

GIANT EGG LAID

A New Hampshire hen owned by Mr. and Mrs. J. F. White of Green last week laid the biggest egg the Whites had ever seen. Mrs. White said it measured six and three-quarter inches in circumference and "a fraction under eight inches lengthwise."

Mrs. White said Saturday she didn't know which hen of the flock had laid the egg, which dwarfs a regular chicken egg. The egg was laid Friday. The Whites have raised chickens for their own use since they moved to Green some three years ago.
