Industrial League All-Stars Beat Firmco In 82-77 Game

The Roseburg Industrial League All-Stars, substituting for contract-breaching Alton Lumber Co., handily defeated the Myrtle Creek aggregation 82-77 Saturday night.

Arrangements for the game were made Saturday when Alton was scheduled to play at Myrtle Creek Saturday night.

It took some phenomenal second half shooting and strong rebounding by the all-star team in the second half to overcome their taller opponents who now have a 15-3 record.

The all-stars led 18-15 after one period but Firmco came back to tie the game at 28-28.

In the third period, the all-stars pulled even at 56-56 and ended the period in a 60-58 tie. Ralph Rudzik and Whitten each scored 10 for the winners in that quarter.

Co-Favorites, RHS And SHS, Idle Thursday

Weekend tournament play at Roseburg and Oakland closes out the hoop season for all but two Douglas County basketball teams this week.

Six class A schools start a three-day indoor carnival Thursday evening on the Roseburg floor and on Friday and Saturday nights four B schools finish off their tourney on Oakland's hardwood.

There are two matches scheduled each night of the A tourney on a single elimination basis. Co-favorites Roseburg and Sutherlin have drawn byes and will not play Thursday night. They automatically qualify for the tourney's second night of action Friday.

Pairings for the first night pit defending subdistrict champion and pre-tourney co-favorite Myrtle Creek against Douglas in the first game and Glendale against Fairhaven in the second.

Friday night, the winner of the Myrtle Creek-Douglas game meets Sutherlin in the first game and the winner of the Glendale-Fairhaven game meets Roseburg in the second game.

Thursday night's two losers are eliminated from further play.

Friday night's two winners meet for the championship in the final game Saturday night and Friday night's two losers meet in the preliminary game Saturday night.

Winner of this tournament meets the Coos-Curry subdistrict titlist for the district championship in two weeks.

B schools move into semifinal action at Oakland Friday night with pre-tourney favorites Elkton and Glendale expected to meet in the final Saturday night.

Elkton, winner over Yoncalla in the subcounty, meet Canyonville's Tigers while league champion Glendale takes on the league's last place team, Days Creek. The losers meet in Saturday night's preliminary.

In other action during the week, Drain warms up to the tourney by hosting Creswell Tuesday night and Riddle's Irish close out the season by playing host to the Myrtle Creek jayvee team on the same evening.

We've got news for you! It's only three weeks till the Men's City tournament takes off. And some high spots: (1) Handicaps on basis of 15 games or more, highest average, net Sunday. (2) Closing date for entries, one week later, or March 6. (3) Individuals handicap and classified, teams classified only. (4) Handicap 75 per cent-200, no limit. (5) Fees \$2.50 per man per event, payable before tournament starts. (6) \$1.05 for bowling, \$5. for expense and \$1.10 for prizes. (City Assn. will add money for trophy buying, so prizes will be nearly double last year, provided entries are equal.) So get to thinking about it, and pick your partners.

NEXT HOT FLASH is the big stuff from women's state tournament. Nita Baughman and Del Mix are sitting on the top rung in doubles, with 1963, which has a good chance to stand up. Nita also shot the highest single series of the tournament to date, a torrid 601, to swell that doubles score. Some other nice scores, but we lack the figures to put them in their proper place.

Locally, our girls are all trailing Roy O. Young's team. Last week Ellen Jones got scientific and converted the 6-7-10 split. A very neat feat, as many of us know who have tried and missed. They are sending one team to Albany this weekend, and their own City tournament will happen Mar. 22 and 27th. Last year they had a 100 per cent entrance of teams. Can you boys equal or come close to that!

IT'S PRETTY STALE now, but we did overlook it in this column last week. Floyd Baughman got steamed up in the task of a 500, and compiled a twin score to the 266 Ted Buettner has been leading the entire assn. with all season. Somebody better top that one, or these lads will have to divide the championship belt buckle the ABC gives for high series in each association. Incidentally, Ted now has to lose nothing of his honors. This time it is with Leo Justen, another newcomer to town, who ties Ted with a 289 game, handicap included.

More about that one. Leo started out his series with a whopping 110. Got to thinking about it, and decided that wasn't his best, and poured on the gas in the next game to come up with 7 big X's in a row for a steak dinner, and a 247 scratch game.

In the very next game, his teammate, John Newton, (daddy of a fine new baby girl), essayed to top Leo's effort. He started off with the steak dinner requirements, but took a nap in the eighth and cherry in the 19th, but still wound up a nifty 243. This made a record of two steak dinners in one night, and by the same team!

