Glendale (Oregon) Mayor Honored During Visit To Glendale (Calif.)

By MRS. G. B. FOX
 Mayor Bob Proffitt of Glendale was an honored visitor at the office of the Glendale, Calif., mayor while he and his family were in the California city over the holidays visiting with his mother, Mrs. C. C. Singer and Mr. Singer.

Photographers snapped the two on the steps of the city hall and also in the host mayor's office. The pictures were featured in newspapers. Proffitt was shown through the city jail, he reports. While in the California city, the Proffitts met for the first time the mayor's cousin's bride from England.

Mr. and Mrs. Ed Harris and daughter, Marilyn, spent Christmas with the Roy Christie family of Roseburg. The Christies are former Glendale residents who operated a sawmill near Ferndale several years ago.

Mr. and Mrs. H. D. McDonald moved to one of the Tooley Apartments just before Christmas. Mr. and Mrs. Eugene Losey spent the holidays visiting their son-in-law and daughter, Mr. and Mrs. Leon Epps at Willows, Calif. They also saw another son-in-law and daughter and family, Mr. and Mrs. Henry Newby of Corcoran, Calif., who met them at Willows.

Terry Ricker, granddaughter of Mr. and Mrs. Jerry Ricker of Glendale, was ill at her home with strep throat during Christmas week. Mr. and Mrs. George May and daughter, Donna Jean visited Mrs. May's parents, the Jerry Rickers, in Glendale over Christmas. Donna Jean stayed several days longer while her parents drove on to Portland. Other Christmas guests were Mr. and Mrs. C. R. Fuller and Jerry Ricker from Grants Pass.

Property Owners Seeking To Obtain City Water

Some Myrtle Creek area property owners interested in obtaining city water will meet Monday night, Jan. 10, to elect a committee to represent them before the City Council.

Interested property owners who live in Herman's Addition, South Myrtle Road to Neal Lane, and Neal Lane to Days Creek cutoff and Forest Road are asked to attend a 7 p.m. meeting at the Super-Y Market.

Any committee or directors elected will meet with the city water planning committee and the council. Also, on the meeting agenda, is the problem of selecting a name for the areas involved, according to Ruth M. Evans, News-Review correspondent.

Bricker Re-Introduces Treaty Limit Amendment

WASHINGTON (AP)—Sen. Bricker (R-Ohio) re-introduced in the Senate Thursday the proposed amendment to limit treaty powers which aroused White House opposition and lengthy Senate debate a year ago.

THE ANTIQUATED FREEZE
 can turn the hottest ideas to ice

The FREEZE is an executive who inhabits aging firms. Sometimes is found perched on legal departments, or hovering over comptrollers' offices.

One blink of his eye can paralyze the best idea, and a waggle of his tongue can freeze an enthusiasm.

He long ago reconciled himself to the fact that a certain amount of the company's funds must be "frittered away" on token advertising... but turns thumbs down on any program that would really work — because programs that work cost money.

Fortunately the FREEZE is a rare creature.

The wise executive realizes that advertising is part

of the flesh and blood of a throbbing, prosperous enterprise. And all he asks is that the advertising work.

So he insists on newspaper advertising because newspapers are basic — the foundation of an intelligent ad schedule.

Because only the newspaper reaches just about everybody in every community. Because only the newspaper carries the sense of urgency — "If it's advertised today, I'd better go down and get it quick."

No wonder advertisers invested twice as much money in newspapers last year as in any other medium!

All business is local...and so are all newspapers!
