ADMITTS CONFESSION FALSE
TORONTO (AP) — Kenneth Rapson admitted in court here that he falsely confessed to 11 safe robberies because he wanted to get away from his wife "for a long time."

Police said they became suspicious when Rapson's confessions didn't coincide with the facts. He was sentenced to nine months for being a public mischief.

S. Umpqua Credit Union Holds Annual Meeting

The South Umpqua Federal Credit Union held its annual business meeting Sunday afternoon at the Canyonville Masonic Hall.

Officers made their annual reports, and new officers were elected, according to Glendale Corbett, secretary.

The credit union, affiliated with the AFL Lumber & Sawmill local 2716, now has 230 members with 210 savings accounts amounting to 12,222 shares. A total 109 loans were made to members during the past year.

The following new officers were elected at the meeting: Board of directors, Kenneth Jones, Myrtle Creek, president; Harold Stevenson, Myrtle Creek, vice president; E. J. Zimmerman, Riddle, treasurer; Ralph Sloan, Glendale, and Reid Gross, Canyonville, Credit committee chairman is Dale McCollum, Glendale. Others on the committee are: Bonnie Cowley, Riddle and O. L. Dotson, Canyonville. On the supervisory committee are: Gerald Freeman, Riddle, chairman; Floyd Freeman, Tri-City, secretary; Gerald Fox Glendale.

How the 1955 Mercury makes sense out of high horsepower

NEW 1955 MERCURY PUTS HIGH HORSEPOWER TO WORK AT NORMAL DRIVING SPEEDS WITH NEW SUPER-TORQUE V-8 ENGINE, DUAL EXHAUST, 4-BARREL CARBURETOR

Mercury gives you high horsepower you can use in all performance ranges—not just brag about.

More important than high horsepower alone is pickup, passing, hill-climbing power—more power for your everyday driving.

Everything about Mercury's new and advanced SUPER-TORQUE V-8 engine is designed to give you more usable power with super pickup in every speed range.

It's a short-stroke, low-friction design, with high-turbulence combustion chambers, full-vacuum automatic spark control—all specially engineered to squeeze more power out of every drop of gas.

And there are Mercury exclusives like:

1. A 4-barrel vacuum-operated carburetor for instant response. Only Mercury in its field offers it as standard equipment on every model.
2. A dual-exhaust system on all Montclair and Monterey to cut power loss, and add

more efficiency and economy. Only Mercury in its price class has it as standard equipment.

3. High-compression spark plugs—a revolutionary new design—for peak performance at all speeds without overheating or fouling. Only Mercury has them in its field.

They all add up to a new kind of high-horsepower performance by Mercury—the car that's always used V-8 engines—built over 2,000,000 of them. We invite you to try the new 198-hp Montclair, the 188-hp Monterey and Customs. Just stop in at our showrooms.
