YOUR WASH WATER
TO GIVE YOU CLEANER CLOTHES
(Removes Lint, Sand, and Soap Scum)

FILTER-FLO
A Washing Dream
Come True!

**CIRCULATES AND FILTERS
WASH WATER 5 TIMES----
DURING WASH CYCLE**

Here is indeed a dream come true! For every woman who has wished she could change wash water as soon as dirt and lint show up. This new General Electric washer circulates and filters the water at the rate of six gallons per minute to give you whiter, brighter clothes.

**5-Year Protection
Plan Guarantee**

The new G-E Automatic Washer has a one year written warranty against defective materials and workmanship on the entire washer. An additional four-year warranty applies to the sealed-in transmission parts.

BIG CAPACITY Over 50% more clothes capacity than many other automatic washers.

WATER SAVER CONTROL Saves gallons of hot water. You simply select any water level desired.

ACTIVATOR Washing Action. Your clothes are individually cleansed as though washed by hand.

FLEXIBLE CONTROLS Ideal for fine fabrics. You can stop, skip, extend or repeat any cycle.

New oil cuts gasoline bills!

"RPM 10-30 Special" can save up to
1 gallon of gas in 8

ONE GALLON

...and here's how it improves your car's performance

"RPM 10-30 Special" gives your engine the protective strength of a heavy oil and the free-flowing qualities of a light oil. That's why you get less engine drag, more complete lubrication. Change to RPM 10-30 Special Motor Oil now... and get these 8 advantages:

- Save up to 1 gallon of gasoline in every 8
- Oil consumption savings up to 33% compared with light grade oils
- Quiets noisy, sticky hydraulic valve lifters
- Insures split-second starts, ends battery-killing grind in all weather
- Resists carbon formation, raises engine power and anti-knock performance
- Lubrication protection that holds engine wear to the minimum
- Covers car manufacturers' recommendations
- One oil for all purposes—covers SAE grades 10W, 20W, 30; for all seasons, all climates

We take better care of your car
