MRS. TILTON SPEAKS AT WOMEN'S SOCIETY MEETING THURSDAY

Always a forceful and convincing speaker, Mrs. Ellsworth Tilton spoke inspiringly to members and guests of the Roseburg Presbyterian Women's Society Thursday afternoon on the subject "The Work of the Church in India." She stated that the eyes of the world are on India today, as she labors to formulate a government for her people, people with marked social contrasts, many religions and teeming millions who are desperately poor. Only two and a half percent have been reached by Christianity. Mrs. Tilton concluded her talk with a beautiful prayer by an Indian Christian, Chandran Devaneson.

Mrs. Ivan Pickens, president, conducted the meeting, and Mrs. W. M. Campbell gave the invocation. Mrs. Alva Laws presented the devotion, using as her theme, "Acts of Devotions." It was announced that the World Day of Prayer service is to be held at St. George's Episcopal Church at 2 p.m. Friday, Feb. 25, and also of area leadership training schools to be held in Coos Bay Jan. 17, and in Medford and Klamath Falls Jan. 21.

Dessert was served before the meeting at tables centered with lovely bouquets of heather and lighted candles of old rose by hostesses Mrs. H. T. INTERESTING DISPLAY ENJOYED BY MEMBERS OF N. DOUGLAS GRANGE

The North Douglas Grange held its regular meeting Friday evening with all officers present. Only seven members were absent. During the program a New Year's skit was presented.

After the grange meeting members enjoyed examining a display table prepared by Mrs. Leland Svarverud of articles she had brought from England, among which were ironstone ware, napkin rings made of some kind of born, English pewter, a terra cotta picture dated January 1794, a clock part of which was made in Germany and part in Japan; a solid silver necklace, a necklace made of thirteen different African nuts that were hand carved in Italy; a silk Gibson girl stole, an oriental snuff box, venetian perfume bottle, butterfly wing ash trays, crackle glass, wedgewood articles, wine decanters, mason ironstone and handmade tea clothes and lunch cloth. Some of the things were wedding presents of Mrs. Svarverud's great-grandparents.

The N. D. Grange appreciates the new large signs that the highway department put up at their request to make it easier to find the turn off at Curdin. The next project of the grange is signals at the railroad crossings both at Curdin and Anlauf.

SHERIFF CAL BAIRD SPEAKS TO MELROSE PTA

Sheriff Cal Baird gave his audience a clearer insight into the juvenile delinquency problem at the Melrose PTA meeting Thursday evening. He cited broken homes, lack of parental supervision, and lack of religious training as contributing factors in the problem. He said there is a great need for more parental cooperation in the matter.

A period of questions, comments and suggestions followed Sheriff Baird's talk. Baird reminded the audience that individual letters to their state legislators would help to get needed laws enacted. Law enforcement officers will do their duty if given public support and adequate laws to enforce, he said. He expressed his preference for preventive measures rather than corrective ones wherever possible in dealing with juvenile delinquency.

The PTA's business session was conducted by the vice-president, Mrs. Jack Trusty. Mrs. Samson's second grade room won the attendance count. Refreshments were served by third grade mothers.

Septic Tank Owners Take Notice

Home owners have discovered that septic tanks stop-up and overflow. Two reasons are—first, because the tanks are not cleaned at proper intervals; secondly, toilet tissue that does not readily disintegrate may clog the drains and force them to back up!

Recognizing the importance of this, MD Toilet Tissue is processed so that it absorbs water completely and quickly—gives less trouble with clogged discharge drains in the septic tank system.

Follow this plan for best insurance: Consult your County Health Department, your plumber, or a septic tank service company, for advice on cleaning your tank. Use MD Toilet Tissue!
