

National Guardsmen Join In Search For Hunters

DALLAS, Ore. (AP) — National guardsmen Wednesday joined the volunteers searching for the Norman Zeisler family of Newport, missing since going deer hunting in the Fanno Mountain area west of here Oct. 9.
The day was dark and damp. Fog shrouded many of the higher areas of the rugged, timbered mountain country where Zeisler, his wife and her 14-year-old son vanished.
Maj. Gen. Thomas E. Rilea ordered the tank company of the 162nd Infantry Regiment of Dallas into the search at the request of Sheriff Tony Neufeldt and Mayor Hollis S. Smith.

Westside Christian Church Dates Male Quartet Sunday

TO BE HEARD—The Northwest Christian College Quartet will be heard in concert of sacred music at the Westside Christian Church Sunday evening at 7:30. The public is invited to attend services.

The Northwest Christian College Male Quartet is well known all over the Northwest, as they have sung in many of the communities in Oregon, Washington, Idaho and Montana. The members of the quartet are chosen at a try-out from among the students of the College, and after they are selected are carefully trained by the Music Department of the College in preparation for their concert work. Northwest Christian College is a college which specializes in training workers for the Church, ministers, missionaries, directors of Christian education, and other employed positions in the Church. Northwest Christian College re-

ceives its support and students from the Christian Churches of the Northwest. The quartet travels among the Churches of the Northwest to interest prospective students in attending the College, and to call the needs of the school to the attention of the members of the Christian Churches. This College is located in Eugene, Oregon.

The quartet is composed of Gene Swanson, of Los Angeles, California, bass; Laurie Burghardt, of Eugene, Oregon, first tenor; Merlin Moon, of Milton-Freewater, Oregon, second tenor; and Dick Kneeland, of Los Angeles, California, baritone. The boys specialize in sacred music, but they also sing some secular numbers.

The quartet is accompanied by E. M. Eldridge, Field Representative of the College, who will bring a short message on the relationship of the Christian College to the Churches. Eldridge has spent most of his life as a business man and approaches the importance of the Christian College from the viewpoint of the layman. You will want to hear this splendid group.

The quartet will be heard in a concert of sacred music at the Westside Christian Church, Harvard and Broccoli, Roseburg, on Sunday evening, 7:30, Oct. 24th. Everyone is welcome.

Negro Question Again Goes Before Chancery

WILMINGTON, Del. (AP) — The question of whether 10 Negro students may attend the previously all-white Milford (Del.) High School returned to the Court of Chancery today.

Vice Chancellor William Marvel has already ruled that Negroes have the right to attend the Milford school.
The question before him today should be grant an injunction, requested by the National Assn. for the Advancement of Colored People, to restrain the Milford School board from keeping the Negroes out of the high school.

Clues Link Patterson's Killer, Claim Officers

PHENIX CITY, Ala. (AP) — The gunman whose bullets cut short the crime-fighting career of A. L. Patterson four months ago is still a hunted killer, but investigators may have the goods on him.

Despite the cautious secrecy of Acting At. Gen. Bernard Sykes, who is directing the murder inquiry, homicide detectives say privately they think they know the assassin's name.
"We feel sure we have a good, sound case against the man who did it," said one homicide detective, "but there are a few loose ends to be tied up."
And, he added, "there may be others involved, and we want to get them too."
