to the majors the Giants whipped the Indians 13 times in 21 games, often by such scores as 20-14 or 13-2.

Al Lopez flatly predicted a pennant for his Indians and made good as of last Saturday. Now he's after a new all-time high in victories.

Leo Durocher said he never made predictions, then quickly added his Giants, with the return of Willie Mays, "will be a lot stronger."

"Brooklyn is the team to beat," Leo said in April.

He followed his own advice. He beat them opening day with Willie Mays hitting a 425 foot home run and last night in Ebbets Field, home of the Dodgers, Durocher's men clinched the pennant with a 7-1 victory.

Appropriately Willie Mays picked the occasion to take over the National League batting lead with three hits. The "Say Hey" wild, released from the Army just in time to reach training camp, is battering the ball at a 344 clip.

Maglie Sharp

Sal "The Barber" Maglie was razor sharp as he scattered five hits. The only Brooklyn run came in the third when Maglie's control deserted him momentarily and he walked Pee Wee Reese and Duke Snider with two out. Gil Hodges followed with what started out to be a routine fly, then it snaked rapidly in the murky night and fell just in front of Mays, who made a belly slide on the slick turf.

The Giants jumped off to a two run lead in the first inning on a walk to Whitey Lockman, Al

Dark's single followed by a sacrifice and singles by Mays and Hank Thompson.

Don Mueller's single and doubles by Thompson and Monte Irvin produced two more in the sixth and wrapped up the flag for sure.

Better Than '51

Durocher called his team a better outfit than the 1951 pennant winners who caught Brooklyn and won in a playoff after being far behind in mid-August. Walt Alston, freshman manager of the losing Dodgers, congratulated Leo and said: "There is a lot of difference between those two teams, mine and his. I only hope he can go out now and beat Cleveland."

While the Giants were clinching their flag, the Indians won their 11th straight and ran their victory total to 109, only one short of the American League record set by the 1927 Yankees.

Bobby Feller pitched the Indians to a 7-4 triumph over the Chicago White Sox with the help of home runs by Larry Doby and Vic Wertz. Cleveland has five more games to play.

Giants Celebrate Pennant Win While Dodgers Mope

BY THE ASSOCIATED PRESS
BROOKLYN — It was all over, even the shouting.

The victorious Giants, a jubilant gang of merry-makers, had long since departed after celebrating their pennant victory in true style, complete with champagne and more sober refreshments.

There was not much life in the Brooklyn clubhouse either, although a group of Dodgers were still sitting around, trying to put the pieces together. It was quiet and the players were mopey.

Walter Alston, the freshman manager, sat directly in a chair, dejected and still bewildered. A fellow said he had been sitting there for nearly an hour.

"As if suddenly aware that he was expected to say something, Alston looked around and began to talk.

"It wasn't just one thing," he murmured. "It was a combination of things. It wasn't Campanella alone. We might have won despite Roy's bad hand. But Furillo didn't start to hit until mid-season. New-

combe never did get started. Erskine failed to take up the slack. Oh, so many things. We just didn't play good ball."

In another corner, Pee Wee Reese, the team captain, sat quietly, smoking a cigarette. He was still in his baseball uniform.

"They're a fine ball club," he said in his usual generous way. "They deserved to win. We gave it all we had but it wasn't enough."

Carl Furillo, Gil Hodges and one or two others of the ex-champions echoed Reese's sentiments but one who refused to console himself was Roy Campanella.

"Nobody hurt the team more than I did," he growled. "Imagine hitting .200. I should have done better even with one hand."

Earlier, President Walter J. O'Malley had gathered the players together and told them "this has been a rugged season."

"I feel sorry for you and sorry for the fans," he said, "particularly because it was the Giants who beat us, and sorry for Alston. I don't feel the team did as well as it should have done — but let's wrap it up and get ready for next year. Go home and have a good winter."

Indians Shooting For Win Record
CLEVELAND — The Cleveland Indians try Tuesday night to win victory 110 and tie the 1927 New York Yankees as the biggest winners in the American League's 54-season history.

In the afternoon, some 250,000 persons are expected to line the route of an hour and a half parade from east side to west side. The Tribe will ride in decorated convertibles, accompanied by three bands to whom it up.

Three and half hours after the scheduled end of the parade to celebrate Saturday's pennant-clinching, the Tribe takes to the field at Municipal Stadium against the Chicago White Sox whom they beat 7-4 Monday night and play again Wednesday.

