Glide Students Prepare Farce

By MRS. ARTHUR SELBY
Students of Glide High School are rehearsing to produce the largest and most ambitious play ever attempted at the high school. "An Apple for Eve," a three-act farce written by Jay Tobias will be given early in February. Donald Brand, social science and commercial instructor at the school, will direct. Tryouts were given to all students of the four classes.

The cast, selected from freshmen, sophomore, junior and senior classes, includes: Jackie Biss, Paul Anderson, Harold Angell, Judy Suhrstedt, Rosa Lee Simpson, Dave Shrum, Betty Ferguson, Cora Lynn Collison, Betty Lewis, Pat Hatfield, Sally Hook, Kenneth Gibbons, Bob Gilbert and Jack Mills.

Mission Aid Meets
The Mission Aid of the Glide Baptist Church held a meeting Wednesday afternoon in the church parlors. Mrs. Floyd Hickman, president addressed the members and Mrs. Cecil Harris sang several numbers. The members then looked over the toys and clothing they had collected to be sent to the Maranatha Childrens Home at Fairbanks, Alaska. This orphanage home takes care of the Eskimo children, whose one or more parents have died from tuberculosis. Refreshments were served following a business meeting.

The forest ranger station at Big Camas closed for the winter and the personnel moved back to Glide. District Ranger Gordon Sanford and family left Glide after a few days for Taft, Calif., to spend Christmas with relatives.

Dave Cobb and family moved into the Forest Service training camp at Wolf Creek. Cobb is assistant district ranger at Big Camas.

Reforestation Crews Complete Glide Area Work

By MRS. ARTHUR SELBY
The Forest Service men stationed at Glide have just completed a reforestation project in the Little River area, according to District Ranger George Churchill. The job of planting 226,000 fir trees took one and a half months.

Churchill also reported that the Bureau of Public Roads crew under Engineer Cliff Hudson have completed the two-mile timber access road at Clover Creek. The crew has been working at the Forest Service training camp at Wolf Creek and moved out Sunday to return to their homes.

Play For Wednesday
The Glide Grade School students, 1st through 6th grades, will present a Christmas play Wednesday at 8 p.m. in the high school gymnasium. After the play, Santa Claus will appear at the decorated Christmas tree to pass out the treats, donated by the Parent Teachers Association.

Saxton and Son Construction Co. has started work on its contract to build a three-mile timber access road at Black Creek in the Little River area.

William Oleson, industrial arts instructor at Glide High School, was confined to his home for three days last week with flu.

Mrs. Gilbert Magnus returned to work at the Lone Rock Market after an absence of seven weeks, having been confined to her home with an injured foot.

Donald Warman and family left last week to drive to Stillwater, Minn., to spend Christmas with Warman's parents and brother. En route, they stopped at Portland to spend the weekend visiting Mrs. Warman's mother, Mrs. Alice Malley.

Mrs. James S. Evans flew to Portland last week on an ambulance plane of the Shirley Airways to bring back her sister-in-law, Mrs. Emma Robinson, of Portland who had undergone major surgery at St. Vincent's Hospital and was to recuperate at the Evans home. Delivery of the patient was made to the waiting mercy plane and the return trip was completed the same day.
