Here's a Plan for Your Future With Immediate Earnings

The right man or woman will have a permanent business with no investment - and no ceiling on earnings present or future. If you are 20 to 35 years of age with a car, good health and pleasing personality, your future can lie in growing with us. Travel limited, selling to businesses needed sales promotional services with calendar campaigns.

Better than average earnings per week if you are active and able to manage your own time; have real ability to meet and talk easily with all kinds of people. No previous sales experience necessary. Prefer married person, with minimum of high school education, who has a record of stable employment, good references, a likable character, and has a creative mind and will learn our tested methods of selling.

For details about how you can sign up for a guaranteed, exclusive territory and receive high commissions weekly with year-end bonus and profit sharing distribution, write P.O. Box 948, Joliet, Ill.

OWN BUSINESS - Get established in a sound one-man business without capital investment, selling a nationally known, profitable product in this locality. Better than average income possible first year. Open from your home. Truck car required. Write The J. R. Watkins Company, 137 Dexter Ave., Seattle, Washington.

BOOMING BUSINESS makes opening available for responsible man or woman with car to call on farm women in Douglas County. Full or part time. Opportunity to make better than average earnings. Write McNeess Company, P.O. Box 1, Bayshore Station, Oakland 23, Calif.
