Dons Win College Basketball Crown

BILL RUSSELL ... outstanding player

KANSAS CITY (AP)—The "dip" shot executed by Bill Russell displaced the old fashioned "tip" and last-minute strategy succeeded as the University of San Francisco Dons took away the National Collegiate basketball crown from LaSalle's Explorers.

San Francisco, rated No. 1 nationally in The Associated Press poll of writers and sportscasters, won the 17th NCAA-sponsored college tournament, 77-63, over 1954 champion LaSalle before a packed house of 10,500 in Municipal Auditorium Saturday night.

In the preliminary game for third place the Big Seven Conference champion Colorado Buffaloes knocked off Iowa's Hawkeyes of the Big Ten, 75-54.

While the 6-foot 10-inch Russell was busy helping the ball downward and into the basket off his teammates long shots, it was left for the Dons' K. C. Jones to come through with the job that really foiled the Explorers.

Jones, a senior who packs 202 pounds in a 6-foot 1-inch frame, was given the task by Coach Phil Woolpert of stopping three-time All-American Tom Gola of LaSalle. Jones not only limited Gola to six field goals, but wound up with 10 field goals and 4 free throws for 24 San Francisco points.

Woolpert assigned Jones to Gola shortly before game time when it was apparent Jerry Mullen, ace defender of the Dons, wouldn't be able to go full steam because of an ailing ankle.

Gola's game total of 16 points, 4 of them on free throws, represented the best individual effort for Coach Ken Lofler's LaSalle club. The box score showed Russell with 23 points, next best to Jones, but the Dons' gangling All-American at times had even the official scorers confused over who should be given credit for the bucket.

Russell, who has another year of college eligibility remaining, was voted the outstanding player of the tournament. He picked up a record of 118 points for the five games in the tournament. The previous mark of 114 was set by Gola last season.

Gomez Conquers Pederson To Keep Junior Heavy Belt

By LFR

Pepper Gomez emerged from his bout with challenger Eric Pederson at the Roseburg Armory Saturday night still in possession of the much-traveled belt emblematic of the junior heavyweight wrestling championship of the Pacific Coast. It took the limit of three falls to decide the bout, Pederson capturing only the opener, Jerry Woods, a 21-year-old TV wrestler from Chicago, was the evening's referee. In the opinion of the standing-room-only crowd, he did a very unsatisfactory job, judging from the frequent vocal brickbats hurled in his direction.

In the card opener, Red McKim was given the verdict at the end of the 30-minute limit over Bud Martindale, who was disqualified because of his customary bar-room technique. Bulldog Curtis presented a carbon copy of Martindale's tactics in his tussle with Luther Lindsey, and at the end of the one-hour limit the referee declared a draw. Curtis then launched an impromptu fistic attack on both Woods and Lindsey, and the melee was not ended until Promotor Elton Owen entered the ring and went to Wood's assistance.

To take the first fall in the main dish of the mat menu, Pederson leaped twice in succession from the top of a corner onto Gomez' back as the latter lay inert after a self-knockdown from a missed dropped kick aimed at the challenger as he stood outside the ropes. Gomez came back to take the second fall with an Indian death lock. The third and deciding fall was a freak, occurring while Pederson had Gomez in the clutch in the last of several successive full-nelson holds, and appeared on his way to a titular triumph. Suddenly he fell backward to the mat, still holding Gomez on top him, and in that position they lay until Pederson was counted out.

Dons' Victory Seen As Boost For Gym

SAN FRANCISCO (AP)—The San Francisco Dons' National Collegiate Athletic Assn. basketball championship will be parlayed into a \$700,000 gymnasium for the school. That is the confident prediction of a committee raising the money.

Fund drive directors said Sunday night \$300,000 is already in the kitty for an 8,000 seat USF gym.

The Dons practice on a high school court. They play their "home" games at Kezar Pavilion or the Cow Palace.

All-American Bill Russell and his teammates will get a big welcome home at the International Airport Monday night. A ticker tape parade through downtown streets Tuesday will precede a victory luncheon.

Rose Bowl Game Tickets To Cost 50 Cents More

PASADENA, Calif. (AP)—The price of Rose Bowl football tickets will be raised 50 cents for the Jan. 1, 1956 game and that amount from each ticket will go toward defraying the expenses of the United States team to the Olympic Games in Melbourne.

This deduction will be a permanent thing. The Pasadena Tournament of Roses Assn., the Pacific Coast Conference and the Big Ten have agreed to contribute annually to the Olympic Games expense fund.

Idaho State Wins Coast Boxing Title

SACRAMENTO, Calif. (AP)—Idaho State rules West Coast college boxing for 1955.

The heavy-fisted Bengals, paced by hard-punching Mike McMurry, won the 23rd annual Pacific Coast Intercollegiate Tournament Saturday night, dethroning Washington State before a crowd of 4,000 at Memorial Auditorium.

McMurry, the National Collegiate and defending PCI heavyweight champion, put the clincher on the Bengals' first team title. The Big Irishman belted WSC's Ronald Kalafat all over the ring in the windup of the 9-bout card to earn a technical knockout at 1:58 of the second round. The other eight title bouts all ended in decisions.

6-School Track Meet Slated

The initial major spring sports activity in Douglas County gets under way this weekend when the annual Roseburg Invitational Track and Field Meet is held at the Roseburg High School track Saturday afternoon.

Five schools, North Bend, Sutherlin, Cottage Grove, Grants Pass and Marshfield, have accepted invitations to join Roseburg in the meet which is sponsored each year by the Roseburg Junior Chamber of Commerce.

There will be no preliminaries in the meet. Every event will be considered a final and will score points toward determining the meet champion, according to RHS track coach Frank Purdy.