The Indians, riding an 11-game winning string — equal to their longest previous one this year and two behind this season's league mark held by the Yankees. The White Sox were the villains who ended the tribe's 11-game run in Chicago May 25 when Al Rosen incurred his famous finger fracture.

Even if they lose Tuesday night, the Indians will have four more games in which to get the victories they need to better the winning record of the 1927 Ruth-Gehrig Yankees. The Yanks of that year did not win their 110th until Oct. 1.

Art Houtteman was manager Al Lopez's choice to hurl against Chicago's go-go boys who have held the league leaders even so far in their inter-club series-10 games to 10.

Nub Beamer Leads Indians Scorers With 36 Counters

Though the sensational Nub Beamer has racked up 251 yards from rushing in two games for the Roseburg Indians, two other backs have better per-carry averages, a breakdown of official statistics shows.

Bob Williamson leads the team with a 13-yard per-carry mark, but it came on only one play. In the Sandy game, he scrambled that distance at the closing gun.

But an astonishing average has been notched by wingback Bill Oerding, who has packed the mail 10 times. Oerding, like Williamson a sophomore, has picked up 120 yards, an even 12-yard average. Beams in carrying 35 times for 251 yards, has gained an average of 7.17 yards per carry.

Far Ahead

As expected, the Roseburg senior is far ahead in individual scoring with six touchdowns for 36 points, 50 of them against district opponent Springfield. Three others, Allen Lindbloom, Freddy Hargis, both ends, and wingback Bill Oerding have each reached pay dirt once.

Gary Crenshaw is responsible for the team's remaining points with six conversions out of nine attempts.

Halfback Bob Thomas, nursing a limp leg, has gone a net 61 yards in 12 tries for a 5.08 average. Quarterback Howard Backen is right behind with 12 carries, 60 yards and an even five-yard average.

Others listed are: Lee Marsh, seven tries, 21 yards, 3-yard average; Rudy Morgan, two tries, 10 yards, 5 yards; Jim Hicks, one try, three yards; and Frank Purdy, one try, two yards.

Backen sports a 1,000 batting average in pass completions. He tried his only three attempts in the Springfield game, connecting with all for 43 yards. Beamer tossed three times in the Springfield game, but failed to complete any. He now has completed five of 15 attempts for 160 yards.

WIL May Drop Pair Of Teams
KENNEWICK, Wash. — A plan to drop Vancouver and Edmondton out of the Western International Baseball League won support here Monday night from the Tri-City Braves.

Harold Matheson, president of the board of the Tri-City Athletic Club, owners of the Braves, said the proposal would be pushed at a league meeting in Seattle Sunday.

A similar decision was reached last week by the owners of the Lewiston Bronces.

Matheson said in Vancouver's case it was his feeling that the Capilano would drop out of the Class A circuit on their own volition. He suggested Vancouver wants to be a member of the Class AAA Pacific Coast League or nothing.

The Tri-City sportsmen said he will plug for the following things at the Seattle meeting:

1. Continuance of the WIL as a Class A loop.
2. A 60-40 gate receipt split instead of the present method whereby the home team takes all.
3. A 16-player limit for each team with no more than eight veterans to a squad.

Matheson said the Braves broke about even this season, attracting some 57,000 fans despite a last place finish in the seven-team loop. He said the Braves would field a team next year if at all possible, depending on action taken by the league.

Mays, Avila Top Big League Bats
NEW YORK — Willie Mays and Cleveland's Bobby Avila probably will bring league leading batting averages into the 1954 World Series.

Mays took over the National League's top spot Monday night with a 3-for-5 performance against Brooklyn, giving him a .344 mark. Meanwhile, Duke Snider of the Dodgers, the pace-setter since a June 20, went hitless in three times and dropped to .340.

Avila holds a comfortable lead over runner-up Minnie Minoos of Chicago in the American League competition. He's batting .337 to Minnie's .326.

Though she was eliminated in the first round of play in the USGA Junior Girls Tournament, and she failed to enter the USGA Women's Amateur Tournament, Sutherland's Carole Jo Kabler didn't come home empty handed after all.

A champ from the word go, the blonde lass plucked the top prize in the consolation bracket of the junior girls event, a fact which went unpublished by the major news services.

As for her entry in the women's tourney failing to materialize, the whole blame can be laid to the fact that the 15-year-old had not planned to enter until just before departing for the East. Consequently she had not made any previous arrangement for housing.

