

# Micro Car Races To Start Saturday

Twenty-four cars, all but several built in Roseburg, will inaugurate micro-midget racing at the County Fairgrounds Pavilion Saturday night with a full program of racing events.

About 700 spectators can be seated for the opening event of a season which is expected to end here April 18 in what is currently the state's only winter-time operating car track.

Blacktopping on the track and other improvements to the pavilion were completed Wednesday for the

run of the little cars which number about 20 in the Roseburg area and about six visiting autos here from Crescent City for the inaugural.

The field, however, is limited to only 24 cars.

Sponsored by the Pacific Racing Assn., summer-time promoters of the Roseburg Speedway hardtop events, the proposal for indoor racing was met with enthusiastic response by fans last fall. Several hardtop drivers and other car enthusiasts set on the project of building their own autos.

The engines, mostly Cushman's, are limited to 18 cubic inches while minimum weight of the entire machine is 260 pounds. Other specifications for size and safety must be met.

Cars will burn alcohol and methanol fuel and an adequate venting system installed in pavilion recently will remove all unpleasant odors.

A total of 10 races will be run Saturday night beginning with time trials at 7:30. Races on the program are two trophy dashes, four heat races, two main events, and two additional races pitting winners of heat dashes against each other.

Six cars will compete in each heat race and 12 in each of the two main events.

Reports indicate that a steam-driven micro, being built by Mark Nichols of Roseburg, starter at the track, will be ready to race in future events. It is a 22-horsepower machine built on 12 1/2 inches.

## New President Named By PCL

SAN FRANCISCO (AP) — Claire V. Goodwin, a one-time second baseman who wants the challenge more than the money, is the new president of the Pacific Coast League.

The unanimous selection of the 69-year-old vice president of Lucky Stores, Inc., was announced Wednesday.

"I took the office as a challenge," he said.

"There is a lot of missionary work to be done. I'll go out and meet the people."

Goodwin said he'll work for an improved PCL despite the talk of major leagues moving in on the West Coast.

"I didn't seek this office and I didn't accept it merely to be an interim president," he said.

Goodwin succeeds Clarence (Pants) Rowland, who quit to join the Chicago Cubs' executive staff.

The new president signed a one-year contract. His salary wasn't disclosed. Speculation touched about \$30,000. Rowland received \$17,500.

Goodwin said he will resign as vice president of Lucky.

PCL headquarters will be moved from Los Angeles to San Francisco.

Goodwin was born in Idaho but attended high school and college in California. He played in 1913 with the Los Angeles Angels and with Kansas City—then in the Federal League—in 1914-15.

Clarence (Brick) Laws, president of the Oakland PCL club and a member of the selection committee, said Goodwin drew up a tentative program for the league that "denotes a keen knowledge of our problems as well as of our ambitions."

Goodwin says his program is to raise the caliber of the PCL, renovate some parks—he didn't name them—and pull in crowds.

## Furman Leads Stax In Collegiate Play

NEW YORK (AP) — Furman, an old hand at high scoring team assaults, vaulted into the lead this week in offense statistics among the nation's major college basketball teams.

Two 100-point-plus spears—one an all-time single game record—sent Furman spiraling into first place in pursuit of its third straight scoring title. Only one other major college—the rampant Rhode Island team from 1936 through 1949—ever has succeeded in pulling off the triple.

Furman's 154-67 mauling of The Citadel spotted the Paladins' rise to the No. 1 spot with a 99.2 average for 10 games through Tuesday.

Connecticut (93.8) held on to second place behind Furman in the scoring statistics compiled by the NCAA Service Bureau while Marshall (92.0) fell from first to third.

San Francisco not only retained its team defense lead, but improved on it—allowing 11 fewer a bare 48.3 points a game, the best record at this stage since 1932.

The Dons were almost air-tight in their only game of the week, holding San Jose State to 30 points—the lowest score any team has been held to this season.

Oregon State is the runnerup with a 52.0 opponent average and Oklahoma A&M is third at 54.0.

George Washington, the defending champion, took over the field goal percentage lead from Manhattan with a 47.3 figure, but lost its top spot in free throw accuracy to Richmond's 75.3 mark.

## Roseburg Matmen Away For Two Rugged Meets

Coch Bob Shewbert and 25 Roseburg wrestlers embark Friday afternoon for the Eugene area and two important wrestling meets.

The Indians, undefeated in three starts this season, take on tough 6:30 at Springfield and the University of Oregon Frosh Saturday morning beginning at 10:30 at MacArthur Court.

Eight local varsity matmen making the trip are undefeated so far this year. They are 113-pound John Dunnahoo; 121-pound Gil Harvey; 124-pound Bob Moore; 139-pound Jim Hicks; 145-pound Vern Foree; 155-pound Bob Thomas; 165-pound Mel Thomas; Heavyweight Jim Schaeffer.

Others traveling north are Dick Stallings, Don Myers, Jim Atkins, Jack Rone, Milton Schweppe, Larry Lane, Dale Pippin, Jim Huston, Larry Dorman, Glen Kinman, Paul Yundt, Charles Palmer, Gary Turner, Larry Jacobs, Lawson King, Larry Exceen and Jack Lazders.

## Oregon College Scorers High

SEATTLE (AP) — Oregon's collegians took the lead as the first Northwest collegiate scoring totals for 1955 were compiled Thursday, with Don Porter of Linfield out in front with 317 points in 13 games.

Right behind him with 316 was Norm Hubert of Pacific and in third spot with 288 was Whitworth's Phil Jordan, who is ineligible now and will lose ground in future tabulations. Before he left the scene, Jordan compiled the best average of 28.8 points per tilt and Hubert followed with 26.3.

