to help, the five-year New York monopoly in the American League is doomed to end this month.

Only four games remain between the record-bound Indians and the second-place Yankees and the Yankees trail by 5 1/2 lengths.

The point of no return was reached last night. The Yankees got only two hits as Cleveland ground down the warpath to a 6-1 triumph.

The Indians, who are winning games at a faster clip than any team in modern American League history, actually taunted the world champions by loading the bases in the first inning and then not scoring, a maneuver that would have meant certain defeat in years past.

But Early Wynn never gave the Yanks a chance. Cleveland pushed over two runs in the fourth on singles by Vic Wertz and Dave Pope, a double by Al Rosen and a sacrifice fly. Four runs in the eighth, three of them on a homer by Dave Philley, wrapped it up. Enos Slaughter slashed a pinch single in the eighth. That ended the Yankee attack.

Wynn's victory was his 19th and his most impressive of the year.

In the National League, the New York Giants moved 3 1/2 games in front of the Brooklyn Dodgers with a 5-3 triumph in St. Louis. Brooklyn managed only three hits off Gene Conley and bowed to the Milwaukee Braves 2-1.

In other major league action, the Chicago Cubs won a pair from Pittsburgh 14-2 and 7-3. Philadelphia clipped Cincinnati 9-3, breaking an eight-game losing streak. Washington defeated Detroit 5-3.

The Philadelphia Athletics pushed Baltimore into the American

League basement with a double-header sweep 8-6 and 6-3.

Hurricane weather forced the postponement of the Chicago White Sox game in Boston.

The Giants jumped away to a three-run lead in St. Louis, were tied, then won in the fifth. Al Dark singled. Henry Thompson walked and Dusty Rhodes drove in Dark with a single. Thompson scored from third on Willie Mays sacrifice fly.

Mays drove in another run with a single and scored one after hitting a triple. Rhodes also drove in a second run.

Milwaukee reached Don Newcombe for two quick runs, one in the first scoring on Bobby Thomson's single and one in the second on Del Crandall's homer.

Hank Suer of the Cubs broke the National League record and tied the major league record when he hit his 13th home run this season off Pittsburgh pitching. The blow, his 35th of the year, came in the second game. Howie Poller and Walker Cooper drove in three runs apiece in the opener.

Ted Kluszewski took over the National League home run lead with a pair in Cincinnati's loss to Philadelphia. He has hit 41, one more than his previous personal high set a year ago.

Washington pounded George Zurek for 14 hits in dumping Detroit into a fourth-place tie with rain-killed Boston.

Eighth-inning rallies produced both Philadelphia victories over Baltimore. The A's scored five runs in the eighth inning of the first game and three in the eighth of the nightcap.

Light-Heavy Champ Accepts Mat Dare

BUCK WEAVER
... his title at stake

Local wrestling fans are in for another big title match at the Roseburg Armory Saturday night when coast light-heavy champ BUCK WEAVER put his belt on the line.

Jack Kiser, 190-pound Portland veteran, is the challenger in the two-out-of-three falls or one-hour main event.

Kiser, former champion, has been clamoring for a title go with the Indiana champ. So has young Danny O'Rourke, but Matchmaker Elton Owen said Kiser is still the greatest contender.

Kiser lost the belt to Weaver in Roseburg a few months ago. He failed to win it back in a later rematch.

Roseburg fans will probably be pulling for Weaver, a mat veteran who knows all the tricks. Local fans have a lot of respect for his ability.

In the semi-final attraction, Angelo Poffo will meet another old favorite Paavo Katonon of Finland. In a substitute go last week, Katonon clobbered Mel Peters and showed he had lost little of his style. He issued a challenge to the Italian after watching Poffo's match with O'Rourke.

The one-fall preliminary will see Luigi Macera facing rough and rugged Bronco Lubich. Both are Canadians, Macera being from Montreal, Lubich from Quebec.

Tickets are on sale at Powell's Sporting Goods.

Ex-WSC Standout Hero In NL Race

MILWAUKEE — The major league's biggest pitcher had the "best fast ball in my life" as he crammed a three-hit shutout down the throats of the Brooklyn Dodgers Tuesday.

"Maybe my curve's been better," said Gene Conley, the 6' 8" rookie of the Milwaukee Braves, after his triumph over the Dodgers, "but I don't think I've ever been any faster."

Del Crandall, who caught the youngster, shook his head.

"I don't know how you could have had a better curve," he said. "It was the best I ever saw."

The gangling ex-Washington State College basketball star turned in a masterful performance by any standards. Only one of the Dodgers' three hits really was hit—a ninth inning double by Junior Gilliam. Don Newcombe, Conley's opponent for seven innings, got the first one on a blooper into short right which Andy Pafko gloved but couldn't hold in the third. Gil Hodges was awarded the other when he beat out a topped boundary in front of the plate.

Conley threw 107 pitches at the Dodgers in the nine innings—and only 36 were balls. He was ahead of virtually every man and only three hitters ran the count to 3-2.

The shutout was Conley's second over Brooklyn—and the Dodgers have been goose-gegged only five times all year. His other, also by a 2-0 score, was an eight-hitter May 11 at Ebbets Field.

"That's when I had a better curve," said Conley. "But I guess I wasn't quite as fast that time."

The victory was Conley's fifth without a loss to Brooklyn this year and his 14th against seven defeats overall. He has gone the distance in each start against the Dodgers, allowing only 10 earned runs in the 45 innings for a 2.00 ERA, and only 33 hits.

The Dodgers didn't get a man past first base until Gilliam's ninth inning double and hit only seven balls to the outfield.

New Financial Offer For Athletics Studied

PHILADELPHIA — Roy Mack today took a new play to wealthy Philadelphia in his late stand what could be a successful effort to keep the Philadelphia American League baseball franchise in Philadelphia and in his control.

The short, balding son of the builder of the onetime Athletics diamond empire got the "new look" financial setup at a meeting of the Board of Directors Monday.

Presentation of the new plan to Roy by a member of the board came after the board members learned that Arnold Johnson, the Chicago real estate man who has offered to buy the A's franchise and transfer it to Kansas City, has cut his price from a reported \$4,250,000 to about \$3,100,000.

The newest plan to keep the Athletics in Philadelphia differs from the other most publicized play which was offered by a syndicate headed by Harry M. Sytk, drugstore magnate, and financier Albert M. Greenfield, although basically the money figures are the same.

Sytk and Greenfield had offered a total price of 2 1/2 million dollars with the condition that they take over complete control of the club. But Roy wants to keep his spot with the Athletics and, according to a source closely identified with
