents, Mr. and Mrs. J. L. Shrum Sr. They were called here to attend the funeral of John Rohr, father of Mrs. Shrum Sr.

Mr. and Mrs. O. C. Woodward and daughters, Sue and Peaches, of Tacoma, Wash., visited relatives in Wilbur last week.

Visitors this past week at the Jim Nichols home were Mr. and Mrs. Ormand Hanna of Waldron, Kans., Mrs. Dallie Phipps and daughter, Helen, Mr. and Mrs. Dale Moore, and Laverne Plot. Mr. and Mrs. Hanna, who are houseguests of Mrs. Phipps in Roseburg, are making their first visit to the western states, and report they are much impressed by the scenery and climate. Miss Elliot, who lives at Siltecos Lake, spent the past two weeks with the Nichols family.

Mr. and Mrs. O. C. Woodward, Peaches and Sue, and Mr. and Mrs. Van Woodward, Craig and Brick, spent several days vacationing on the coast.

Deer Creek School will operate until 2:30 p. m. on opening day Sept. 7. Principal Walter Foster announced today. The cafeteria will also be open and will furnish children with lunches that day.