It took a total of better than 150 points to land a player in the top 20. Such scoring aces as Oregon State's Tony Vlastelica (147) and Jack Daywalt of St. Martin's (146) failed to make it.

Totals compiled by The Associated Press found Dick Edwards of Eastern Washington fourth with 247, followed by Dick Bartel of Portland University at 224 and Ted Shadewitz of Eastern Oregon College with 216.

Top man among the Northern Division entrants was Dean Parsons of Washington, who also was the last of the group scoring more than 200. The burly Washington center had 207 at the end of last week, when the books were closed.

Rounding out the first 10 were Ron Bennick of Washington State, Jim Loscutoff of Oregon and Southpaw Harlan Melton of Idaho. Gonzaga's Jerry Vermillion was just out of the elite group, four points back of Melton.

The scoring leaders:

## Fences Set Up; Way Made For Musial Homer Record

ST. LOUIS (AP)—Stan (The Man) Musial, St. Louis Cardinals veteran outfielder who already owns most of baseball's batting honors, may find the key to an elusive home run crown through a bit of carpentry work on Busch Stadium.

The club decided yesterday to take down the screen in front of the right field pavilion—a move which cuts 25 feet 2 inches off the distance needed for a homer.

The screen, which since 1930 has been known as a pitcher's friend, extends from the right field foul line 156 feet toward center field.

A batter, in the past, had to loft the ball over the screen to the pavilion roof, which is 38 feet 2 inches above ground level.

Now only an 11-foot 8-inch concrete wall stands between south-

## DiMaggio Seems Certain Entry Into Hall Of Fame

By GAYLE TALBOT  
NEW YORK (AP) — The greatest all-around baseball player these eyes ever have fastened upon, Joseph Paul DiMaggio, appears certain to be voted into the game's Hall of Fame at Cooperstown in the annual balloting among members of the Baseball Writers' Assn. now in progress.

The tall, sometimes morose figure who wrote his name indelibly into the books as a member of the New York Yankees in the years from 1936 through 1951 finished a

## Changes Added In Grid Rules

NEW YORK (AP) — Football will be more honest next fall—on the field, at least—if the wishes of the NCAA Rules Committee are respected.

Winding up 2 1/2 days of deliberations, the committee Wednesday adopted six changes in the rules and made two strong appeals to coaches for more honest and careful observance of other important rules.

Two of the three rules changes were designed to prevent unfair deception on offense—the outlawing of the "hideout" play and a new proviso concerning plays where a middle lineman (tackle, guard or center) becomes eligible to receive forward passes. Another will help keep the defense "honest" by providing more opportunities for fake place kicks.

The most important change was in the substitution rule—a short step backward from the "no platoon" rule adopted two years ago. This will permit any player who starts a quarter to leave the game and re-enter once during that quarter. Collaterally, the four-minute "segment" in the second and fourth quarters was eliminated.

But the committee decided not to try this time to solve two of its biggest headaches—false starts and elbow blocks—by changing the rules. Instead, a strong appeal will be addressed to officials and commissioners for stricter enforcement of the rules and to coaches to observe them.

It was the second straight year the committee had declined to change the rule on false starts after a hullabaloo over "sucker shifts" in 1953. Last year an appeal to coaches and officials, plus some fresh interpretations, brought "considerable improvement," according to committee chairman H. O. (Fritz) Crisler of Michigan.

## High School Bees Win Two In 'Y' Loop

Twin triumphs by the High School B's kept them in the thick of the Independent League basketball race Wednesday night. The Bees beat PAL Club 45-8 in the opener and then repeated with a 28-25 win that virtually eliminated the defending champion Wood Butchers from contention.

Crawford scored 18 for the Bees to rack up the first win while Ray Skeels and Hanson each tallied 11 for the winners in the 28-25 win over the Wood Butchers.

The Bees led 9-7 at halftime and 21-15 at the three-quarter mark after trailing 3-4 in the first period.

In a third game, Umpqua Valley Hardware forfeited to the fourth-place Future Farmers team.

## Sutherland Wrestlers Dump Pirates By 30-24

Sutherland wrestlers, winning six of the first seven matches on a succession of pins, built up a delectable 30-3 lead and then staggered through to a 30-24 decision over the Marshfield wrestling team at Coos Bay Wednesday night.

The triumph made the Bulldogs the second Douglas County team within a week to take the Marshfield grapplers to camp. Roseburg beat the Pirates 30-14 here last Friday night.

Sutherland also won Wednesday's jayvee meet 31-8.

The Bulldogs, potent in the lower weights, built up an advantage entirely on pins early in the meet that proved to be the ultimate difference between the two teams.

In fact, decisions were the exception for both sides and for both varsity and jayvee meetings.

Marshfield won three of its varsity events on pins and the other three, including the 104-pound event in which Jerry Perez was wrestling underweight, on decision.

Four consecutive Sutherland pins came in the first round of individual matches.

In the jayvee meet, Sutherland picked up five pins and two decisions. Marshfield had one of each.

The Bulldogs take on Douglas at Sutherland next Monday evening.

## Wisconsin Grid Hero Gets Parade, Presents

KENOSHA, Wis. (AP) — "The Horse" who carried Wisconsin's football fortunes for four years got a ride himself Wednesday night.

Alan Ameche, the Badgers' All-America fullback and the greatest grid gainer in collegiate football history, came home to a banquet in his honor perched on a fire engine at the head of a motorcade.

With him were his oldest son, Brian, just under two, and his wife, Yvonne.

The noisy ride through the streets of his hometown—young Brian enjoyed the screaming sirens more than anybody—was only a prelude, though, to a lucrative evening. By the time it was over the Ameches had netted something like \$6,000 in cash and assorted gifts, including a Palomino horse and the title to a brand-new automobile.
