**ALPHA THETA CHAPTER HAS INTERESTING MEETING AT WHITE HOME**

Mrs. Archie White entertained Alpha Theta Chapter, Beta Sigma Phi, at her home Tuesday with Mrs. Nat Butler and Mrs. John Roake assisting.

The business meeting was conducted by Mrs. Robert Stults, who read communications from E. G. High, local director, and from the Portland office of the Society for Crippled Children, thanking the chapter for their contribution to Camp Easter Seal.

The annual Christmas party will begin at 8:00 p.m. Dec. 21, at Mrs. White's, and will progress to the home of Mrs. Stults.

The pledges will receive their ritual of jewels at the next meeting, Nov. 23. This will be preceded by a formal dinner at Turn Around Inn at 7:00.

Alpha Theta will sponsor an entertainment at the Veterans Hospital, Nov. 20, and the city council winter dance will be Dec. 4, at the Elks Temple.

Following a short intermission, Mrs. Robert Reid and Mrs. James Decker presented the program for the evening, entitled, "Environment, Work, Health and Play." The main point of the subject was individual organization of mind and body for happier living, and a most lively debate was held by members on the topic of "Who Reaps the Most Benefits of Successful, Happy Living, The Career Girl, or The Homemaker?"

The hostesses served lovely refreshments to a guest, Mrs. Meredith Wilson, and the city council winter dance will be Dec. 4, at the Elks Temple, Georgene Clark, James Coon, James Decker, Vernon Leonard, Norman Sallee, Robert Stults, John Horn, Robert Reid, Warren Woodruff and Miss Shirley Spencer.

**DEGREE OF HONOR CONVENTION HELD**

The Degree of Honor Protective Association held a district convention at Grants Pass Thursday. Several members from the Roseburg group attended and included Mrs. Fern Hobday, treasurer; Mrs. Yona Lusk, secretary; Mrs. Helen Fenwick, usher; Mrs. Mary Curtis, assistant usher; Mrs. Hattie Hebard and Mrs. Betty Clark.

Following a lovely banquet, Fran Shafer of radio and television fame, entertained with a few comic skits. The Degree of Honor girls chorus of Grants Pass and the Medford drill team performed. The oldest member was also present, Mrs. Ide Mae Wilson, formerly of Roseburg. She has been a member for 50 years and is now 72 years old.

**COMIC BOOKS IS TOPIC OF DISCUSSION AT FULLERTON PTA MEET**

The first of a series of four discussion groups was held Monday evening at Fullerton School sponsored by Fullerton PTA. Subject of the discussion was the effect on today's youth from reading and seeing stories of crime, horror and sex in comic books and magazines and pocket edition books available to youth today from news stands and open counter magazine stands.

Speaker of the evening was Raymond J. Martin, who told of the danger of such comics and reading material and suggested remedies to the situation on the part of the adults. Parents attending the meeting were alarmed and utterly amazed that such articles could do appear for sale to anyone who will buy them. Mr. Martin told the group that such indecent, lewd and cheap publications were barred from Canada, Mexico, England, Germany and France, to mention a few countries, yet they are prevalent and easily available to all here in the United States. Spread across these cheap, gaudy pages is a veritable handbook of crime, violence and foulness. There are such publications being put out each month, and millions of children are reading and being influenced by them. The objection is aimed at the twisted new-style emphasis on murder, torture and sex and at the callous, cynical attitude toward the law, toward society, toward the home, toward life itself. These have been appearing on the market at a steady rate for the past ten years. There are many fine publications available today worthy of being sold, so merchants need not offer the excuse that they will risk a loss in their profits by removing this undesirable literature from their stands. It wasn't there 10 years ago, said Mr. Martin, and the book and magazine trade got along fine.

Parents at the meeting expressed the opinion that they had no idea that some of the comics and magazines and pocket edition books were so indecent. This they agreed upon as they saw actual samples brought in their own communities and heard what they contained.

Mr. Martin suggested that clean-up start on the local level and urged parents to interest and tell other parents of the situation and work toward this goal. Several store owners in Roseburg have already taken the objectionable articles from their stands, and it is hoped that in the future, due to public clamor and objection voiced by parents who have become aroused, that all objectionable literature will be removed from the stands and, thus, from our youth.

Mr. Martin proved himself an interesting speaker with a vast knowledge of his subject.
