

Boys Find Ball Playing To Be Very Rough Sport

Two of the six Fenn boys of Roseburg have found ball playing a rough sport. Last Thursday, Leo, 9, was playing softball in the play area at Riverside School. He "talked up beside the batter, who at that time took a lousy swing at the ball. The bat hit Leo in the head causing a concussion. Yesterday, Bernard, 12, was playing ball in the Riverside gym, and he took a tumble, hitting his head. He is in the Douglas Community Hospital today, suffering from a concussion. The two are sons of Mr. and Mrs. Louis Fenn of 140 Dixon St.

Federal Claims Against Railroad Are Thrown Out

WASHINGTON (AP)—The Interstate Commerce Commission Friday threw out government claims that the railroads owe it between two and three billion dollars in refunds on World War II military freight bills. The commission found that the Justice Department had no basis for seeking such refunds. The railroads contended the government's wartime rates were lower than those quoted for any private shipper. The ICC action involved dismissal of 17 war materials reparations cases which, considered together, constituted the biggest money proceeding ever handled by the commission. The cases were brought before ICC between June 1946 and October 1948 by Tom C. Clark, then attorney general and now a Supreme Court justice. The Justice Department contended that because of the huge volume of military freight handled by the railroads for the armed forces, the charges should be reduced to levels very much lower than those collected. Every railroad company in the nation was involved in the claims, which also covered numerous electric lines, terminal operations and stock yard companies.

Dollar Co. Announces Shift In Operations

A switch in operations at the Glendale operations of the Robert Dollar Co. was announced today by Tom Mohl, superintendent, reports Mrs. G. B. Fox, correspondent. The night shift of the main sawmill was discontinued Thursday night, and a night shift will begin operating the new gang mill tonight. Previously, the gang mill operated only in the daytime. Neither the planing mill nor shipping department are involved in the changeover. Mohl said the operating change is based on the fact the company has more small logs suitable for the gang mill than the big ones for the main sawmill. He said no figures are available as to how many men will be out of work when seniority transfers are made, but the number will be small.

Grunewald Gets 5-Year Prison Sentence, Fine

NEW YORK (AP) Federal Judge Archie O. Dawson Friday sentenced Henry W. (The Dutchman) Grunewald, Washington influence peddler to five years in prison and imposed a \$10,000 fine for conspiracy in a \$100,000 tax fix case. Judge Dawson imposed the maximum penalty on Grunewald after comparing him and two co-defendants with "termites" which could undermine a structure until it collapses. He imposed a five-year jail term and an \$8,000 fine on one co-defendant, Max Halpern, 70, of New York, an attorney, who was convicted on four counts of the indictment. Judge Dawson adjourned until April 14 the sentencing of Daniel A. Bulch, 54-year-old assistant commissioner of internal revenue, who is ill in a Brooklyn hospital of a heart attack.

KILLED IN FIRE

GRANTS PASS (AP)—Fire leveled the Wonder Bar-B-Que building on the Redwood Highway 12 miles south of here early Friday, killing a waitress, Mrs. Mable Noble, 54, who lived there. The flames spread so swiftly that 30 minutes after neighbors first saw them and shouted an alarm, the structure was destroyed.

Exchange Student Talks On England At Rotary Meet

Miss Barbara Larson, international farm youth exchange student, showed colored slides of her stay in England last year, when she spoke before the Roseburg Rotary Club Thursday noon at the Hotel Umpqua. With clever dialog and use of British terms, the Oregon State College senior revealed intimate details of the life of the exchange students. Miss Larson, who claims Hermiton as her home, was one of 117 boys and girls from the United States who went to 40 countries last year. They lived with farm families to learn their ways of life and to further world understanding and friendship. The IFYE program is sponsored by the National 4-H Club Foundation, State Extension Service and business, civic and rural groups. Miss Larson was introduced by program Chairman Cliff Norris. Vice President Harold Hoyt presided in the absence of President Roland West. At a special board meeting following the regular noon session, the slate of officers for 1955-56 was completed when Bruce Mellis and Vic Micelli were re-elected secretary and treasurer, respectively. Bob Beardsley was elected sergeant-at-arms. John McBurney of the Eugene club was on hand to tell members of an intercity meeting April 27 on the University of Oregon campus. Percy Croft is local chairman of the dinner session, which will include nine clubs.