LOCAL COUNTRY club officials, who up to the time of the tourneys had not been officially hooked up with the United States Golf Assn., did so hurriedly and in time to insure Carole Jo's acceptance. But the housing factor made last-minute plans backfire. Prospects for returning next year are good, however.

Carole Jo informs that while her best round of 18 holes was an 81, Eastern links are longer and better. As yet, our correspondent has not decided where his next summer's sojourn will take him, but wherever it is it should be different and interesting and we hope to read about it right here.

BIG-GAME expeditionist Bill Pat Franco, formerly of this city and now employed by an airlines company in Southern California, reports the results of his latest foray into the wild game world — this time in the man-eating fish-infested waters of Cuba.

It will be remembered that last year Franco reported here the outcome of a grisly hunt in Alaska which netted him and two cohorts three Alaskan grizzlies, each ranging close to the 400-pound mark.

On his most recent summertime outing, Franco removed from the deep a 460-pound sword fish which took two hours and 17 minutes to land while a companion came up with a trigger fish that scaled 207 pounds.

The ex-Roseburg boxer doesn't offer any other details but he does say in his letter that before he left on the trip he spent a few successful days fishing the Umpqua in early September (probably warming up to the sword-fishing task).

For anyone interested in the prospect of lazy afternoon angling in South Sea waters, Franco has provided our desk with a forwarding address at his Manhattan Beach, California residence where full travel and big-game hunting information will be gladly given.

As yet, our correspondent has not decided where his next summer's sojourn will take him, but wherever it is it should be different and interesting and we hope to read about it right here.

 The Cleveland Indians and New York Giants open the World Series of the Polo Grounds a week from tomorrow and the flags in Florida probably are flying at half mast.

For the first time since baseball magnates became convinced their athletes would be better conditioned for the 154-game grind with the help of warm sun and palm trees in the early spring, Florida doesn't have a World Series entry.

The Indians and Giants shunned the orange juice circuit for the sands and sun of Arizona. With only the Chicago Cubs and Baltimore Orioles around for major league companions, the two clubs played each other often enough to know the players by heart.

Famous Trichologist Will Demonstrate How to Grow Thicker Hair . . . and Guarantees It! Demonstration To Be Held Here

This new method of home treatment for saving and growing thicker hair will be demonstrated in Roseburg, Ore., Thursday ONLY, September 23, 1954.

These private individual demonstrations will be held at the Rose Hotel on Thursday ONLY, September 23, 12 noon to 9 p.m.

OKLAHOMA CITY, Sept. 18 — In an interview here today, Wm. L. Keele, internationally famous trichologist and President of the Keele Hair and Scalp Specialists, Inc., said "there are 18 different Scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so called cure-all could correct all the disorders," he explained.

Guaranteed
 "The Keele firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offers a guarantee," Keele said.

Once a person avails himself of the Keele treatment his skepticism immediately disappears. To insure this, we offer this guarantee: "If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

Hopeless Cases Discouraged
 First, the Trichologist is quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this lost category.

If there is fuzz, no matter how light, thin, or colorless, the Keele Treatment can perform wonders. A complete, private, examination is given by a Trichologist to determine cause of his hair trouble. **Free Examinations**

This examination is very thorough and highly technical. It requires 20 to 30 minutes. The Trichologist makes no charge for this examination and no appointment is necessary. After the examination the person is told the required length of treatment and how much it will cost.

After starting treatment, the person makes regular reports to the Keele firm in Oklahoma City to check the progress of the home treatment.

To spread the opportunity of normal healthy hair to the thousands who are desperately looking for help, independent Trichologists are visiting various cities throughout the United States to conduct examinations and start home treatments.

No Cure-All
 "We have no cure-all for slick, shiny baldness," Keele emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Keele wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

Hair For Lifetime
 "If clients follow our directions during treatment and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

How's Your Hair?
 If it worries you call Trichologist R. Rance Pierce at the Rose Hotel in Roseburg, Ore. on Thursday ONLY, September 23, 12 noon to 9 p.m. The public invited. You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way.

Druids and Drugs

The druids of Britain were the priest-civilization of the ancient Irish civilization. They tended the sick and wounded with preparations from their bags of salves and herbs. The mistletoe, a parasitic plant of the oak, was known to the druids as the "all-healer" and was the object of superstitious veneration.

There is no one "all-healer." Your physician studies each individual case and prescribes the remedy indicated. The family physician is the one to consult when you feel "out of sorts." Bring your prescriptions to us to be filled.