IT SEEMS that the Dillard Steak House has stimulated bowling more than anybody else in town, with that steak dinner prize for seven strikes in a row. In fact it has got so expensive that they are said to be withdrawing the offer effective this week. If so, we look to see a decided drop in local averages right soon.

A couple mighty accomplishments last week included a 621 by Mark Batt, including lines of 231 and 223. Curly Siekman hit a 631. John Sanders had a 212-209 in one set Monday night, and other nifties were a 223 by Don Nye and a 232 by Spike Warren.

SOME DESPERATE pick-ups include a 6-7-10 by Ellen Jones, a Myrtle Creek lassie, the same by Bob Edwards Friday night, and the 3-7-10 Christmas tree by Hoy Rice Thursday night. There were also some prodigious scores by teams last week, with the Sutherlin quint representing Thatcher's Cleaners almost tying high team game with handicap. They hit 1141, only 9 sticks short. Roseburg Books had 1002-1000-1017; Myrtle Creek's Firmco 1006-1018-1006, for a near triple.

Officials: Loghry and Marsters.

Indian-Bulldog Wrestling Due

Roseburg and Sutherlin wrestling teams meet for the third time this season in final regular season matches for both when they collide at the Roseburg gym Tuesday evening.

In previous matches the Indians have been winners both times by scores of 34-18 and 44-10.

Tuesday night's event is in the nature of a doubleheader. Roseburg's jayvees tangle with the Douglas varsity to start things off at 6:30 and the Roseburg-Sutherlin matches follow.

Shirtecliff Capture Sunday Bowling Play

Mr. and Mrs. Ted Shirtecliff racked up 1146 pins Sunday in capture high honors in mixed doubles at the Roseburg Alleys.

Second place went to Mr. and Mrs. John Anderson who scored 1143.

Shirtecliff's efforts included high game of 214 and high series of 214-203-181-60. Justin and Anderson also cracked 200 with games of 205 and 200 respectively.

For the ladies, Sylvia Anderson rolled high series of 474 and tied Bev Fish with high games of 180.

YMCA Boxers To Fight At Albany Next Weekend

Boxing matches at which Roseburg YMCA boxers were scheduled to appear were cancelled Saturday night by the sponsoring Eugene club. The event was cancelled when no suitable contender could be found to meet the main event Jackie Pucias.

Seven local mittmen are scheduled to fight at Albany next weekend, including Dick Gilman Jr., Johnny Green, Eldon Pine, Vern Morris, Roy Robertson, Davey Patterson and Larry Vang.

Myrtle Creek Overcame Creswell Lead At Half

In a game that was entirely different from half to half, Myrtle Creek won its 17th basketball game of the season by manhandling Creswell 52-35 on the losers' floor Saturday night.

The winners rallied strongly in the final two periods to climax one of their most successful seasons in history and sweep the two-game series from the Bulldogs.

Creswell led through the first two periods by margin scores of 13-6 and 23-16. But with two minutes gone in the third chapter the Vikings came with a rush to catch and go for in front. They scored on 12 of 23 field goal attempts for a .522 average in the second half.

Sophomore center John Losey led the third period assault with five field goals and Paul Hatcher added seven points to run up the count, mostly on shots from around the key.

The tight man-to-man Viking defense in the second half limited the losers to but three points in the third period and nine more in the fourth chapter. By the end of the third Myrtle Creek led 35-26.

Creswell won the freshman game preliminary but Jim Murray of the losers paced scoring with 18 markers.

YMCA Playoff Action Slated

Playoff action in the YMCA Independent League begins Wednesday night with three teams and possibly more participating.

Those scheduled to take part are the league co-champions, Millers and High School Bees, and Green Community. None of the other four league teams have expressed a desire to participate as yet.

The tournament winner will meet the winner of the Church League title. This title is undecided presently, but tonight's games in that circuit may determine a champion.

Winners of the two leagues will then meet for the city championship and the right to enter the district playoffs.

Santee, Others In Pan-Am Test

NEW YORK (AP) — Four world record holders, Miller Wes Santee and a solid crew of tested Olympians will lead the United States' powerful 33-man track and field team in the second Pan-American Games in Mexico City next month.

"It's an outstanding squad," said Jim Kelly, chairman of the committee of 18 which selected the touring athletes Sunday. "It could have won any Olympic Games ever held and will do great in Mexico City."

Each of the team in the first games at Buenos Aires in 1951, Kelly, of the U. of Minnesota, said this is a far better squad than the one that captured 12 individual competitions and two relays of the 22 events four years ago.