There will be a total of 21 running events starting with the 120-yard high hurdles at 2 p.m. Field events will kick off the show an hour earlier.

All field events will be conducted as relay events and three racing events will be relays. The other events will be individual contests.

The final event on the program will be the mile relay beginning at 4:10 p.m. All other events will precede in rapid succession.

Ribbons will be awarded to each individual scoring points. Numerous rotating and permanent team and relay trophies will be awarded.

Scoring will be limited to the first six places in each event with first places in the relay events counting 15, first places in the mile and 880 yard runs counting 10, and first places in all other individual races counting six points.

Eugene Scores Easy Win For Oregon Crown, Places Two On All-State Team

EUGENE (AP)—Eugene, which placed two men on the all-state team, is the new Oregon class A high school basketball champion.

Paced by Mike Moran, 6-foot-8 center who scored 33 points, Eugene defeated Medford 72-56 in the title game Saturday night. Eugene was ranked third in the final Associated Press prep poll. Medford was rated No. 1.

Cleveland, No. 5 in the poll, defeated unrated Central Catholic 47-46 in overtime in an all-Portland contest for third place.

Seventh-ranked Albany beat St. Helens, No. 6, for fourth, and Milwaukie, No. 2, took consolation honors by defeating Baker 58-38.

Attendance records were shattered at the five-day meet with a total of 77,282 persons on hand. That topped the previous record of 69,539 established last year.

An all-time McArthur Court record of 11,092 persons saw the final game.

Eugene also won the tournament's sportsmanship award. St. Helens was second and Baker third in the sportsmanship rating.

Moran, the tournament's top scorer with 104 points in four games, and Leighton Tuttle were Eugene's representatives on the all-star squad. Others named by coaches of the 16 teams in the

tourney were Dick Jolley, Cleveland; Ted Miller, Milwaukie, and Larry Coplee, Medford. The second team was made up of Don Stamps, Albany; second 15-14, as the first period ended but Medford managed to tie the score at 22-22 in the second quarter which ended with Eugene ahead 31-24. From then on Eugene pulled steadily ahead, holding a 19-point lead at one time.

Coplee and Jerry Kalapus got Medford off to a 6-0 lead in Saturday's championship game while the Eugene squad was scoreless for the first 2 1/2 minutes.

Eugene led 15-14 as the first period ended but Medford managed to tie the score at 22-22 in the second quarter which ended with Eugene ahead 31-24. From then on Eugene pulled steadily ahead, holding a 19-point lead at one time.

Survey Shows Acreage Of Fowl Marshlands

Only 22,914,000 acres of wetlands considered of moderate to high value for wild ducks and geese remain undrained in the United States.

Another 53,200,000 acres of marshlands are classified as low to poor in quality for waterfowl management purposes.

These figures were made public for the first time at Montreal by Director John L. Farley of the U.S. Fish and Wildlife Service. He was reporting on results of a nationwide wetlands inventory completed recently by service biologists with the help of state game departments. Farley was one of the speakers in a panel on wetlands at the 19th annual convention of the National Wildlife Federation.

Another speaker, James T. McBrown, coordinator of the Service office of River Basin Studies which conducted the survey, said that from 1944 to 1953, more than 500,000 acres of marshes and potholes were drained with the help of federal subsidies in North and South Dakota—an area vital to North American waterfowl production.

This was more than twice the total of 214,210 acres of waterfowl lands acquired in all 48 states with duck stamp funds since passage of the Migratory Bird Hunting License Act by Congress in 1935.

BUD VAN OSTEN, driving car 38, holds trophy in right hand awarded by Donna Graves after winning 'A' trophy dash at micro-midget races Saturday night at County Fairgrounds. Van Osten also won the third heat race. (Dirk Gilman photo).

Van Osten, Graves Each Capture Two Wins In Micro-Midget Races

There were only two double winners at Saturday night's micro-midget auto races at the County Fairgrounds, and one of these was Del Graves, second high point driver of the season so far.

But the biggest advancement may have been made by Bud Van Osten who drives car 3. Van Osten was the only other driver to win two events, the A trophy dash and the third heat race, and in addition took a second place in the A main event.

Graves, in car No. 3, grabbed firsts in the second and final heat races.

Much excitement was offered fans during both the A and B main events. In the latter, half the field spun out at one time or another during the race.

A three-car spinout during the B main created a stir while in the fourth heat race Ben Hammond (97) and Les Hatfield (71) locked wheels and went into the sawdust during the tenth lap.

During the same event, Hatfield rode over Jack Poindexter with both cars spinning out of action momentarily on the first lap.

Fastest time of the evening was set by Art Pollard who toured the 1/15 mile track in 9.43.

Results: A trophy dash: Bud Van Osten (38); B trophy dash: Don Hein (33); First heat race: Harry Hagen (16); Second heat: Del Graves (3); Third heat: Van Osten (38); Fourth heat: Art Pollard (42); Final heat: Graves (3); B main event: John Decker (30) A main event: Bob Willhite (76).

Roseburg-North Bend Football Schedule Issue Back In Hands Of District Men

year's game will rest with officials. Final decision on the Roseburg-North Bend football controversy involving the scheduling of this

of District 5-A-1, if such a decision is in the offing.

The OSAA Board of Control, meeting in Eugene last weekend, handed the issue back to the district without any recommendation.

Roseburg school officials had applied to that body for a judgment on the matter after Roseburg and North Bend had failed to negotiate satisfactorily for a 1955 football date. Local officials brought the issue to attention with the aim of avoiding loss of state championship football status in the event of a possible playoff situation arising.

According to OSAA and district rules, all district schools must play a complete district schedule in order to qualify for the state playoffs at the season's end.

Except for the conflicting date which came about as the result of a misunderstanding between officials of the two schools, both Roseburg and North Bend qualify
