Now you Know!

The answers to everyday insurance problems.

By William S. Reinhart

QUESTION: I don't have enough valuable possessions to warrant getting a Personal Property Floater policy but I'd like to know if I could cover my golf equipment under some kind of special policy. Is there one?

ANSWER: A special Golfer's Equipment Floater covers almost all risks at a low premium but you'd better ask a good insurance agent if that's the policy you should have.

★ If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