Claude Trueman, 42, Dies At Camas Valley

Claude Luther Trueman, 42, died Thursday night at his home in Camas Valley. He was born June 29, 1912, in Camas Valley and had lived his entire life in that community. He was an employee of the Stebbinger Lumber Co. at the time of his death. Surviving are his wife, Opal, Camas Valley; two sons, Melvin and James, both of Camas Valley; his father, George H. Trueman, Salem; step-father, Roy Metzger, Camas Valley; two step-children, George Williams, Jacksonville, Ore.; Mrs. J. E. Dobbis, Winston; his aunts, Mrs. J. A. Davis, Camas Valley, Mrs. Cora Busch, Camas Valley, Mrs. Glen Taylor, Roseburg; and an uncle, A. F. Belieu, Thurn, Calif. The body has been removed to The Chapel of the Roses and funeral arrangements will be announced later.

First Aid Classes Set For Roseburg Next Week

H. T. Lewis of the State Industrial Accident Commission, Salem, will be in the Roseburg area next week to conduct first aid classes. According to information sent the Douglas County Chapter, American Red Cross, Lewis will be available for first aid classes on the following dates: April 4—Roseburg Lumber Co., Dillard plant—2:30 p.m.; LSWW and AF of L, Roseburg Labor Temple—7 to 10 p.m. April 5—Umpqua Plywood Corporation Union Hall, Myrtle Creek—1 to 4 p.m. and 7 to 10 p.m. With the exception of the first class interested persons may enroll for the course at the Roseburg Labor Temple or at the local Red Cross chapter. Mrs. R. E. Herman, executive secretary of the ARC, terms this "an unusual opportunity for interested persons to learn first aid."

Palm Sunday Sermon Told For Green Church

The Palm Sunday sermon of the Rev. Gordon Wood of Green Community Church will be "The Weeping Saviour." Special music will be provided by the choir. Sunday school will begin at 9:45 p.m. Church service starts at 11 a.m. Regular evening services will be held, reports News-Review correspondent Mary Welkum.

Boys Vandal Suspects In GOC Post Damage

Three 14-year-old Winston boys have been taken in tow by state police as suspects in the vandalizing of the Winston-Dillard Ground Observer post last Saturday night. The building was damaged and records burned, according to Mrs. Ted Peterson, News-Review correspondent. Observers going on watch Sunday morning in the building, located in the northeast section of town, discovered the destruction. Windows had been shattered, the door kicked in and splintered and a fire started in the middle of the floor. Used to feed the fire were newspapers, magazines, time sheets of watchers and a weeks' records of planes which had been spotted. The arm of a chesterfield was burned and an electric heater broken. Beer bottles were strewn about the building.

Two Property Purchases Here Are Announced

Two recent property purchases in Roseburg were made known today, one involving a cafe and another a service station. The Tire Service Co., 240 S. Stephens St., has purchased the property of Phil and Floyd's, a service station and tire shop at 1345 E. Second Ave. S. Leonard Zacher and Carl W. Christensen have purchased the Airport Cafe. Conrad Clune, manager of Tire Service, said extensive remodeling is planned for the property, which was acquired through Floyd Bergheim, formerly a partner with Phil Staley. Another building also will be constructed on the property. Christensen has leased Zacher's interest in the cafe. He will reopen it in about three weeks, following remodeling and addition of a new equipment. The cafe will be enlarged through removal of partitions, providing more space. The property was purchased from Ione Maddux. Swede Vang will manage the business.

