By MRS. G. B. FOX

Principal Millard Gilbreath of the Glendale Grade School announced this week that enrollment is now up to 548. A breakdown of figures indicate 90 in the first grade; 87 in the second grade; 63, 3rd grade; 56, 4th grade; 74, 5th grade; 59, 6th grade; 61, 7th grade, and 58, 8th grade.

The Presbyterian Church in Glendale is planning a New Life Preaching Mission the last week in March. The speaker is not yet scheduled. The meetings here are to be a part of a state-wide spiritual life advance program of the Presbyterian Church.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plate. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug counter.

A number of Glendale men plan to attend the western area meeting of Presbyterian men to be held at Sacramento, Calif. Feb. 11, 12 and 13. The theme is "Is Thy God Able?" Attendance is expected to run as high as 3000. Representatives will be present from eight western states.

Prizes went to one entire classroom and two individuals in a recent poster contest conducted at the Glendale Grade School. A large number of youngsters participated in the contest in which posters were made to illustrate "Keeping the Schoolgrounds Clean."

In the first, second and third grade competition, Mrs. Porter's entire third grade class went to gether in producing the poster chosen as best in that division.

ATTACK SECOND TALLEST

ORANGE, Calif. (AP)—An expedition will ascend the slopes of Lhotse, world's second highest unclimbed peak. An American mountaineer, Norman G. Dyhrenfurth, said he has been granted permission by Nepal to lead his expedition up the 27,890-foot mountain, neighbor of Mt. Everest in the Himalayas. He will assemble the group March 15 in Switzerland.

WAR CAN BE AVERTED

CANBERRA, Australia (AP)—Foreign Minister Richard G. Casey said Monday he believes war in China can be averted as long as "each side clearly understands the others' intentions." Casey in a statement reviewing the Formosa situation, said he had full faith in President Eisenhower's handling of the dispute.

The winner for the 4th, 5th and 6th grade was Gloria Hammond from Mr. Steffen's room.

The winner in the 7th and 8th grade classes was Gladys Vincent. Each winner received a cash prize. Judges were Supt. James Pate and Florence Johnson, librarian.