Indians Lose Close Decision To Braves

JVs Close 15-4 Season With 67-58 Hoop Win

Roseburg's jayvee basketball team, coached by Al Hoffman, closed out a 15-4 season Saturday night by trouncing Reedsport's jayvees 67-58 in a freely played game at the Roseburg gym.

The Indians led most of the way but didn't rack up their final nine-point advantage until the end of the third period.

In the third chapter the locals added four points to a 40-35 halftime advantage as Lee Burghart and Marvin Fray each scored six. Burghart was high for the game with 17 points.

The first period was the highest scoring frame for both clubs. In that one the Indians outscored their coastal rivals 23-16.

For Reedsport, Jerry Frige with 17 points was high.

Micro Track Record Survives Onslaught

The winnings were well spread out for the 10 micro-midget racing events at the County Fairgrounds Saturday night, but for the first time in six weeks the track record was unshaken.

Harry Hagen, racing in car 16, was the first's only double winner with firsts in the A trophy dash and the fourth heat race.

Main event winners were Jim Standley in the A event and Del Graves in the B event.

Four fires and the racing of Les Hatfield caught most of the attention and the excitement Saturday night. Hatfield, in car 71, was involved in at least three crashes during the evening.

For the first four events it must have seemed more like a merry-go-round than a car race to Hatfield, in the A trophy dash a spin-out found car 24 resting directly over him and in the second heat race he was smacked solidly by car 42 and whirled around in midair.

Four events later the same driver evened the score in part by whacking car 95 and driver Howe are Snell so hard that the latter was forced to leave the race and be towed away.

Cars 65 and 71 were two of three that were forced out of the A main when fire set in during that event.

The night's fastest lap time was a 9:7 4/5 by Jay Eaton in car 12, above the record of 9:45 mark set last week by Del Graves.

Four events later the same driver evened the score in part by whacking car 95 and driver Howe are Snell so hard that the latter was forced to leave the race and be towed away.

Reedsport Wins In 51-47 Finale

By JIM VANCE
Sports Writer, News-Review

Tall Reedsport earned hard-fought revenge over Roseburg Saturday night by taking the Indians 51-47 in one of the most bitterly contested and exciting games of the year on the Roseburg floor.

The visitors of Coach Norm Olson had to withstand a fourth-period Indians uprising that threatened to overcome a comfortable 40-28 third-period Reedsport lead. As things turned out the winners outscored the locals 6-4 in the final 2:08 of play to break the Roseburg challenge that came within two points of tying twice in the fourth chapter.

Reedsport's win finished out a 14-6 season, including wins in the last seven games. Coach Bill Harper's Indians ended the year with a 7-15 mark.

In midseason the Indians racked up a 49-42 triumph at the home of the Braves.

Up to the time in the fourth quarter Saturday night when Roseburg challenged, the Braves played every type of game Roseburg threw at them and came out a little better whether it was driving basketball, playmaking basketball or just plain shooting.

Reedsport's real forte, however, was rebounding and in this one thing lay the final difference Saturday night.

Sharpshooting forwards Don Fegles and Dick Smith poured in 17 points apiece and each along with center Jack Cory helped the Braves dominate the boards.

The three Braves did all Reedsport's first period scoring as they ran up a 15-7 margin. Roseburg tied the game 2-2 and 4-4 and was as close as they were to get to lead throughout the entire fracas.

As they did throughout the struggle, Fegles and Smith continued to bomb the hoop with outside shots and rebounds through the second period. Smith picked up five markers and Fegles four in this period. Six-foot, one-inch guard Ed Erickson added four more with the period ending 30-20 for the winners.

Roseburg stayed pretty well with the determined visitors throughout the eight minutes, being outscored only 15-13, but were never able to trim the margin down to less than five points.

Early in the third period Reedsport once revealed in a 33-20 lead and once again by period's end had picked up an additional two points during the eight minutes of action.

Roseburg Coach Harper had alternated platoons of five men through the first three quarters of the contest and as things turned out the "driving" platoon which didn't start the game made it closest at the finish.

In the fourth chapter the Braves were outscored 19-11. Roseburg closed the gap to 45-43 and 47-45 right before the two-minute mark. Reedsport decided to play for the hoop rather than stall in the rough, ball-hawking action and much madness followed.

Reedsport's strategy paid off. With 1:15 left Smith got loose for a layin to make it 49-45 and after Biddington's five-footer made it 49-47, with :38 to go the Braves picked up two on Cory's tip.