Weather Changes At End Of March

The month of March, which promised to be one of the most bitterly cold ever recorded in Weather Bureau annals here, did a turnabout in the last 10 days. It almost was normal, according to the weatherman. The first 21 days of the month were abnormally cold and dry, but a warm, wet spell crept into the area during the last of the month. The wet part, by the way, will remain during the next five days when a period of heavy rain is expected. Temperatures, though, will be below normal. This is what happened during the first 21 days. On March 20, the morning temperatures were 20 degrees, which the weatherman said was the lowest ever recorded locally so late in the month. There were 17 frosty mornings in the first 21 days of the month, far more than average. The mean minimum temperature for the period was 28.7 degrees, or 9.8 degrees below normal. Precipitation for the period was .93 inches below normal. Then the monsoons came in the last 10 days, and before the month was over, precipitation measured .59 inches over normal. No more freezing mornings were observed. A goodly portion of April showers are expected to soak the countryside through the first of next week. A half-inch of rain is expected, mostly during the first part of the week.

Hospital News

Mercy Hospital
Admitted: Surgery: Mrs. Arthur Richardson, Winston. Medical: Nora Carrol, Mrs. George Hinsdale, Mrs. Fred Tilley, Roseburg; Mrs. Henry Johnson, Winston.
Discharged: Eda-Holl, Mrs. F. L. Crittenden, Mrs. Roosevelt Berg, Mrs. J. E. McClintock, Mrs. E. L. Hennesbeck, Roseburg; Mrs. Elvin Stephens, Mrs. Wendelyn Knapp, Luella Plueard, Sutherlin; David Abraham, Elkton.
Douglas Community Hospital
Admitted: Medical: Lilburn Garrett, Mrs. Gordon Marshall, Mrs. Bob Allen, Mrs. Tom Alspaugh, Mrs. Alvin Hoffman, Mrs. Roy Willis, Mrs. Mike Saus, Mrs. Daniel Dimick, Roseburg; Mrs. Herbert Melvin, Glade; Mrs. Lloyd Thornton, Sutherlin; Arthur Goodwin, Canyonville.

Air Reserve Squadron Slates North Bend Visit

Several members of Flight A, 9415th Air Reserve Squadron, will go to North Bend Monday night for a meeting with Coss Bay Flight B, according to Lt. Col. Theodore H. Wirak of Roseburg, squadron commander. Roseburg area reservists will leave from the Air Force Reserve Training Center, 904 S. Stephens St., at 5:30 p.m. Reservists residing in the Drain area will go direct from there. A visitation between flights of the squadron is planned each year. Col. Wirak said. The squadron's Flight C is located at Coquille.

HT-RUN REPORTED

Between \$75 and \$100 damage was reported to a car belonging to John L. Gant, 1071 W. Third St., Thursday morning before dawn. Gant told city police a hit-run driver backed his car into the side of the Gant machine, smashing in a door.

Roseburg Is One Of 300 Cities In Safety Program

Roseburg is one of 300 U. S. cities which will participate in a national vehicle safety check program in May, it was announced today by Police Chief Stan Olson. Olson said Mayor Ernest M. Barker Jr. has accepted an invitation to participate, extended by the secretary of state. The safety drive will be sponsored by the Inter-industry Highway Safety Committee, Look magazine and the National Safety Council in cooperation with the National Conference of State Safety Coordinators. In Roseburg, Rotary Club will carry the burden of the program. Noting that the project is too large for the police department to handle, Chief Olson said he asked the Rotary board of directors to sponsor the program, and the club accepted. The program, involving three lanes where vehicles will be checked for mechanical fitness, will be held here May 16 through 20. Tentatively, the lanes will be set up on East Second Avenue South. A mechanic, Rotarians and policemen will be on duty at the check points. Chief Olson, also a Rotarian, will be general chairman of the program. Other committee heads, members of the Rotary Traffic Safety Committee, are Harold Horn, publicity; Len Mitchell, special events; Dr. Dallen H. Jones, public relations; and Donald Dole, finance. All Rotarians will serve on committees. Olson points out that the safety check of vehicles is strictly voluntary, but he hopes the public will cooperate in the effort to promote safety.

