MEN'S WEAR Main Floor

It has been said that Washington prayed for warm clothing for his men at Valley Forge. If we had heard of his prayer for warm clothing we could have answered them with these 8 **TOP COATS**. But now we are the ones praying . . . to get rid of these famous topcoats . . . in regular 1-39, 2-40, 1-42 and in long 1-38, 2-40, 1-42. Were to sell for 75.00 but you can keep warm for . . . **28.00**

We can't tell you the name of the tailor of these **TOPCOATS** in public but we'll whisper the information to you tomorrow. Six coats, 1-38R, 1-40R, 1-40L, 1-38L, 2-44R. If you can tell us the year George was born, we'll sell you one of these good looking (?) top coats for the same price. Hint . . . **17.32**

TELE-LOUNGER PAJAMAS . . . yep, these 2 small size lounging pajamas have been lounging here too long. We are giving these 7.89 lounge pajamas the heave-ho at . . . **2.88**

If you see spots in front of your eyes, you'll see even more if you buy one of these 4 **GABARDINE DRESS JACKETS**. They're polka dot lined. 1-40, 2-42, 1-44 sizes. Remove those 14.95 dots from our eye sight for . . . **4.99**

What, more **MEN'S PAJAMAS**? If that buyer isn't more careful in his buying he'll be traveling along with these **TRAVEL PAJAMAS** that have matching slippers. Two size medium, 1 large size . . . but we are helping these 8.95 travelers travel a long way for only . . . **3.88**

There's one animal we've always wanted to see. That's a **WOOL GABARDINE**. Could be a strange animal but no more strange than this **WOOL GABARDINE SHIRT**, medium size. Was supposed to sell for 17.50 but surprise us and buy it for . . . **5.88**

Some lined? Some unlined. Some with collars? Some collarless? What—these **DENIM WORK JACKETS**. Save yourself from labor. Send one of these 4.95 work jackets to the job for only . . . **1.00**

Now you can belt the living daylight out of your wife and still be a cheap skate at the same time. Regular 2.00 **MEN'S BELTS** are being sold for the beastly price of **9c** each. (P.S.—Wife, there's no buckles to cut during the beating).

This is our loud mouth special. Every known loud mouth should have one of these heaven-stem items. **MUFFLERS** in gay, bright, brilliant, disgusting colors. O' So, Solly, only 15 of these 2.95 mufflers to go at this silencing price **9c**

Washington crossed the Delaware in a boat because he didn't trust **SWIMMING SUITS** . . . and besides, it was cold. We must give credit where credit is due. George showed his intelligence but we aren't showing much gray matter when we say we'll sell these 3.95 men's swimming suits for only . . . **88c**

MEN'S WOOL CRUSHER HATS. If you had been around as long as these wool hats you'd be crushed too. The firm price was 1.45 each for these red and tan hats, but the price has been pressed into a compact . . . **57c**

Now here is a potted bargain. In fact, it is a **CAST IRON DUTCH OVEN**. How it ever got in the men's department is a mystery but, since we are cracked too, this 5.00 value goes out at a brittle **1.88** cents.

We have seen log truckers, freight truckers, but if you see any brown and blue **STRIPED TRUCKER OVERALLS** around, tell him he can cover his carcass not for 4.49 but a wrecked **2.76**

SHOES Main Floor

When the manager of the Shoe Department handed us his items for this ad he had them entitled, "Valley Forge Specials". We looked over the merchandise and agree with him. They should have stayed at Valley Forge. Just look at this bunch. Odds and ends of **LADIES OXFORDS**. (He's confused . . . Oxford is in England). Well, if you don't have any gunny sacks to wrap your feet in, try a pair of these at **3.00**

Another shoe department nightmare . . . large group, you know too many to take in inventory and too many to hide, of leading brands in **LADIES SHOES** from flats (Poker Flats) to Hi Heels (all over 2 1/2). Were priced up to 14.95. However, you can wing a pair out of the manager for **5.00**. Be brave and buy 2 pair for **9.00**.

The buyer must have been high when he bought these **HIGH STYLE SHOES** made by famous manufacturers. Someone told him that these would sell like wild fire at 16.95 and 18.95 but hurry, don't let us set fire to these shoes. Save these from the fire . . . pay us only **9.00** a pair.