Water Resources Board Creation Voted By House

SALEM (AP)—The Oregon House of Representatives took action Thursday designed to conserve the state's water by voting to create a State Water Resources Board and to regulate use of ground water. Both bills go to the Senate. The vote on creating the seven-member Water Resources Board, with authority to establish a water policy and to settle disputes over use of water, was 53-6. The bill to let the state engineer regulate use of well water was passed 53 to 4. Rep. Charles A. Tom, Rufus, called the legislation the most important since the original state water code was passed in 1909. He said that the demand for water would double in the next 25 years, and that most of the water in streams has been over appropriated. He declared that the board, which would have judicial functions, would sit as a court in hearing contests as to the best uses to which water in any streams could be put. The board, whose members would be appointed by the governor and confirmed by the Legislature, would take over the duties of the Upper Columbia, Willamette and Reclamation commissions, and of the State Irrigation Board. Existing rights would be protected. The bill provides that multiple-purpose dams be given preference over single purpose dams, and that upstream dams be preferred over downstream dams. Fish life would be protected. Rep. Alfred H. Corbett, Portland, said the legislation would prevent Oregon from having water shortages such as exist in California and other states. The state engineer would issue permits for drilling of wells and regulate the use of well water. Voting against both bills were Reps. R. E. Goad, Pendleton; Katherine Mussa, The Dalles; Maurine Neuberger, Portland; and Speaker Ed Geary, Klamath Falls. Reps. Elmer Deetz, Canby, and Henry Semon, Klamath Falls, voted only against the bill to create the water board. The Water Resources Board Bill would become law next Jan. 1. The Senate passed and sent to the governor a bill providing for certificates of approval for out-of-state breweries. Issuing of these certificates will give the Liquor Commission power to control the activities of such breweries within the state. The Liquor Commission asked for passage of the bill so it could prevent the breweries from giving gifts of beer and cash to taverns. The Senate also completed legislative action on four property tax reform bills. They would allow use of average monthly inventory in computing the personal property tax, have the Tax Commission appraise timberlands, let the counties request Tax Commission assistance in appraising industrial properties, and have the commission give county assessors help in preparing maps and plats.

LOCAL NEWS

Here On Business—J. E. Woodworth of Eugene was a business visitor in Roseburg Thursday.
Dance Cancelled—The regular Saturday evening dance of the Swinger Square Dance Club has been cancelled.
Plans Sale—Junior Tri-H-Y of Roseburg High School is sponsoring a rummage sale at the First Presbyterian Church social hall, Saturday at 8:30 a.m.

The Senate also completed legislative action on four property tax reform bills. They would allow use of average monthly inventory in computing the personal property tax, have the Tax Commission appraise timberlands, let the counties request Tax Commission assistance in appraising industrial properties, and have the commission give county assessors help in preparing maps and plats.

Funeral Service Held For Glendale Infant

Funeral services were held last Monday at the Olivet Presbyterian Church in Glendale, and interment followed at the Glendale Masonic Cemetery. The infant is survived by her parents, and a sister, Ann; by her maternal grandparents, Mr. and Mrs. Lacey Spinks of Glendale; and by her paternal grandparents, Mrs. Eva Thompson of San Francisco and John Thompson of Glendale. Death occurred sometime between the time the child, apparently well, was put to bed Thursday evening, and Friday morning when her grandmother checked the baby's crib, according to information received by Correspondent Mrs. G. B. Fox.

MUSEUM DIRECTOR QUILTS

PORTLAND (AP)—Stanley Shirk, director of the Oregon Museum of Science and Industry since 1950, resigned Wednesday in disagreement with the trustees over the museum budget. A second member of the Lane County Pioneer Historical Society Council, she is also regional vice president of The Old Oregon Trail Assn. Sunday at 2 p.m. she will show 91 slides showing sectors of the Oregon Trail. Mrs. Coons will speak as she shows them. The meeting will be held at the Woman's Club. The historian will bring with her copies of her new book "The Trail To Oregon." It was recently published by Binford & Mort, Portland firm. Mrs. Coons will autograph books at the request of Mrs. V. J. Micelli, president of the county society. Society members and friends have been invited to the session.
